So What Are The Boys Saying:

Gary Corsair,2004-03-01 *Scrum Wars* Allan Levine,1996-08-08 The image of the scrum a beleaguered politician surrounded by jockeying reporters is central to our perception of Ottawa The modern scrum began with the arrival of television but even in Sir John A Macdonald's day a century earlier reporters in the parliamentary press gallery had waited outside the prime minister's office pen in hand hoping for a quote for the next edition The scrum represents the test of wills the contest of wits and the battle for control that have characterized the relationship between Canadian prime ministers and journalists for more than 125 years *Scrum Wars* chronicles this relationship It is an anecdotal as well as analytical account showing how earlier prime ministers like Sir John A Macdonald and Sir Wilfrid Laurier were able to exercise control over what was written about their administrators while more recent leaders like John Diefenbaker Joe Clark John Turner and Brian Mulroney often found themselves at the mercy of intense media scrutiny and comment **How To Say It to Teens**

Richard Heyman,2001-08-01 If men are from Mars and women are from Venus then teenagers are from another universe entirely or at least it can often seem that way In *How to Say It to Teens* you'll discover surprisingly easy ways to keep the lines of communication open throughout the turbulent adolescent years Author Richard Heyman guides you through the most challenging topics any parent of a teen will ever face Alphabetically listed from Anger to Violence and packed with real life examples this wise parenting guide arms you with Useful words and phrases Ways to ask important question Techniques for getting conversations started Strategies for helping teens through their actions and their consequences The most effective ways to offer advice You'll also find an eye opening self test to help you assess your own communication skills and five principles of communication that help you maintain your relationship with your teens through adolescence into adulthood
