## **Soar A Black Ops Mission:**

*SOAR* John Weisman, 2011-07-12 **BLACK OPS** The shadow wars the down and dirty work of CIA Special Operations On the eve of a groundbreaking U S China summit a covert CIA black ops team assigned to bug a Chinese nuclear test site is captured by Islamic terrorists An explosive situation goes from bad to catastrophic when the terrorists ambush a Chinese army convoy highjack a highly unstable nuclear device and arm it On orders from the President Major Michael Ritzik the young CO of a top secret element of the Army s elite Delta Force must lead his men on an impossible rescue disarmament mission even as Beijing dispatches its own special forces to deal with the impending threat Ritzik and his shadow warriors will need to employ speed surprise and violence of action to beat the Chinese to the target free the captives disarm the nuke and escape without leaving any fingerprints Failure is not an option because the unthinkable has suddenly become a very real possibility

*SOAR* John Weisman, 2003-08-05 Black ops master storyteller John Weisman creates a scenario so real that if he weren t claiming to write fiction *SOAR* would be classified top secret On the eve of a groundbreaking U S China summit a covert CIA operation to bug a secret nuclear test site in western China goes terribly wrong when the American black ops team is captured by a vicious fringe group of Islamic terrorists With the clock ticking the president scrambles Major Michael Ritzik the young CO of Sword Squadron a top secret element of the Army s elite Delta Force to rescue the hostages without leaving any fingerprints Its mission impossible exactly what Delta trains to do But then things go from bad to worse U S intelligence learns the terrorists have not only ambushed a Chinese army convoy they have also hijacked a highly unstable nuclear weapon and armed it Beijing dispatches its own special forces in hot pursuit Now Ritzik must use speed surprise and violence of action to beat the Chinese to the target grab the spooks and disarm the nuke Failure is not an option

**Direct Action** John Weisman, 2024-04-16 In this compulsive page turner six time New York Times bestselling author John Weisman blows the lid off one of Washington s deepest real world secrets The CIA currently incapable of performing its core mission of supplying critical and time sensitive human based intelligence for the global war on terror must now outsource the work to private contractors Drawing on real world crises and actual CIA operations *Direct Action* takes readers deep inside this new and unreported covert warfare that is being fought on a daily basis by anonymous shadow warriors all across the globe Racing against the clock and shuttling between Washington Paris and the Middle East one of those shadow warriors former CIA case officer Tom Stafford must slip below the radar to uncover target and neutralize a deadly al Qaeda bombmaker before the assassin can launch simultaneous multiple attacks against America and the West And as if that weren t enough Stafford must simultaneously open a second front and mount a clandestine war against the CIA itself because for mysterious and seemingly inexplicable reasons the people at the very top of the Central Intelligence Agency want him to fail The characters and operations in *Direct Action* are drawn from true life CIA personnel and their real world missions With *Direct Action* John Weisman confirms once again Joseph Wambaugh s claim that nobody writes better about

the dark and dirty world of the CIA and black ops      Culture, Crisis and America's War on Terror Stuart Croft, 2006-09-14 Since the infamous events of 9 11 the fear of terrorism and the determination to strike back against it has become a topic of enormous public debate The war on terror discourse has developed not only through American politics but via other channels including the media the church music novels films and television and therefore permeates many aspects of American life Stuart Croft suggests that the process of this production of knowledge has created a very particular form of common sense which shapes relationships jokes and even forms of tattoos Understanding how a social process of crisis can be mapped out and how that process creates assumptions allows policy making in America s war on terror to be examined from new perspectives Using IR approaches together with insights from cultural studies this book develops a dynamic model of crisis which seeks to understand the war on terror as a cultural phenomenon      *Storm's Gift* M.
