**Soccer Mental Toughness** Chest Dugger, 2022-11-03 Are you ready to take your soccer game to the next level Improving your mental strength could be the answer Things don't always go our way That is true in life in our career in our relationships and of course in sport That sweet hit from the tee that lands perfectly on the fairway and races on and on and on straight into the bunker Or the day that our serve just will not function Is there anything more frustrating than sending hit after hit into the net Well of course there are many things harder to bear but it doesn't seem so at the time Or the day we play the boss at squash and aim to push him just so far before he defeats us with a series of devastating volleys and bias shots to the corner Except they just don't come off and we end up winning knowing that the lift will continue to stop for us at the fifth floor at least until next time But these are all examples of individual sports occasions where if things go against us it is only we that suffer as annoying as that is But in team games such as soccer we can end up letting down the entire team Nobody wants to do that Perhaps more significantly we do not want the fear of that happening Often it is the fear of doing something wrong of making a mistake of giving the referee a chance to award a penalty against us that causes that particular disaster to occur The mark of the very best players is that they have the mental toughness to overcome these moments of adversity To accept that there are times when matters do not pan out as they hope and having accepted them move on without allowing their confidence to drop Call it resilience spirit mental strength or whatever without a doubt such a mindset is as crucial as having the skills to play at the level to which we

another company but her dad did not find a new job Then one day after a long argument the police came and took her dad away Courtney had seen him only once from afar since that terrible day In her mind she journeyed back to this time Courtney lay in her bed waiting for sleep to come Just a few months ago Courtney had been able to fall asleep as soon as her head hit the pillow When sleep finally came this night Courtney found herself in front of an elaborate wrought iron gate with a large sign reading Elysia set amid the swirling pieces of iron The sun shone very brightly birds sang happily and sweet flower smells escaped from the spaces between the iron bars of the fence The place looked very much like illustrations in her books but instead of being pictures on a page or the more fuzzy parts of the dreams she remembered this place seemed very real to her as real as the life she ordinarily led Even in her eleven year old mind Courtney knew this place could not exist but nonetheless she stood here
