*Constructive Conflicts* Bruce W. Dayton, Louis Kriesberg, 2022-07-22 Substantially revised for the sixth edition *Constructive Conflicts* explains how large scale political and social conflicts can be waged more constructively with more positive consequences and fewer destructive consequences for those involved Drawing on research from political science sociology social psychology neuroscience cultural studies and other disciplines Dayton and Kriesberg follow the lifecycle of social and political conflicts as they emerge escalate de escalate become settled and often emerge again in new forms The sixth edition presents numerous new examples and cases of conflict episodes that have avoided extreme coercion or violence and which have resulted in the advancement of the interests of most parties involved The book gives policymakers concerned citizens and students a powerful analytical framework supported by data for understanding and constructively intervening in conflicts of different type and scale offering a way out of the destructive cycles of conflict management which have come to characterize contemporary social and political relations Key revisions and features include Increased attention to changes in the social and political landscape including the rise of nationalism the erosion of liberal internationalism conflicts related to COVID response political polarization and the Black Lives Matter movement Thoroughly revised cases and examples throughout Key content revisions such as the growth of bottom up strategies for peace and conflict management the rise of misinformation in a post truth era and insights from neuroscience Table of contents now organized around three distinct book sections and chapter titles revised to reflect new content Numerous new figures and tables in every chapter End of chapter summaries discussion questions and activities New ancillary teaching materials including experiential exercises simulations and lecture outlines with teaching tips **Conflict and Reconciliation** Uddipana Goswami, 2014-08-07

Diverging from reductionist studies of Northeast India and its multifarious conflicts this book presents an exclusive and intricate empirical and theoretical study of Assam as a conflict zone It traces the genesis and evolution of the ethnic and nationalistic politics in the state and explores how this gave birth to nativist and militant movements It further discusses how the State's responses seem to have exacerbated rather than mitigated the conflict situation The author proposes ethnic reconciliation as an effective way out of the current chaos and finds the key in examining the relations between three communities Axamiy Bodo and Koch from Bodoland the most violent region of Assam She stresses upon the need to redefine Axamiy an issue of much discord in Assam's ethnic politics since the modern day formulation of the Axamiy nation The book will prove essential to scholars and students of peace and conflict studies sociology political science and history as also to policy makers and those interested in Northeast India **Setting the Agenda for Global Peace** Anna C.

Snyder, 2017-07-05 Anna Snyder provides a detailed account of the challenges women representatives in non governmental

organizations NGOs faced in building bridges across diverse ethnic racial national regional and ideological backgrounds at the 4th United Nations UN Conference on Women This book traces the process by which women s peace groups set an agenda for global policies in the area of women and armed conflict Setting the Agenda for Global Peace shows how NGOs use conflict to develop transnational social movements and to build consensus around issues of global concern Using this conference as a case study Snyder finds three purposes for social movement conflict contention arising from policy development deep rooted historical conflict and conflicts over NGO network priorities Drawing together feminist conflict resolution and social movement theories this comprehensive text analyzes the large scale decision making processes for NGOs and points towards future directions for conflict resolution and consensus building **Second Track/citizens'**

**Diplomacy** John Davies,Edy Kaufman,Edward (Edy) Kaufman,2003 Almost all current wars are primarily intra state involving complex societal conflicts with at least one party a non state community Second Track Citizens Diplomacy is broadly defined as facilitated dialogue to address conflict issues between unofficial representatives or equivalent opinion leaders dfrom communities in conflict It is an essential complement to official first track diplomacy for responding to the enormous challenge that these complex conflicts pose to building a sustainable and dynamic peace In this volume prominent contributors explain the development theory and current practice of second track diplomacy They examine the dynamics of modern complex conflicts such as those in Sri Lanka Israel Palestine Cyprus or the Caucasus Exploring innovative problem solving methodologies the book provides a detailed program for guiding Partners in Conflict in the search for common ground and analyzes core issues that arise in the practice and evaluation of second track diplomacy This book will be valuable to both academics and professionals involved in first or second track diplomacy or interested in integrative methods of dispute resolution or conflict prevention as well as to those working in development peace building or humanitarian programs at any phase of the conflict cycle

**Identity and Integration** Bernhard Peters,2017-03-02 Symbolic boundaries cultural differences and ethnic conflicts have gained significance and new meanings in a global situation characterized by the dissolution of traditional political and societal structures Communications and political and economic interactions increasingly cross the borders of states nations and ethnic communities and yet symbolic borders and separate group identities are nevertheless asserted The perceived efforts of migrants to maintain their cultural and ethnic identities are often blamed as a cause of conflict within nation states This intriguing volume recognizes that migrants with an Islamic background are seen as especially problematic cases Turks are the biggest category among Muslim migrants in Europe and more than one third of all Muslim migrants in Europe are from Turkey Referring primarily to immigration from Turkey this book combines both exemplary case studies of Turks within Europe and theoretical papers with innovative perspectives on the relations between integration and identity

**Social Movements and Protest** Gemma Edwards,2014-01-09 This lively textbook integrates theory and methodology and includes contemporary examples case studies and debates to encourage

critical engagement      Conflict, Trauma and the Media Guy Hodgson, 2017-11-06 Conflict in all its guises is usually at the centre of news and whenever wars natural disasters or divisions erupt the media are there to report record and commemorate This collection of essays explores the complicated relationship between the messengers bringing news of catastrophic upheaval and the recipients of that message It concentrates on the journalists photographers and film makers reflecting not only the motivations behind their work but also the psychological consequences of witnessing extreme suffering The audience interpret the news according to their circumstance be it with anger sympathy or with compassion fatigued indifference The book explores that reaction which is always more nuanced than anticipated Finally the modern communication circle is completed by exploring the potential of the media to diminish conflict This is demonstrated by the media bringing together communities that are either geographically or historically divided      **The Slippery Slope to Genocide** Mark Anstey, I. William Zartman, Paul Meerts, 2012-01-17 In this volume noted thinkers and practitioners of conflict management present ideas on how to prevent identity issues from causing fear and escalating into genocide They focus on measures for handling the internal dynamics of parties facing identity conflicts as well as considerations for arranging external assistance      **Observing Conflict Escalation in World Society** Richard Bösch, 2023-10-02 How do conflicts escalate This is one of the major questions in conflict research To offer further answers Richard Bösch follows a tripartite agenda First he develops a constructivist methodology for the study of conflict escalation embedded in a Luhmannian systems theoretical world society perspective Bösch argues that conflicts can be observed as social systems and he looks at the process of conflict escalation by analysing communication Second this analysis offers two case studies the Maidan protests in Ukraine 2013 2014 and Mali's crisis 2010 2012 Third it gives insights on how systems theoretical research can be beneficial for Peace and Conflict Studies      *Special Issue: Social Movements/Legal Possibilities* Austin Sarat, 2011-02-22 Social movements provide the engine of legal change and law itself spurs social movement activity This issue includes articles on social movements in several different nations including France South Africa and Canada asking us to consider the way context is reflected in movement activities      Social Conflict in the Age of Justinian Peter N. Bell, 2013-04-04 Social Conflict in the Age of Justinian explores a range of often violent conflicts across the whole empire during AD 527 565 These conflicts were reflected at the ideological level and lead to intense persecution of intellectuals and Pagans as an ever more robust Christian ideological hegemony was established      **Religion and Peace** Nukhet A. Sandal, Ingo Tauschweizer, 2022-08-30 Can religion help societies achieve peace and stability What actions can religious leaders take to facilitate conflict resolution This book addresses these critical questions in terms of numerous contemporary conflicts within and between countries In the aftermath of the 9 11 attacks public attention to religion shifted away from its relationship to politics and toward its connection to violence in civil conflicts wars and terrorism Religion's role in sowing discord became more prominent than its ability to unify Only recently have discussions turned toward the positive impact of religion and

spirituality in the public sphere and to the role of faith in resolving diplomatic political and social problems The essays in this book contribute to this discourse by examining past present and future opportunities to promote peace through religion and spirituality The contributors to this volume explore topics such as humanitarianism philosophy counterextremism human rights rituals populism foreign policy and environmentalism Some of the chapters approach these topics from a transnational perspective while others focus on specific countries in Africa Asia Europe Latin America and the Middle East Contributors Jonathan C Agensky Slavica Jakeli Afra Jalabi Brandon Kendhammer Loren D Lybarger Cecelia Lynch Peter Mandaville Jeremy Rinker Margaret M Scull Amy Erica Smith     *Israeli Identity, Thick Recognition and Conflict Transformation* L. Strombom, 2013-11-05 The divisive and malleable nature of history is at its most palpable in situations of intractable conflict between nations or peoples This book explores the significance of history in informing the relationship between warring parties through the concept of thick recognition and by exploring its relevance specifically in relation to Israel     Social Movements Donatella della Porta, Mario Diani, 2020-02-03 A new fully revised and updated edition of the leading introduction to social movements and collective action covers a broad range of approaches in the social sciences Now in its third edition Social Movements is the market leading introductory text on collective action in contemporary society The text draws from theory driven systematic empirical research from across the social sciences to address central questions and concepts in the field Sophisticated yet reader friendly chapters offer critical analyses of relevant literature whilst exploring important issues and debates The global political landscape has undergone significant changes in the years since this book's initial publication such as the spread of online protests the resurgence of nationalist and right wing activity global revolts and increased social and economic polarization This thoroughly updated edition offers fresh discussions of recent social movements against austerity from around the world new empirical examples references to recent episodes of contention an expanded comparative approach to social movement theory in the scientific literature and more Positioned at the intersection of sociology and political science this book Presents an empirical and engaging exploration of contemporary social movements Discusses topics such as organizing within social movements eventful protests political opportunities symbolism and identity in collective action and social change Highlights how core mechanisms of collective action operate in different movements past and present Provides a conceptual methodology useful for social science students and researchers alike Highlights how core mechanisms of collective action operate in different movements in the past and present Written by two internationally recognized experts in sociology and political science the third edition of Social Movements An Introduction is an essential course text and a must read for students and scholars of sociology political sociology political science and social movement studies
