## **Social And Moral Theory In Casework:**

*Social and Moral Theory in Casework (Routledge Revivals)* Raymond Plant, 2009-07-15 First published in 1970 the aim of the book is to map the logical geography of an important set of concepts which enter into the theory of social casework those concerning the individual and society Concepts examined include the individually orientated values of self direction and acceptance and those of role adjustment and integration which express the individual's relation to society The author's main concern is to see whether a coherent theory of the relationship between individual and society can be given in terms of these concepts and to argue that such a theory is fundamental to casework discussion Mr Plant also discusses what if any social or political commitments the activity of casework presupposes and evaluates the view that casework is apolitical *Social and Moral Theory in Casework* Raymond Plant, 1970 **Social and Moral Theory in Casework (Routledge Revivals)**

Raymond Plant, 2009-07-15 First published in 1970 the aim of the book is to map the logical geography of an important set of concepts which enter into the theory of social casework those concerning the individual and society Concepts examined include the individually orientated values of self direction and acceptance and those of role adjustment and integration which express the individual's relation to society The author's main concern is to see whether a coherent theory of the relationship between individual and society can be given in terms of these concepts and to argue that such a theory is fundamental to casework discussion Mr Plant also discusses what if any social or political commitments the activity of casework presupposes and evaluates the view that casework is apolitical Community and Ideology (Routledge Revivals) Raymond Plant, 2009-09-10 Initially published in 1974 this is a work of applied social and political philosophy which relates the philosophical analysis to various forms of community work theory and practice Raymond Plant emphasizes that community has a wide range of both descriptive meanings and evaluative connotations linking this dual role of the word in the description and evaluation of social experience to its history in ideological confrontations The book takes account of some liberal criticisms of the community ideal and finally seeks to re state a theory of community compatible with a liberal ideology

*Social Work Ethics* Eileen Gambrill, 2017-05-15 This collection of essays highlights ethical issues in social work which are often overlooked as well as recurring clashes that influence how they play out for example among different values and related moral judgements A wide range of ethical issues are addressed such as the types of technologies incorporated into social work issues raised by the common position of social workers as double agents required to carry out state mandates while also honoring obligations to clients and issues concerning the distribution of scarce resources These topics are integrally related to other often neglected concerns such as harming in the name of helping the ethics of claims making regarding what is true and what is not and related concerns regarding empowerment and social justice This collection which includes essays from an array of professions and disciplines is designed to bring these neglected topics to the attention of readers and to offer suggestions for addressing them in a manner that is faithful to obligations described in social work codes

of ethics      **Social Work and Social Care Practice** Ian O'Connor, Mark Hughes, Danielle Turney, 2006-03-23 skills Australian authors      **Communication in Social Work** Peter R. Day, 2014-05-17 Communication in Social Work focuses on the role of communication in social work This book discusses aspects of communication in the helping process and illustrates where information and advice on their own would not have been helpful to the client Comprised of seven chapters this book begins with an overview of the nature of communication and explains why a study of the communication process may help in dealing with serious problems of the environment and human relations Attention then turns to communication processes in social work with emphasis on the role of non verbal behavior in the interaction between social worker and client along with the factors that influence communication between them The chapters that follow focus on social factors in communication considering the sociological view of social work as a mechanism of social control as well as the importance of communication in the helping process This book concludes by explaining how social agency contributes to the nature of the social worker s activities touching on topics such as problems of cooperation and coordination in social welfare This text will be of interest to professionals and policymakers involved in social work      *Practising Social Work* Christopher P. Hanvey, Terry Philpot, 1994 Social work currently faces some of its biggest challenges as a profession This book provides a systematic exploration of the whole range of methods and approaches taking in client groups from young offenders to elderly people      **A Bibliography of British History, 1914-1989** Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index      **The Routledge Handbook of Social Work Theory** Malcolm Payne, Emma Reith-Hall, 2019-06-25 The Routledge Handbook of Social Work Theory provides an interdisciplinary and international introduction to social work theory It presents an analytical review of the wide array of theoretical ideas that influence social work on a global scale It sets the agenda for future trends within social work theory Separated into four parts this handbook examines important themes within the discourses on social work theory as well as offering a critical evaluation of how theoretical ideas influence social work as a profession and in practice It includes a diverse range of interdisciplinary topics covering the aims and nature of social work social work values and ethics social work practice theories and the use of theory in different fields of practice The contributors show how and why theory is so important to social work and analyze the impact these concepts have made on social intervention Bringing together an international team of leading academics within the social work field and newer contributors close to practice this handbook is essential reading for all those studying social work as well as practitioners policymakers and those involved in the associated fields of health and social care      The Idea of the Good Society , 2025-05-15 This volume provides a comprehensive analysis of the political thought and practice of Raymond Plant Professor Lord Plant of Highfield and celebrates the three aspects of his public life which speak to his idea of

the good society scholarship politics and civil society Firstly Plant s scholarship was remarkable in its breadth including philosophy social work political studies social policy theology and jurisprudence In particular Plant s work on Hegel the New Liberals social democracy Hayek and Rawls has had significant impact Secondly Plant s long association with the Labour Party which began in Grimsby in his youth through his friendship with the local MP Tony Crosland He later chaired the Party s commission into electoral reform took a seat on the Labour benches in the House of Lords and chaired the Fabian Society commission into taxation and citizenship Thirdly his work with civil society including time as President of the NCVO as chair of Centrepont as a member of the Nuffield Council on Bioethics and appointment as a lay canon of Winchester Cathedral This collection brings together distinguished scholars and contemporaries on all of the main aspects of Plant s thought and practical work and honours the remarkable scope and influence of his life

Rehabilitation, Crime and Justice P. Raynor,G. Robinson,2005-10-11 Can offenders be rehabilitated Can this be done in ways that benefit the community as a whole as well as offenders This book is about the history theory practice and effectiveness of rehabilitation It shows how different beliefs about the value of rehabilitation and about what works have influenced criminal justice policy and practice at different times and it identifies a number of promising approaches for the future Everyone interested in the rehabilitation of offenders should read this book

The Value Base Of Social Work And Social Care Barnard, Adam,Horner, Nigel,Wild, Jim,2008-10-01 This text focuses upon an array of key concepts historically associated with the activities of the helping professions but including thematic explorations of poverty inequality user perspectives and of the essential components of the helping relationship such as empathy compassion and conviction

**The Future of Teacher Education** J.W. Tibble,2024-07-31 First Published in 1971 The Future of Teacher Education is intended as a contribution to the debate about future developments in teacher education Criticism of teacher education is no new thing but it has certainly risen to a crescendo culminating in demands from various quarters for some kind of national enquiry This book discusses topics like broader role for colleges of education objectives and structure of the college curriculum study of education in colleges main subject courses organization and supervision of school practice alternative forms of training within the university and in service education for teachers This is a must read for scholars and researchers of education

**Motivational Interviewing for Working with Children and Families** Donald Forrester,David Wilkins,Charlotte Whittaker,2021-07-13 Drawing on 20 years of practical experience research and teaching in the field this book is a comprehensive guide on the use of Motivational Interviewing MI in child protection and family social work MI increases the likelihood of behavioural change working with client resistance to encourage a constructive environment when initiating difficult conversations This makes it particularly effective for child and family social care Drawing on over 500 studies spanning 11 local authorities this book uses recordings of real meetings between social workers and families to explain what MI is how it can be used in child and family social work and how to improve MI skills An invaluable resource for frontline child protection and family social workers this book will

enable to help you to better understand the needs of the people you support and be more effective in providing the right kind of support

Politics, Theology and History Raymond Plant, 2001-01-29 This book examines the moral foundations of liberal societies through the role of Christian belief in public policy

**Social Administration** W. D. Birrell, 1973

Engaging Enemies Simon Griffiths, 2014-10-09 Friedrich Hayek was a founding figure of the neo liberalism that flourished in the 1980s Yet despite his antagonistic relationship with socialism his work became a surprising source of inspiration for several influential thinkers on the left This book explains the left s unusual engagement with Hayek and reflects on its significance Engaging Enemies uses the left s late discovery of Hayek to examine the contemporary fate of socialism and social democracy Did socialism survive the twentieth century Did it collapse with the fall of the Berlin Wall as Hayek claimed Or did it transform into something else and if so what In turn this allows an examination of ideological and historical continuity Was the left s engagement with Hayek part of a wider break with a period of ideological continuity that marked the twentieth century but which did not survive its ending As such the book is also a study of how ideologies change with the times incorporating new elements and jettisoning others The left s engagement with Hayek was also influential on party politics particularly on the modernization of the Labour Party and the development of New Labour Engaging Enemies concludes with a discussion of the wider role of the market for the left today and the contemporary significance of the engagement with Hayek for Labour in the wake of the 2008 economic crisis

Generalist Practice Eleanor Reardon Tolson, William James Reid, Charles D. Garvin, 2003 This basic textbook seeks to establish a task centered methodology a structured short term problem solving approach applicable across systems at five levels of practice the individual the family the group organizations and communities The second edition offers more information on systems theories and includes case studies with each chapter Checklists are provided for each level of practice along with questions for consideration and practice exercises to help students monitor their understanding and skill development

*Talking About Welfare* Noel W Timms, David Watson, 2018-07-18 Originally published in 1976 Talking About Welfare is a collection of essays providing a general survey of the problems facing social welfare The book introduces a number of philosophers social workers and social administrators concentrating on problems in describing a general philosophical orientation to social work what it means to understand another person and to problems in describing and justifying social work and social welfare activity The essays collected contribute to discussion of a wide range of welfare issues principally that of personal and social welfare the moral justification of welfare provision and conceptions of community
