LiveWire, 1984-08 **Art and Children** Robin Works Davis, 1996 Art and literature are essential components of a child's education that encourage creativity, self-expression, and abstract critical thinking. These skills in turn help a child excel in math, science, reading, and drama. However, traditional educational settings often destroy a child's innate self-esteem and creativity. *Art and Children* is an indispensable aid to educators and librarians interested in helping young children achieve their artistic and creative potential. This teaching aid provides thematic unit-based activities that use art and literature to develop skills such as interpretation, self-expression, critical thinking, experiential learning, and problem solving. Accompanied by numerous examples, it offers step-by-step suggestions on how to plan, implement, and present these units and their related activities. Addresses of art suppliers are also provided. **Start with a Story** Linda Wason-Ellam, 1991 **Organizing Bug Days and Insect Fairs** Gary A. Dunn, 1994 **Cumulative Book Index**, 1925 A world list of books in the English language.
