O. Sadiku,2013-07 Every serious student of the Bible desires to understand the text discover the biblical principles and apply the truths to his or her life This commentary is designed to help students pastors and Bible teachers understand 1 and 2 Peter in a simple manner Working from the popular New International Version NIV the author provides helpful commentary on the text verse by verse This verse by verse commentary is different from others in two respects First it is brief while some commentaries are unnecessarily wordy and verbose Second it is Pentecostal in outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible The major aim of this commentary is to expose readers to 1 and 2 Peter Life is tough and difficult in general Unfortunately many Christians have been taught that they should only experience joys of being God s saints In 1 Peter Peter writes primarily for the readers of the epistle to stand firm in the true grace of God in the face of persecution and suffering In 2 Peter Peter writes to warn Christians about false teachers and to urge them to grow in the knowledge of our Lord Jesus Christ      **James and Jude** Dr. Matthew N. O. Sadiku,2013-04-29 Every serious student of the Bible desires to understand the text discover the biblical principles and apply the truths to his or her life This commentary is designed to help students pastors and Bible teachers understand James and Jude in a simple manner Working from the popular New International Version NIV the author provides helpful commentary on the text verse by verse This verse by verse commentary is different from others in two respects First it is brief while some commentaries are unnecessarily wordy and verbose Second it is Pentecostal in outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible James and Jude are

letters from James and Jude respectively who are half brothers of our Lord Jesus The timeless truth that James presents is that believers must harmonize their faith and action Our faith must be demonstrated in all situations of life at home at work in church in the neighborhood Jude writes to warn believers about false teachers and their heresy He calls on believers to contend for the apostolic faith Holman New Testament Commentary - 1 & 2 Peter, 1 2 & 3 John and Jude David Walls,1999-10-01 One in a series of twelve New Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike *A Study of Petrine Christology from Key Texts in 2 Peter* Kelly Adair Seely,2021-10-19 Second Peter is full of christological language Scholars have often overlooked the christological richness as they have focused heavily on the issues of eschatology and authorship The uniqueness of the Son from the Father as well as the divinity of Jesus are at the forefront of the short epistle Further Ernst K semann famously criticized 2 Peter for being void of Christology and the cross and thus the gospel The author analyzes the Christology of 2 Peter particularly as it relates to the Petrine view of the divinity of Jesus and the distinctness and uniqueness of the Son from the Father This study examines the christological depth in these key areas as a response to critics like K semann K semann first looked into the eschatological arguments of 2 Peter and claimed he was not able to find any christological orientation The student of 2 Peter must not look through eschatology to see the rich Christology which fills the verses of the epistle However when the reader examines the christological language and themes within 2 Peter he she is faced with a beautiful portrayal of Jesus and the Father **Nelson's New Illustrated Bible Commentary** Thomas Nelson,1999-05-13 A comprehensive verse by verse commentary for lay Bible students fully highlighted by articles maps charts and illustrations all in one volume Clear and Comprehensive Annotations by leading evangelical scholars don t dodge tough issues alternative views are presented fairly but commentators make their positions clear Attractively Designed Graphics appeal to the sound bite generation and others who aren t traditional commentary readers Interesting and Revealing Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background Visually Appealing Maps drawings and photos illuminate the commentary and visualize important information
