The Complete Plays:

The Complete Plays Christopher Marlowe, 2003-11-27 Marlowe's seven plays dramatise the fatal lure of potent forces whether religious occult or erotic In the victories of Tamburlaine Faustus's encounters with the demonic the irreverence of Barabas in THE JEW OF MALTA and the humiliation of Edward II in his fall from power and influence Marlowe explores the shifting balance between power and helplessness the sacred and its desecration The Complete Plays (the Tragedies)

William Shakespeare, 2013 This comprehensive anthology provides every single one of Shakespeare's tragedy plays from the earliest Titus Andronicus to Coriolanus Follow one of the greatest love stories ever told in perhaps his most widely known play Romeo and Juliet In this classic tale the two young lovers are members of feuding families but they believe that their love transcends their families hate In Othello a Moorish general in the Venetian army is destroyed because of the jealousy and envy that his ensign Iago holds for the distinguished Othello Antony and Cleopatra is a love story about the two real life lovers Mark Antony of Rome and Queen Cleopatra of Egypt It is a story of jealousy power and death as the two lovers must deal with political unrest amidst their passionate love affair Other plays included in the collection are Hamlet Julius Caesar and Macbeth In typical Shakespearian fashion the tragedy of these plays is underscored by the fact that in many cases it could have been avoided if not for the fatal flaws of the principal characters The Complete Plays The Tragedies Volume I of III reminds readers of the genius that Shakespeare had for seeing the tragic consequences that men's choices often create for themselves **The Complete Plays** William Shakespeare, 1997 **William Shakespeare** Joelle Herr, 2012-08-28

Miniature guide to the Bard featuring synopses and character profiles from Shakespeare's 38 timeless plays with one color illustrations throughout **The Complete Plays of Henry James** Henry James, 1990 Originally published in 1949 The Complete Plays of Henry James revealed how the novelist after repeated attempts to succeed on stage used his dramatic experience to create his major novels written after 1900 This masterful new edition by prize winning biographer Leon Edel now charts James's posthumous success in the modern media Through examination of the plays themselves Edel brings to light the irony of James's dramatic novels novels that achieved the kind of success in video and film that James had desperately sought in the theater of the 1890s Corrected and carefully updated this pathbreaking collection thus completes the story first told four decades ago and includes additional data that has surfaced in recent years Aristophanes: The Complete Plays, 2005-02-01

A brand new translation of the world's greatest satirist With a signature style that is at once bawdy and delicate as well as a fearless penchant for lampooning the rich and powerful Aristophanes remains arguably the finest satirist of all time Collected here are all 11 of his surviving plays newly translated by the distinguished poet and translator Paul Roche **The Banquet** Kenneth Koch, 2013-07-16 The complete plays including never before published work from one of the major writers of the twentieth century **The Complete Plays** John M. Synge, 1960-08-12 This volume includes the complete texts of all the plays by J M Synge Produced at the Abbey Theater which Synge founded Represents

one of the major dramatic achievements of the 20th century **The Complete Plays (Unabridged)** Samuel Taylor Coleridge, 2017-07-31 Samuel Taylor Coleridge 1772 1834 was an English poet literary critic and philosopher who with his friend William Wordsworth was a founder of the Romantic Movement in England and a member of the Lake Poets He wrote the poems The Rime of the Ancient Mariner and Kubla Khan as well as the major prose work Biographia Literaria His critical work especially on Shakespeare was highly influential and he helped introduce German idealist philosophy to English speaking culture He coined many familiar words and phrases including suspension of disbelief He was a major influence on Emerson and American transcendentalism Coleridge is one of the most important figures in English poetry His poems directly and deeply influenced all the major poets of the age He was known by his contemporaries as a meticulous craftsman who was more rigorous in his careful reworking of his poems than any other poet and Southey and Wordsworth were dependent on his professional advice Table of Contents Introduction The Spirit of the Age Mr Coleridge by William Hazlitt A Day With Samuel Taylor Coleridge by May Byron The Life of Samuel Taylor Coleridge by James Gillman Plays Osorio Remorse The Fall of Robespierre Zapolya A Christmas Tale In Two Parts The Piccolomini The Death of Wallenstein **The Complete Plays of Jean Racine** Jean Racine, 2016-04-28 This is the fifth volume of a projected translation into English of all twelve of Jean Racine s plays Geoffrey Alan Argent s translations faithfully convey all the urgency and keen psychological insight of Racine s dramas and the coiled strength of his verse while breathing new vigor into the time honored form of the heroic couplet Complementing this translation are the Discussion and the Notes and Commentary particularly detailed and extensive for this volume Britannicus being by far Racine s most historically informed play Also noteworthy is Argent s reinstatement of an eighty two line scene originally intended to open Act III that has never before appeared in an English translation of this play Britannicus one of Racine s greatest plays dramatizes the crucial day when Nero son of Agrippina and stepson of the late emperor Claudius overcomes his mother his wife Octavia his tutors and his vaunted three virtuous years in order to announce his omnipotence He callously murders his innocent stepbrother Britannicus and effectively destroys Britannicus s beloved the virtuous Junia as well Racine may claim in his first preface that this tragedy does not concern itself at all with affairs of the world at large but nothing could be further from the truth The tragedy represented in Britannicus is precisely that of the Roman Empire for in Nero Racine has created a character who embodies the most infamous qualities of that empire its cruelty its depravity and its refined barbarity
