Revolution Rekindled Polly Jones,2019 Towards the end of the Khrushchev era a major Soviet initiative was launched to rekindle enthusiasm for the revolution giving rise to over 150 biographies and historical novels authored by prominent dissidents leading historians and popular historical novelists What new meanings did revolution take on as it was reimagined by these writers Bowker's Complete Video Directory 2001 ,2001 **Soviet Life** ,1967-07 *The United States Catalog* ,1928 **Complications** Claude Lefort,2007 Complications Communism and the Dilemmas of Democracyties together the central concerns of the work of Claude Lefort over the past half century A pivotal figure in French thought Lefort studied under Maurice Merleau Ponty cofounded with Cornelius Castoriadis the influential journal Socialisme ou Barbarie and famously engaged in a heated debate with Jean Paul Sartre over the Soviet Union and Communist parties in the West He has influenced generations of political thinkers and throughout his career has offered invaluable leftist non communist critiques of both liberalism and Communism It is the prevailing belief that the death of communism was a victory for liberal democracy In Complications however Lefort challenges this interpretation and provides new ways of understanding the rise and fall of the Soviet Union and the Communist phenomenon Lefort engages the work of prominent historians Martin Malia and Francois Furet and shows how their emphasis on illusion and ideology led to their failure to understand the logic and workings of the Communist Party and its impact on Soviet society and the reasons why so many in the West had Communist sympathies He also maintains that those who regard the end of Communism as the triumph of markets and freedom restrict the scope of democratic thought and the possibility of greater social equality Lefort contends that Communism must be seen as part of a larger history of modernity and believes that the diagnosis of its death is dangerous to the future of democracy In the tradition of Hannah Arendt and Raymond Aron Lefort complicates the pieties of historical understanding and offers a new approach to thinking about totalitarianism and a more vital democracy Defense Issues , Junior High School Library Catalog ,1990 *The United States Catalog* Eleanor E.
