The Idea Of God A Whiteheadian Critique Of St Thomas Aquinas Concept Of God

Humberto Casanova

The Idea Of God A Whiteheadian Critique Of St Thomas Aquinas Concept Of God:

The Idea of God B.Z. Cooper, 2012-12-06 Thinking about God is historical thinking and that in two senses the idea of God has a history and those who think about God think through an historically formed mind The task of the theologian is not the attempt to move outside his historicity such an attempt constitutes a fallacy and not a virtue but to accept its implications and limitations Methodologically this means that the theologian must point to the historical perspectives that underlie the idea of God in its development and in his own constructive thought must work self consciously with an historical perspective informed by the psychological and cosmological understanding of his own time This book centers on that idea which traditionally has been associated with the very godness of God the idea of divine abso luteness and puts certain historical logical religious and finally cosmological questions to it The roots of that idea lie in Greek thought which entered Christian theology via the early church is much indication particularly in Patristic fathers even so there trinitarian thought that the Biblical heritage is pushing theological thlnking towards a social or relative concept of divine being ch 1

The Idea of God Burton Z. Cooper, 1974-01-01 Thinking about God is historical thinking and that in two senses the idea of God has a history and those who think about God think through an historically formed mind The task of the theologian is not the attempt to move outside his historicity such an attempt constitutes a fallacy and not a virtue but to accept its implications and limitations Methodologically this means that the theologian must point to the historical perspectives that underlie the idea of God in its development and in his own constructive thought must work self consciously with an historical perspective informed by the psychological and cosmological understanding of his own time This book centers on that idea which traditionally has been associated with the very godness of God the idea of divine abso luteness and puts certain historical logical religious and finally cosmological questions to it The roots of that idea lie in Greek thought which entered Christian theology via the early church fathers even so there is much indication particularly in Patristic trinitarian thought that the Biblical heritage is pushing theological thinking towards a social or relative concept of divine being ch 1

The Idea of God Burton Z. Cooper, 1974 Thinking about God is historical thinking and that in two senses the idea of God has a history and those who think about God think through an historically formed mind The task of the theologian is not the attempt to move outside his historicity such an attempt constitutes a fallacy and not a virtue but to accept its implications and limitations Methodologically this means that the theologian must point to the historical perspectives that underlie the idea of God in its development and in his own constructive thought must work self consciously with an historical perspective informed by the psychological and cosmological understanding of his own time This book centers on that idea which traditionally has been associated with the very godness of God the idea of divine abso luteness and puts certain historical logical religious and finally cosmological questions to it The roots of that idea lie in Greek thought which entered Christian theology via the early church fathers even so there is much indication particularly in Patristic trinitarian thought that the Biblical heritage is

pushing theological thinking towards a social or relative concept of divine being ch 1 **The Idea of God** Burton Z. Cooper, 1968 **The Philosophical Theology of St. Thomas Aquinas** Elders, 2022-05-20 The philosophical theology of St Thomas Aquinas is the crowning piece of his metaphysics Leo J Elders studies it against the background of the attempts of the great philosophers of the past to penetrate deeper into the knowledge of God While the Introduction treats the nature of philosophical theology according to Aquinas Chapter One presents a concise history of the idea of God in Western philosophical thinking Chapters Two and Three deal with the question of the cognoscibility of God and the Five Ways of St Thomas New solutions are proposed of some difficulties in the Third and Fourth Ways The attributes of God are studied in the order of the Summa theologiae I Chapter Seven considers the grammar of God language The following chapters examine divine knowledge foreknowledge of future events divine will and providence as well as creation The last chapter deals with the problem of the co existence of God and finite creatures This study shows that the philosophical theology of St Thomas Aquinas is a coherent whole of impressive depth and beauty It has its basis in our daily experience of the world and the general principles of being but its conclusions reach the summits of negative theology A History of the Concept of God Daniel A. Dombrowski, 2016-01-01 A history of the concept of God through the lens of process thought *The (Second Edition) Unchanging God of Love* Michael J Dodds, 2008 Much contemporary debate surrounds the traditional teaching that God is unchanging It is frequently argued that an immutable God must be cold remote indifferent and uncaring that an unchanging God cannot be the triune God of love revealed in Scripture Those who reject divine immutability often single out Thomas Aquinas as its most prominent proponent Unfortunately such critics of his theology frequently misunderstand the fundamentals of Aquinas's actual teaching The Unchanging God of Love provides a clear and comprehensive account of what Aquinas really says about divine immutability presented in a way that allows his theology to address contemporary criticisms The book first reviews the various ways Aquinas applies the notion of immutability to creatures showing that he is well aware of both the positive and negative implications of the concept It then analyzes all of his arguments for divine immutability that are presented in his writings noting his care in determining which aspects of immutability are to be affirmed and which are to be denied of God It also demonstrates the distinctiveness of Aquinas's teaching by examining the biblical patristic and philosophical sources he employs Aquinas's unchanging God proves to be no static deity but the dynamic trinitarian plenitude of knowledge love and life to whom not only immutability but also motion may in some way be attributed A study of the motion of the motionless God reveals how the concepts of both motion and immutability function in Aquinas's understanding of the Trinity the Incarnation Creation and Providence Through this study it becomes clear that the unchanging God of Aquinas far from being indifferent or remote is truly the God of compassion and love revealed in Scripture who shares a most intimate friendship with the people he has created and redeemed ABOUT THE AUTHOR Michael J Dodds O P is professor of philosophy and theology at the Dominican School of Philosophy and Theology in Berkeley California He is coauthor of The

Seeker's Guide to Seven Life Changing Virtues and Happily Ever After Begins Here and Now Living the Beatitudes Today
 PRAISE FOR THE BOOK In The Unchanging God of Love Dodds fearlessly asserts that an unchanging God can indeed be a God of love and that any contradiction of this is rooted in misrepresentation of Aquinas authentic theology Writing in a prose inviting and readable even for non theologian types Dodds offers an honest account of how this theology applies to both God and earthly creatures Maura Beth Pagano Seattle University Magazine

The Eastern Christian Tradition in Modern Russian Thought and Beyond Teresa Obolovitch, 2022-07-18 In The Eastern Christian Tradition in Modern Russian Thought and Beyond Teresa Obolovitch reflects on the ontology and anthropology of neo patristic synthesis and its connection to Western philosophy with a focus on the work of Georges Florovsky and Vladimir Lossky The book also examines the concept of apophaticism in Russian philosophy in neo patristic synthesis and the thought of Semyon Frank and Lev Karsavin as well as in epistemological and cosmological comparison with process theology Additionally Obolovitch's work undertakes a comparative analysis of the reception of Russian sophiology in the West especially in the work of Thomas Merton and also considers similarities between neo patristic synthesis and Zen Buddhism in the thought of Merton and Sergey Horujy

Evangelical Dictionary of Theology Walter A. Elwell, 2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics

Divine Action and Emergence Mariusz Tabaczek, 2021-05-15 Divine Action and Emergence puts the classical Aristotelian Thomistic tradition in conversation with current philosophy and theology As a middle path between classical theism and pantheism the panentheistic turn in the twentieth century has been described as a quiet revolution Today in fact many theologians hold that the world is in God who at the same time is more than the world Panentheism has been especially influential in the dialogue between theology and the natural sciences Many have seen panentheism as compatible with emergentism and thus have brought the two together in developing models of divine action that do not abrogate the regularities of processes of the natural world In Divine Action and Emergence Mariusz Tabaczek argues that as inspiring and intriguing as emergentist panentheism is it requires deeper examination He begins by looking at the wonder of emergence which calls into question the overly reductionist attitude in natural science and by reflecting philosophically on emergence theory in light of classical and new Aristotelianism Moving in a theological direction Tabaczek then offers a critical evaluation of emergentist panentheism and a constructive proposal for how to reinterpret the idea of divine action as inspired by the theory of emergence with reference to the classical Aristotelian Thomistic understanding of God's action in the universe Through a unique interdisciplinary approach that puts theology and the natural sciences into a dialogue through philosophy Divine Action and Emergence offers a comprehensive evaluation of panentheism It then puts forward an original reinterpretation of emergence theory thus setting forth a constructive proposal for reinterpreting the concept of divine action that is currently espoused by emergence theory It will appeal to scholars of theology and philosophy those who work in the area of theology

and science those interested in emergence theory or panentheism and finally those who are interested in the dialogue between the classical Aristotelian Thomistic tradition and contemporary philosophy and theology **Natural Theology Versus Theology of Nature?/ Natürliche Theologie versus Theologie der Natur?** Gert Hummel,2015-07-01 No detailed description available for Natural Theology Versus Theology of Nature Natürliche Theologie versus Theologie der Natur A *Critique of the Philosophy of Being of Alfred North Whitehead in the Light of Thomistic Philosophy* Leo A. Foley,2016-04-18 Ideas good and bad are productive and a teacher of ideas can have a vast influence in the propagating of good and bad ideas We have only to review the influence of German Idealism upon German and English Romanticism to see this realized Similarly today in the United States we are reaping the fruit good and bad of ideas that have been sown during the past several decades Some of them we accept some we reject All of them deserve our investigation insofar as it is within our power to investigate them in order that as followers of truth we may sift the good from the bad From the preface *God without Parts* James E. Dolezal,2011-11-09 The doctrine of divine simplicity has long played a crucial role in Western Christianity's understanding of God It claimed that by denying that God is composed of parts Christians are able to account for his absolute self sufficiency and his ultimate sufficiency as the absolute Creator of the world If God were a composite being then something other than the Godhead itself would be required to explain or account for God If this were the case then God would not be most absolute and would not be able to adequately know or account for himself without reference to something other than himself This book develops these arguments by examining the implications of divine simplicity for God's existence attributes knowledge and will Along the way there is extensive interaction with older writers such as Thomas Aquinas and the Reformed scholastics as well as more recent philosophers and theologians An attempt is made to answer some of the currently popular criticisms of divine simplicity and to reassert the vital importance of continuing to confess that God is without parts even in the modern philosophical theological milieu **Ex Auditu - Volume 07** Klyne Snodgrass,2004-06-23 **All That Is in God** James E. Dolezal,2017-07-13 Unknown to many increasing numbers of conservative evangelicals are denying basic tenets of classical Christian teaching about God with departures occurring even among those of the Calvinistic persuasion James E Dolezal's *All That Is in God* provides an exposition of the historic Christian position while engaging with these contemporary deviations His convincing critique of the newer position he styles theistic mutualism is philosophically robust systematically nuanced and biblically based It demonstrates the need to maintain the traditional viewpoint particularly on divine simplicity and spotlights the unfortunate implications for other important Christian doctrines such as divine eternality and the Trinity if it were to be abandoned Arguing carefully and cogently that all that is in God is God Himself the work is sure to stimulate debate on the issue in years to come *Imagining God* Humberto Casanova,2020-02-05 An ever growing number of Christians are becoming more and more uncomfortable with the tenets of the church the stories of the Bible and the church's worldview Statistics show that these feelings easily escalate into a crisis

of faith and for now their predicament is being resolved by leaving the church This book will certainly help dealing with the crisis by showing that the language of faith is built by a web of metaphors taken from the Ancient Near East We do not need to take biblical language literally but as parables for human values in need to be assessed critically Fifty Years of Philosophy of Religion Andries F. Sanders, Kristof De Ridder, 2007 The bibliography lists about 10 000 titles of monographs collections and articles in the field of the philosophy of religion and philosophical theology that appeared between 1955 and 2005 The majority of them are in the English language but publications in German Dutch and French are listed as well Though it is not claimed to be exhaustive the bibliography offers a fairly representative survey of scholarly work on the main topics of interest Publications have been systematically classified according to eleven main categories Introductions Surveys and Historical Issues Part I Religious Language Part II Religious Experience Part III Religious Epistemology Part IV Theism Part V Hermeneutics Part VI Religion and Science Part VII Religion and Aesthetics Part VIII Religion and Morality Part IX Religious Pluralism Part X and Feminist Philosophy of Religion Part XI Part III has been subdivided into Religious Experience and Mystical Experience Part VII into The Concept of God arguments for The Existence of God The Problem of Evil and Atheism and Part VII into General and Historical Issues Theological Issues and implications of Modern Physics Cosmology and Biology The bibliography will particularly be useful to scholars teachers and students in the philosophy of religion philosophical theology and systematic theology as well as to those who are interested professionally or otherwise in the results of academic scholarship in those fields **Trust, Our Second Nature** Thomas O. Buford, 2009-01-16 The thesis of this book is that only a social personalism and no form of impersonalism can adequately account for the solidarity and stability of what we individuals share with all other members of our society our second nature In the ancient world the discussion of society at least since Plato and Aristotle began with the social nature of individuals as found in families and proceeded to topics such as the formation and the well ordering of societies according to eternal principles grasped by reason Since the beginning of the modern world at least since Hobbes and Locke the discussion of society began with the relation of persons and society and then moved on to other topics usually political and legal ones The central problem was to find the basis on which individuals formed societies and how they could do so Buford s question is with a more basic issue What do individuals and society share in common or what philosophers since Cicero have called our second nature and how to best understand its unity and stability The crisis of our culture in the erosion of both solidarity and stability pointedly manifests itself in our second nature There the culture in which we live is felt lived and shared Buford asks how we can lay bare our second nature revealing the extent of the crisis Our second nature is the form of social actions of persons in triadic relations and Buford argues that it is there that we find that trust unifies a society and provides the basis for the institutions that stabilize it Who I Will Be Robert Wild, 2020-02-18 As a result of the author s own spiritual and intellectual journey he came to believe that there was something missing in our traditional understanding of the nature of God In the Scriptures God

is presented as clothed with real emotions and feelings such as anger jealousy love compassion and even a change of purpose and heart In short God is presented there as really being influenced and affected by our actions and by the events of history This book traces this teaching on the feelings of God from the Scriptures to the third century It tries to show that the gradual loss of these feelings of God in Christian teaching was due to an overemphasis on rational philosophical knowledge Certain trends in psychology the study of language and philosophy call for a reexamination of this question The author believes that a clarification of this aspect of God is extremely important and significant for our spiritual life

The Idea Of God A Whiteheadian Critique Of St Thomas Aquinas Concept Of God Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Idea Of God A Whiteheadian Critique Of St Thomas Aquinas Concept Of God has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Idea Of God A Whiteheadian Critique Of St Thomas Aquinas Concept Of God has opened up a world of possibilities. Downloading The Idea Of God A Whiteheadian Critique Of St Thomas Aquinas Concept Of God provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Idea Of God A Whiteheadian Critique Of St Thomas Aquinas Concept Of God has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Idea Of God A Whiteheadian Critique Of St Thomas Aquinas Concept Of God. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Idea

Of God A Whiteheadian Critique Of St Thomas Aquinas Concept Of God. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Idea Of God A Whiteheadian Critique Of St Thomas Aquinas Concept Of God, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Idea Of God A Whiteheadian Critique Of St Thomas Aquinas Concept Of God has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Idea Of God A Whiteheadian Critique Of St Thomas Aquinas Concept Of God Books

What is a The Idea Of God A Whiteheadian Critique Of St Thomas Aquinas Concept Of God PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Idea Of God A Whiteheadian Critique Of St Thomas Aquinas Concept Of God PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Idea Of God A Whiteheadian Critique Of St Thomas Aquinas Concept Of God PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Idea Of God A Whiteheadian Critique Of St Thomas Aquinas Concept Of God PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Idea Of God A Whiteheadian Critique Of St Thomas**

Aquinas Concept Of God PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
