The Idea Of Preexistence:

Pre-Existence, Wisdom, and The Son of Man R. G. Hamerton-Kelly, Robert Hamerton-Kelly, 2005-01-27 A study of the various forms that the idea of pre existence takes in early Jewish and Biblical traditions The Preexistent Son Simon J. Gathercole, 2006-10-05 In this challenging book rising New Testament scholar Simon Gathercole contradicts a commonly held view among biblical scholars that the Gospel of John is the only Gospel to give evidence for Jesus heavenly identity and preexistence The Preexistent Son demonstrates that Matthew Mark and Luke were also well aware that the Son of God existed with the Father prior to his earthly ministry Gathercole supports his argument by considering the I have come sayings of Jesus and strikingly similar angelic sayings discovered in Second Temple and Rabbinic literature Further he considers related topics such as Wisdom Christology and the titles applied to Jesus in the Synoptic Gospels Gathercole s carefully researched work should spark debate among Synoptic scholars and extend the understanding of anyone interested in this New Testament question Jesus Christ Donald G. Bloesch, 2005-12-02 Focusing on the person and work of Jesus Donald G Bloesch goes beyond current reconstructions to probe issues of theological method models of salvation the plausibility of miracles the language of faith and the doctrine of sin **From Messiah to Preexistent Son** Aquila H. I. Lee, 2009-08-01 How did the earliest Christians come to see Jesus as a divine and preexistent being alongside God Aquila Lee proposes that the root of preexistent Son Christology is to be found in early Christian exegesis of the two messianic psalms the catalyst in the light of Jesus s self consciousness of divine sonship and divine mission the foundation Christ and Reconciliation Veli-Matti Kärkkäinen, 2013-05-26 The first installment in a wide and deep constructive theology for our time In Christ and Reconciliation Veli Matti Karkkainen develops a constructive Christology and theology of salvation in dialogue with the best of Christian tradition with contemporary theology in its global and contextual diversity and with other major living faiths Karkkainen s Constructive Christian Theology for the Pluralistic World is a five volume project that aims to develop a new approach to and method of doing Christian theology in our pluralistic world at the beginning of the third millennium Topics such as diversity inclusivity violence power cultural hybridity and justice are part of the constructive theological discussion along with classical topics such as the messianic consciousness incarnation atonement and the person of Christ With the metaphor of hospitality serving as the framework for his discussion Karkkainen engages Judaism Islam Buddhism and Hinduism in sympathetic and critical mutual dialogue while remaining robustly Christian in his convictions Never before has a full scale doctrinal theology been attempted in such a wide and deep dialogical mode **Nature's Enigma** Virginia Parker Dawson, 1987 Two striking discoveries made 1740 a turning point in the history of 18th century biology Charles Bonnet established that aphids could reproduce without male fertilization Shortly afterwards Abraham Trembley proved that a tiny aquatic animal the fresh water polyp or hydra could regenerate from cuttings like some plants The discovery of the polyp was important because of the disturbing metaphysical issues that it raised In their letters written

during the decade of the 1740s to Reaumur the great French Academician both Trembley Bonnet referred to the polyp as an enigma Not only did it seem to present a new mode of animal reproduction previously unsuspected but it called into question the prevailing mechanistic view of animal biology brought into focus the problem of animal soul Drawing on some of the most illuminating letters from the private archives of the Trembley family this study focuses on the discovery of the polyp using the correspondence of Bonnet Trembley to understand their common Genevan background their possible differences in approach from that of Reaumur

Systematic Theology Wolfhart Pannenberg, 2004-01-01 *God Sent His Son* Christoph

Schoenborn, 2010-09-29 In this work of Christology Christoph Cardinal Sch nborn a world renowned theologian takes as his starting point the Apostle Paul s statement But when the time had fully come God sent for his Son born of woman born under the law so that we might receive adoption as sons Gal 4 4 5 Based on many years of lecturing on Christology Cardinal Sch nborn s work moves from the solid conviction of faith that Jesus of Nazareth is the Messiah of Israel the Son of the Living God through the development of the Church s understanding of this truth to the consideration of contemporary issues and the views of various modern theologians Cardinal Sch nborn sees Christology as based on the original Illumination granted by the Father in manifesting his Son which divides as if through a prism into a rainbow of Christological themes Christology he writes in every phase of its development follows its path by this light in thy light do we see light Ps 36 10 Christology is always faith seeking understanding trying to understand that to which the believer already says Yes God Sent His Son has the comprehensiveness and scholarly precision of a textbook but the insights and personal relevance of a work of spirituality It carefully explores ancient and medieval

The Christology of John Macquarrie Vernon L. Purdy, 2009 The Christology of John Macquarrie comprehensively scrutinizes the life and writings of Scottish born systematic theologian and philosopher John Macquarrie 1919 2007 in an attempt to comprehend and evaluate his Christology The author examines the people e g Heidegger Schleiermacher the philosophical and theological positions and the writings that formed Macquarrie s thinking One major influence was his commitment to modern critical theology including the premise that in the modern world the only acceptable Christological tenets are those that can stand up to the scrutiny of modern critical reasoning The work concludes that this commitment profoundly shaped Macquarrie s theology especially his Christology The book also discusses

Macquarrie s evaluation and criticisms of the Christology of other theologians e g Kierkegaard Moltmann Pannenberg and others concluding that Macquarrie s understanding of the Christian faith and the person of Jesus Christ is consonant with modern liberal Anglo Catholicism This idea furthers the argument that Macquarrie s reluctance to accept traditional incarnational categories suggests that his Christology is a modern form of Adoptionism

The Son of God Charles Lee

Irons, Danny Andre Dixon, Dustin R. Smith, 2015-12-04 This is a multi view book in which representatives of differing viewpoints make a positive statement of their case followed by responses from the others and concluding with a rebuttal by the original author The topic at hand in this book is the identity of Jesus also known as Christology What is the meaning of

Jesus's identity as the Son of God Charles Lee Irons argues that the title Son of God denotes his ontological deity from a Trinitarian perspective Danny Andre Dixon and Dustin R Smith challenge this view from two different non Trinitarian viewpoints Smith argues that Jesus is the authentically human Son of God the Davidic Messiah who did not possess a literal preexistence prior to his virgin birth Dixon argues that Jesus is God's preexistent Son in the sense that God gave him life or existence at some undefined point prior to creation The authors engage the topic from the perspective that reverences the authority and inspiration of Scripture as the final arbiter of this debate The literature of early Judaism is also engaged in order to try to understand the extent to which the New Testament's Christology may have been influenced by or operated within the context of Jewish conceptions of divine secondary beings as agents of God *Christology in the Making* James D. G. Dunn, 1996 This excellent study of the origins and early development of Christology by James D G Dunn clarifies in rich detail the beginnings of the full Christian belief in Christ as the Son of God and incarnate Word By employing the exegetical methods of historical context of meaning and conceptuality in transition Dunn illumines the first century meaning of key titles and passages within the New Testament that bear directly on the development of the Christian understanding of Jesus

The Theology of the First Christians Walter Schmithals, 1997-01-01 In *The Theology of the First Christians* Walter Schmithals offers a comprehensive history of the development of religious thought from the preaching of Jesus to the formation of the New Testament canon This well researched volume will be of great interest to New Testament scholars and students *The Pre-existence of Souls and Universal Restitution Considered as Scripture Doctrines* Burnham Society (Somerset, England), 1798 **Lord Jesus Christ** Larry W. Hurtado, 2005-09-14 This outstanding book provides an in depth historical study of the place of Jesus in the religious life beliefs and worship of Christians from the beginnings of the Christian movement down to the late second century *Lord Jesus Christ* is a monumental work on earliest Christian devotion to Jesus sure to replace Wilhelm Bousset's *Kyrios Christos* 1913 as the standard work on the subject Larry Hurtado widely respected for his previous contributions to the study of the New Testament and Christian origins offers the best view to date of how the first Christians saw and revered Jesus as divine In assembling this compelling picture Hurtado draws on a wide body of ancient sources from Scripture and the writings of such figures as Ignatius of Antioch and Justin to apocryphal texts such as the Gospel of Thomas and the Gospel of Truth Hurtado considers such themes as early beliefs about Jesus divine status and significance but he also explores telling devotional practices of the time including prayer and worship the use of Jesus name in exorcism baptism and healing ritual invocation of Jesus as Lord martyrdom and lesser known phenomena such as prayer postures and the curious scribal practice known today as the *nomina sacra* The revealing portrait that emerges from Hurtado's comprehensive study yields definitive answers to questions like these How important was this formative period to later Christian tradition When did the divinization of Jesus first occur Was early Christianity influenced by neighboring religions How did the idea of Jesus divinity change old views of God And why did the powerful dynamics of early beliefs and practices

encourage people to make the costly move of becoming a Christian Boasting an unprecedented breadth and depth of coverage the book speaks authoritatively on everything from early Christian history to themes in biblical studies to New Testament Christology Hurtado's Lord Jesus Christ is at once significant enough that a wide range of scholars will want to read it and accessible enough that general readers interested at all in Christian origins will also profit greatly from it

When Souls Had Wings Terryl L. Givens, Terryl Givens, 2012-06-07 The idea of the pre existence of the soul has been extremely important widespread and persistent throughout Western history from even before the philosophy of Plato to the poetry of Robert Frost This book offers the first systematic history of this little explored feature of Western culture Terryl Givens underscores how durable and controversial this idea has been throughout history highlighting the theological dangers it has represented and revealing how prominently it has featured in poetry literature and art

Allegiance, Opposition, and Misunderstanding Deven K. MacDonald, 2018-03-07 The central aim of the Gospel of Mark is to introduce the reader to Jesus Christ the Son of God In this book MacDonald examines not just what the Gospel writer says but also how he says it When the Gospel of Mark is examined as a complete work and the motifs of allegiance opposition and misunderstand are traced through the narrative Mark is seen to be a rather sophisticated literary work The Gospel writer is not simply a compiler of tradition but one who shaped his narrative for specific rhetorical aims namely that his audience both ancient and modern would recognize Jesus as the Son of God and respond to him with allegiance

Global Dictionary of Theology William A. Dyrness, Veli-Matti Kärkkäinen, 2009-10-25 Theological dictionaries are foundational to any theological library But until now there has been no Global Dictionary of Theology a theological dictionary that presumes the contribution of the Western tradition but moves beyond it to embrace and explore a full range of global expressions of theology The Global Dictionary of Theology is inspired by the shift of the center of Christianity from the West to the Global South But it also reflects the increase in two way traffic between these two sectors as well as the global awareness that has permeated popular culture to an unprecedented degree The editorial perspective of the Global Dictionary of Theology is an ecumenical evangelicalism that is receptive to discovering new facets of truth through listening and conversation on a global scale Thus a distinctive feature of the Global Dictionary of Theology is its conversational approach Contributors have been called on to write in the spirit of engaging in a larger theological conversation in which alternative views are expected and invited William A Dyrness Veli-Matti Kärkkäinen Juan F Martinez and Simon Chan edit approximately 250 articles written by over 100 contributors
