The Ideological Origins of Nazi Imperialism Woodruff D. Smith, 1986 The author argues that the imperialist ideology and policies adopted by the Nazis must be seen as the result of a complex evolution of imperialist thinking in Germany which had its roots in the nineteenth century

The Ideological Foundations of Qing Taxation Taisu Zhang, 2023-02-09 This survey of the fiscal history of China s last imperial dynasty explains why its ability to tax was unusually weak It argues that the answer lies in the internal ideological worldviews of the political elite rather than in external political or economic constraints

Why Race Still Matters Alana Lentin, 2020-04-22 Why are you making this about race This question is repeated daily in public and in the media Calling someone racist in these times of mounting white supremacy seems to be a worse insult than racism itself In our supposedly post racial society surely it s time to stop talking about race This powerful refutation is a call to notice not just when and how race still matters but when how and why it is said not to matter Race critical scholar Alana Lentin argues that society is in urgent need of developing the skills of racial

literacy by jettisoning the idea that race is something and unveiling what race does as a key technology of modern rule hidden in plain sight Weaving together international examples she eviscerates misconceptions such as reverse racism and the newfound acceptability of race realism bursts the I m not racist but justification complicates the common criticisms of identity politics and warns against using concerns about antisemitism as a proxy for antiracism Dominant voices in society suggest we are talking too much about race Lentin shows why we actually need to talk about it more and how in doing so we can act to make it matter less

Philosophy Reborn Part II: Social Humanities Shawn Alli, Looking at social problems through the intellect will never lead to viable solutions Do you think that racism is unconscious or subliminal Do you think that the feminist movement is helping to end sexism Do you think that today s Christians live genuine lives Do you think that private media is better than state media Do you think that keeping violent prisoners alive is the right thing to do If you answered yes to any of these questions then you re in for a rude awakening Can we end racism Can we end sexism How do we rehabilitate prisoners What does the institution of marriage mean Can academic philosophy play a meaningful role Can private media outlets keep their integrity You ll find the answers to all of these questions in Part II

Understanding Bonhoeffer Peter Frick, 2017-05-23 How are we to understand Bonhoeffer In these essays Peter Frick attempts to answer this question by examining different aspects of Bonhoeffer's thought thus illuminating the hermeneutical philosophical theological and social dimensions of his writings All sixteen essays collected here were written between 2007 and 2014 some of them address the question of methodology others contribute to Bonhoeffer's intellectual formation and still others seek to connect with contemporary questions The aim of the volume is to present Bonhoeffer's key theological and philosophical ideas and to emphasize their contemporary relevance

Conservatism and Racism, and Why in America They Are the Same Robert C. Smith, 2010-09-09 In this provocative wide ranging study Robert C Smith contends that ideological conservatism and racism are and always have been equivalent in the United States In this carefully constructed and thoroughly documented philosophical historical and empirical inquiry Smith analyzes conservative ideas from John Locke to William F Buckley Jr as well as the parallels between the rise and decline of the Civil Rights Movement in the 1950s and 1970s and the ascendancy of the conservative movement to national power in 1980 Using archival material from the Reagan library the book includes detailed analysis of the Reagan presidency and race focusing on affirmative action the Voting Rights act the Grove City case welfare reform South Africa policy and the Martin Luther King Jr holiday Conservatism and Racism and Why in America They are the Same goes beyond a focus on the right wing concluding with an analysis of the enduring impact of the conservative movement and the Reagan presidency on liberalism race and the Democratic Party

A Reckoning with Racism Augie Fleras, 2022-11-07 The politics of racism have returned with a bang What was once a whisper is now a roar in the wake of public outrage over charges of police racism that claimed the lives of racialized minorities and Indigenous peoples Yet confusion and uncertainty unsettle the challenge of clarifying the nature and scope of racism in general systemic racism in particular resulting in a glaring disconnect between public perceptions and lived experiences Reckoning with Racism is themed around the prospect of problematizing the idea of racism as articulated understood and debated in response to new realities emergent demands and contested dynamics A profoundly new racism world is evolving one so fundamentally different from the iterations of the past as to trigger a foundational shift in reconceptualizing how we see think and talk about and act on racism Changing the conversation on racism must also acknowledge its uncanny knack of reinventing itself while intersecting with other axes of identity and differentiation to amplify the inequalities of exclusion

Mediated Racism and Democracy in Canada Ahmed Al-Rawi, 2025-09-22 Based on studying political systems and the news industry this book examines the tension between the hierarchical configurations of racial discrimination and the ideals of equality found in Western democracy to explore how and why the reality of racism persists in modern day democratic societies Taking Canada as a case study of a multicultural society it uses a mixed methods approach to present insights from racialized politicians and journalists that explore how they navigate the issues of

democracy and racism Drawing on empirical critical race theory it addresses crucial knowledge gaps about the political realities of people of color in a democratic nation and how they perceive these experiences to impact the functioning and progress of democracy It will therefore appeal to scholars and researchers with interests in race and racism multiculturalism democracy and critical race theory

How Societies Work, 5th Edition Joanne Naiman, 2020-04-28T00:00:00Z In 2011 protesters around the world including Canada called for changes to the societies in which they live Many observers were asking What do they want Some answers to this question can be found in How Societies Work a unique and accessible introductory sociology textbook that introduces students to the structure of contemporary societies and the power relationships within them In contrast to most introductory textbooks How Societies Work explores a broad range of sociological concepts and theories while simultaneously creating a coherent picture of modern societies Drawing on fields as diverse as anthropology genetics economics social psychology history and politics this innovative and popular text looks at both the roots of modern societies and the current structures within them This approach helps undergraduate students make sense of our complex social world and encourages them to connect the social world to their own lived experiences This extensively revised and updated fifth edition includes discussions of the roots of the recent global economic crisis and worldwide responses to it growing social inequality broader global struggles for change the growth of the security state in Canada and the sudden resurgence of political protest in North America The final chapter looks to the future examining such issues as the possible consequences of climate change increased forced migration of peoples and the changing dynamic of global power More boxes quotes and think about it elements have been added to the fifth edition while the language clarity of presentation and many examples make it even more accessible to readers It is an introductory textbook that truly engages students in the sociological imagination This fifth edition is presented in a large format making it easier to read and even more student friendly A testbank and power point presentation are available for instructors upon request

The African Diaspora in the Austrian Political Economy: A Marxist Analysis Mathias Sajovitz, 2008-10-12 More than 25 000 people of African descent are living in Austria one of the richest political economies in the world that is part and parcel of one of the strongest neo imperialist blocks in the form of the European Union Migration of Africans to Austria thus must be seen in the context of global capitalism which has harmfully impacted on the global South by means of neo imperialism and thus has led to migration to the global North Byreferring to Marxist theory more particularly world systems theory and Marxist migration theory the book at hand examines the African Diasporain Austria from a twofold perspective First it illustrates the role of Austria in the global economy after World War II and during theemergence of global turbo capitalism Second the narrative illustrates how people deprived of their livelihoods on the African continent becomesubjects of exploitation and discrimination in Austria via the asylum route
