The Idle Thoughts Of An Idle Fellow:

The Idle Thoughts of an Idle Fellow Jerome K. Jerome, 2019-05-02 Now this is a subject on which I flatter myself I really am au fait The gentleman who when I was young bathed me at wisdom s font for nine guineas a term no extras used to say he never knew a boy who could do less work in more time and I remember my poor grandmother once incidentally observing in the course of an instruction upon the use of the Prayer book that it was highly improbable that I should ever do much that I ought not to do but that she felt convinced beyond a doubt that I should leave undone pretty well everything that I ought to do I am afraid I have somewhat belied half the dear old lady s prophecy Heaven help me I have done a good many things that I ought not to have done in spite of my laziness But I have fully confirmed the accuracy of her judgment so far as neglecting much that I ought not to have neglected is concerned Idling always has been my strong point I take no credit to myself in the matter it is a gift Few possess it There are plenty of lazy people and plenty of slow coaches but a genuine idler is a rarity He is not a man who slouches about with his hands in his pockets On the contrary his most startling characteristic is that he is always intensely busy

Idle Thoughts of an Idle Fellow (Illustrated) Jerome K. Jerome, 2020-12-14 Idle Thoughts of an Idle Fellow published in 1886 is a collection of humorous essays by Jerome K Jerome It was the author s second published book and it helped establish him as a leading English humorist While widely considered one of Jerome s better works and in spite of using the same style as Three Men in a Boat it was never as popular as the latter A second Idle Thoughts book The Second Thoughts of An Idle Fellow was published in 1898 The essays had previously appeared in Home Chimes the same magazine that later serialized Jerome s Three Men in a Boat Book excerpts There are various methods by which you may achieve ignominy and shame By murdering a large and respected family in cold blood and afterward depositing their bodies in the water companies reservoir you will gain much unpopularity in the neighborhood of your crime and even robbing a church will get you cordially disliked especially by the vicar But if you desire to drain to the dregs the fullest cup of scorn and hatred that a fellow human creature can pour out for you let a young mother hear you call dear baby it That is just the way with Memory nothing that she brings to us is complete She is a willful child all her toys are broken I remember tumbling into a huge dust hole when a very small boy but I have not the faintest recollection of ever getting out again and if memory were all we had to trust to I should be compelled to believe I was there still It is impossible to enjoy idling thoroughly unless one has plenty of work to do There is no fun in doing nothing when you have nothing to do Wasting time is merely an occupation then and a most exhausting one Idleness like kisses to be sweet must be stolen Swearing relieves the feelings that is what swearing does I explained this to my aunt on one occasion but it didn t answer with her She said I had no business to have such feelings
