The Illegal Alien A Dagger Into The Heart Of America:

The Illegal Alien Raoul Lowery Contreras, 2004 *ILLEGAL ALIEN* is the most reasoned analysis to date of the controversial issue of illegal immigration and its growing impact on the American economy and way of life Mr Contreras makes a historical comparison of immigration and a well documented scrutiny of the vocal opinions of well known anti immigrant spoke persons as well as those who seek unrestricted openness of our borders With impeccable logic Raoul Lowery Contreras demolishes the drivel emanating from anti immigration fanatics the knuckle dragging element within the Republican Party as he puts it Yet he is clear eyed enough to also take on the professional plantationeers of the radical Chicano movement and their liberal sponsors on America s campuses and at activist minority groups A cry for common sense from the radical center showing American Hispanics can and must punch to the left and to the right Roger E Hernandez Nationally Syndicated Columnist

Assaulted Personhood Craig C. Malbon, 2020-12-14 In 21st century America personhood is under daily assault sometimes with dire consequences Scientist ethicist and ordained minister Craig C Malbon encourages the reader to consider such assaults on personhood endured by victims of abortion ageism Alzheimer s disease drug addiction mental and physical disabilities gender gender orientation racism sexual preference identity politics and our will to power over the other In exploring personhood status Malbon poses difficult questions for us Is personhood assigned as all or nothing or is it a sliding scale based upon criteria arbitrarily aimed at our vulnerabilities Does the voiceless embryo and fetus have advocates who can speak to the moral question of abortion Is the personhood of an economically insecure pregnant woman degraded to the point where lack of access to early termination of pregnancy results in coercive childbearing Does being a member of the LGBTQI community target one for assaults on personhood to the extreme of being killed In delving into the biology and psychology of assaults of self upon the other Malbon sees powerful linkages of everyday assaults on personhood to darker profound original sins that are foundational to the rise of the American empire i e assaults on the indigenous Native Americans and assaults derivative to the institution of slavery upon Africans African Americans and their descendants

The 21 Biggest Lies about Donald Trump (and you!) Kurt Schlichter, 2020-07-07 Has any president been more unjustly vilified than Donald Trump Yes he's brash Yes he has an ego Yes his ad libbing sometimes gets him into trouble But the fact is Donald Trump is the most effective conservative president in decades That's why the media hate him That's why they lie about him And there's something else When they lie about him they're really lying about you because to the media anyone who supports Donald Trump is deplorable But here at last is the counterpunch we've been waiting for Columnist and bestselling author Kurt Schlichter provides a fact filled and frequently hilarious takedown of some of the media's most pernicious lies about the president In The 21 Biggest Lies about Donald Trump and you you'll learn Why liberals cry racism at any argument they don't like when the real racists of American history have all been the Democrats How Trump the warmonger has actually given America a more realistic and safer foreign policy than any of his immediate predecessors Why the media refuses to understand the difference between legal and illegal immigrants here's a clue Trump's mother was a legal immigrant and so is his wife Why Trump and his supporters are
