in the following address to the governor Your Excellency we have found him to be a troublemaker a ringleader of the sect known as the Nazarenes Paul said I admit that I follow the Way which they call a sect I worship the God of our ancestors and I firmly believe the Jewish law and everything written in the books of prophecy I have hope in God just as these men do that he will raise both the righteous and the ungodly Acts 24 2 5 11 15 NLT Put simply the world has so embraced the story of how the apostle Paul took a small Jewish apocalyptic sect and transformed it into a global Gentile movement that it has forgotten the very first followers of Jesus otherwise known as Nazarenes What were they like and how did their beliefs differ from the Roman based model that sprang up later Even from the Catholic fathers we are given some tantalizing clues But these sectarians did not call themselves Christians but Nazarenes however they are simply complete Jews They use not only the New Testament but the Old Testament as well as the Jews do They have no different ideas but confess everything exactly as the Law proclaims it and in the Jewish fashion except for their belief in the Messiah if you please For they acknowledge both the resurrection of the dead and the divine creation of all things and declare that God is one and that His Son is Y shua the Messiah They are trained to a nicety in Hebrew For among them the entire Law Prophets and the Writings are read in Hebrew as they surely are by the Jews They are different from the Jews and different from Christians only in the following They disagree with the Jews for they have come to faith in Messiah but since they are still fettered with the Law circumcision and the Sabbath and the rest they are not in accord with Christians They have the Good News according to Matthew in its entirety in Hebrew For it is clear they still preserve this in the Hebrew alphabet as it was originally written Epiphanius Panarion 29 fourth century Are these Nazarenes actually the unknown continuation of the Apostle Paul s ministry What about the Jerusalem Church mentioned so frequently by Paul and headed up by Peter and James the Just Why is it only now that we can tell the story of Christendom s most influential group throughout its first fifty years and above all what happened to them Furthermore even a casual glance at any New Testament will show the Gospel of Matthew given the honor of being the first book in the collection Such an arrangement directly derived from ancient belief of what was written when is currently ignored because modern scholarship accords this honor to Mark Similarly while the scholarly world has all but forgotten the Nazarenes they have proclaimed almost universally that the New Testament was originally written in Greek despite strong early testimony and clear textual evidence to the contrary However since the fourth century the Nazarenes at some time seem to have vanished off the face of the earth As a result their existence has now been rendered into little more than a footnote in history and their connection to the original Christian movement and their Semitic scriptures have been believed to be lost forever That is until now Now for the first time a modern Nazarene breaks his silence and details the results of more than four years of research in his provocative new book Signs of the Cross As a work destined to turn upside down the current Greek compositional model of the New Testament Signs of the Cross breaks new ground *The Truth Will Set You Free* Erna VanWyk, 2012-02 It is a harsh world that we find ourselves living in a daily struggle to survive For the Christian the

struggle is two folded for to survive spiritually is even harder It is a daily struggle to stay on your feet spiritually and stand firm in what you believe The pressure to conform to the world and give in to the pressure not to give up the things you know and your way of living that is so familiar and comforting to you is so strong There is little or no victory in your spiritual life and at the end of the day you look back at the wrong choices you made and feel so disappointed in yourself and worse so guilty before God that you can t face Him in prayer If you are one of my brothers or sister that are still seeking and know there must be something more for you are still spiritually weak in chains hungry and seeking can t let go of the old person and still wants to be part of the world come with me on our journey and let the Truth set you free and the Holy Spirit change your life and way of thinking

Covenant of Peace Willard M. Swartley,2006 One would think that peace a term that occurs as many as one hundred times in the New Testament would enjoy a prominent place in theology and ethics textbooks Yet it is surprisingly absent Willard Swartley s Covenant of Peace remedies this deficiency restoring to New Testament theology and ethics the peace that many works have missed In this comprehensive yet accessible book Swartley explicates virtually all of the New Testament relating peace and the associated emphases of love for enemies and reconciliation to core theological themes such as salvation christology and the reign of God No other work in English makes such a contribution Swartley concludes by considering specific practices that lead to peacemaking and their place in our contemporary world Retrieving a historically neglected element in the Christian message Covenant of Peace confronts readers anew with the compelling New Testament witness to peace
