Bombers

Mark Dartford,2003 Discusses the military use of aircraft to drop bombs and describes the development of particular kinds of bombers *Why Air Forces Fail* Robin Higham,Stephen J. Harris,2006-02-17 Includes two new chapters One of the more interesting and better books on military aviation to appear in the last few years Journal of Military History Since the publication of the first edition of *Why Air Forces Fail* the debate over airpower s role in military operations has only intensified Here eminent historians Robin Higham and Stephen J Harris assemble a team of experts to add essential new details to their cautionary tale for current practitioners of aerial warfare Together the contributors examine the complex often deep seated reasons for the catastrophic failures of the Russian Polish French British Italian German Argentine and American air services Complemented by reading lists and suggestions for further research this seminal study with two new

chapters provides an essential and detailed analysis of defeat Contains many interesting insights and interpretations an excellent introduction to the study of military failure in general and air forces in particular Journal of America s Military Past I recommend this book to those who are interested in air forces and air power whether amateur or professional past present and future Richard Cobbold Bryanston The Yearbook Provides an excellent analysis of the root causes of failure this engaging study goes far beyond the aerial battlefield to examine the circumstances leading to defeat Dennis Drew Colonel USAF Ret

Operation Barbarossa: the Complete Organisational and Statistical Analysis, and Military Simulation Volume IIB Nigel Askey,2014-08-26 Volume IIB is the second volume relating to and completing the Wehrmacht and the German mobilisation and war economy from June to December 1941 It includes the most detailed Orders of Battle ever published on the German Heer Luftwaffe Waffen SS and Kriegsmarine in all areas of the Reich between 22nd June and 4th July 1941 Even small and obscure units are included such as flak companies artillery HQs observation battalions bridging columns Landeschützen battalions MP battalions railroad companies and Luftwaffe Kurierstaffeln Verbindungsstaffeln and Sanitätsflugbereitschaften The Luftwaffe OOBs also include details on aircraft types and strengths in each air unit

Encyclopedia of Modern Military Aircraft Michael John Haddrick Taylor,1988-08 An informative text explains the history merits and unusual features of each design of modern military aircraft Each entry is illustrated with several color photographs and full color cutaway artwork of the most important types 300 illustrations **Dictionary of the Modern United States Military** S.F. Tomajczyk,2008-02-11 Warspeak the language of the military can be for many civilians and for members of differing services an unintelligible hodgepodge of acronyms slang terms and field operation expressions Few laypersons may know that the Five F s is a derogatory expression though Army Navy Marine Air Force Coast Guard and others know or can infer that chairborn commandos are administrative and support personnel The more than 15 000 entries in this comprehensive dictionary provide an inside look at the United States military Weapons systems governmental agencies electronic warfare medical terms military infrastructure communications satellites and intelligence systems are among the topics covered in depth Also detailed are the acronyms and slang terms used by the soldiers in the field The work provides numerous cross references for ease of use along with a bibliography of over 2 200 sources Evolution of the USAF Strategic Nuclear Bomber Deterrent George J. Refuto,2023-04-28 About the Book In this research study former Defense Department consultant George Refuto traces the technological evolution of USAF long range strategic nuclear bomber aircraft during and after the Cold War as well as the development of their missions and utilization of US nuclear bombers in 21st century regional and global military threat scenarios Five distinct periods are covered in this study World War I 1914 1918 the Interwar Period 1919 1939 World War II 1939 1945 the Cold War 1946 1991 and the Post Cold War Period 1991 present with an emphasis on the latter two In his writing Refuto focuses on developing a model that encompasses bombing and air defense for each period and showing how concepts technologies and implementations of

strategic bombing have changed and influenced the current level of development of the USAF strategic nuclear bomber force and doctrine and what is projected for the future About the Author George J Refuto is a former Defense Department consultant who has extensive academic and professional experience in the fields of military history weapon systems technology intelligence surveillance reconnaissance systems and US national security defense policy He has worked in both the defense and intelligence communities and holds a master s degree in International Affairs from Columbia University with specializations in US USSR strategic and theater tactical nuclear forces undersea and airborne naval weapons systems and Russian Soviet politics He has previously published Evolution of the US Sea based Nuclear Missile Deterrent Warfighting Capabilities and is working on a third book on the US ICBM deterrent The Encyclopedia of the Vietnam War Bloomsbury Publishing,2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today s world Now in its second edition The Encyclopedia of the Vietnam War A Political Social and Military History adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO Library of Congress Catalogs Library of Congress,1979 American Military History Daniel K. Blewett,2008-12-30 In this companion volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums NASA Technical Memorandum ,1981
