In the Days of Billy the Kid James B. Mills, 2025-05-19 The legend of Billy the Kid and the Lincoln County War remains prominent in the annals of American frontier history but for men like Jos Ch vez y Ch vez Juan Patr n Mart n Ch vez and Yginio Salazar it was merely one famous epoch in a much broader struggle The Hispanos of frontier New Mexico spent decades engaging in various forms of resistance against the corruption exploitation and violent oppression that frequently plagued their homeland following the conclusion of the Mexican American War in 1848 James B Mills author of the award winning Billy the Kid El Bandido Simp tico provides readers with a wealth of new information in his quest to tell the Hispano side of things in a history largely centered around the lives of lawman turned outlaw Jos Ch vez y Ch vez intellectual prodigy Juan Patr n conservative journeyman Mart n Ch vez and resilient vaquero Yginio Salazar A study that extends far beyond the Lincoln County War and into the twentieth century In the Days of Billy the Kid also explores the Horrell War the arrival of the railroads the rise of the Herrera brothers and Los Gorras Blancas The White Caps the people s movement in San Miguel County and the infamous Vicente Silva and his Sociedad de Bandidos Society of Bandits Mills also

casts some light on lesser known bandidos like the dangerous Nicolas Aragon the repentant German Maestas and perennial jailbird Porfirio Trujillo Providing readers with fresh perspective a wagonload of untapped history and more than a hundred photographs In the Days of Billy the Kid is an unprecedented study of Nuevo Mexico in frontier times and the early twentieth century that belongs on the bookshelf of any American West aficionado Billy the Kid Richard W. Etulain, 2020-07-16 A central character in legends and histories of the Old West Billy the Kid rivals such western icons as Jesse James and General George Armstrong Custer for the number of books and movies his brief violent life inspired Billy the Kid A Reader's Guide introduces readers to the most significant of these written and filmed works Compiled and written by a respected historian of the Old West and author of a masterful new biography of Billy the Kid this reader's guide includes summaries and evaluations of biographies histories novels and movies as well as archival sources and research collections Surveying newspaper articles books pamphlets essays and book chapters Richard W Etulain traces the shifting views of Billy the Kid from his own era to the present Etulain's discussion of novels and movies reveals a similar shift even as it points out both the historical inaccuracies and the literary and cinematic achievements of these works A brief section on the authentic and supposed photographs of the Kid demonstrates the difficulties specialists and collectors have encountered in locating dependable photographic sources This discerning overview will guide readers through the plethora of words and images generated by Billy the Kid's life and legend over more than a century It will prove invaluable to those interested in the demigods of the Old West and in the ever changing cultural landscape in which they appear to us Tall Tales & Half Truths of Pat Garrett John LeMay, 2016-05-09 While many lionize Billy the Kid the man who killed him Sheriff Patrick Floyd Garrett has a rarely told but riveting true story all his own His adventurous life spawned many a far fetched exciting legend In 1896 Garrett's investigation of the still unsolved murder of Albert J Fountain on the White Sands led to nothing but a gunfight and a dead deputy Some say that Garrett faked the details the night the Kid was brought to ultimate justice while others swear another wannabe hero did him in In perfect irony Garrett's own 1908 death is shrouded in mystery Some report he died by the hand of Billy the Kid himself Author John LeMay exposes fabricated tales for what they are and focuses on memories long forgotten about Billy the Kid's personal grave digger Sheriff Pat Garrett Lucky Billy John Vernon, 2008 A myth busting novel about America's most infamous and beloved outlaw Billy the Kid from a critically acclaimed historical novelist According to legend Billy the Kid killed twenty one men one for every year of his short life stole from wealthy cattle barons to give to the poor and wooed just about every senorita in the American Southwest In Lucky Billy John Vernon digs deeply into the historical record to find a truth more remarkable than the legend and draws a fresh nuanced portrait of this outlaw's dramatic and violent life Billy the Kid met his celebrated end at the hands of Pat Garrett his one time carousing partner turned sheriff who tracked Billy down after the jail break that made him famous In Vernon's telling the crucial event of Billy's life was the Lincoln County War a conflict between a ring of Irishmen in control of Lincoln New Mexico and a newcomer from

England John Tunstall who wanted to break their grip on the town Billy signed on with Tunstall The conflict spun out of control with Tunstall's murder and in a series of revenge killings an obscure hired gunman called Kid Antrim became Billy the Kid Besides a full complement of gunfights jail breaks and bawdy behavior Lucky Billy is a provocative picture of the West at a critical juncture between old and new It is also a portrait of an American icon made human caught in the middle more lost than brave more naive than principled more of an accidental survivor than simply the cold blooded killer of American myth

[Billy the Kid: The Endless Ride](#) Michael Wallis, 2008-03-17 This might be the best Billy the Kid book to date Fritz Thompson Albuquerque Journal In this revisionist biography award winning historian Michael Wallis re-creates the rich anecdotal saga of Billy the Kid 1859-1881 a young man who became a legend in his time and remains an enigma to this day In an extraordinary evocation of the legendary Old West Wallis demonstrates why the Kid has remained one of our most popular folk heroes Filled with dozens of rare images and period photographs Billy the Kid separates myth from reality and presents an unforgettable portrait of this brief and violent life

[Billy the Kid](#) James B. Mills, 2022-07-15 In the annals of American western history few people have left behind such lasting and far reaching fame as Billy the Kid Some have suggested that his legend began with his death at the end of Pat Garrett's revolver on the night of July 14 1881 in Fort Sumner Others believe that the legend began with his unforgettable jailbreak in Lincoln New Mexico several months prior on April 28 1881 Others still insist his legend began with the publication in 1926 of Walter Noble Burns's book The Saga of Billy the Kid James B Mills has left no stone unturned in his twenty year quest to tell the complete story of Billy the Kid He explores the Kid's disputable origins his family's migration from New York into the Southwest and how he became an orphan as well as his involvement in the Lincoln County War his outlaw exploits and his dealings with Governor Lew Wallace Mills illuminates the Kid's relationships with his enemies lovers and numerous friends to contextualize the man's character beyond his death and legacy Most importantly Mills is the first historian to fully detail the Kid's relations with New Mexicans of Spanish descent So the question remains who really was the person the world knows as Billy the Kid Was he more than a young reprobate committed to a life of crime who relished becoming a famous outlaw and cold blooded self absorbed sociopath or thug that some still prefer him need him to be Or was he in fact the generally good hearted generous

courteous young vigilante that so many remembered with considerable fondness who ultimately preferred the company of the more peaceable Hispanic population than his own Anglo people In this groundbreaking biography Mills takes the reader closer to the flesh and blood human being named Henry McCarty alias William H Bonney than ever before **Thunder in the West** Richard W. Etulain,2020-07-09 Even before he was shot and killed in 1881 Billy the Kid s charisma and murderous career were generating stories that belied his brief life and that only multiplied growing to legendary proportions after his death at age twenty one In Thunder in the West Richard W Etulain takes the true measure of Billy the man and the legend and presents the clearest picture yet of his life and his ever shifting place and presence in the cultural landscape of the Old West Billy the Kid born Henry McCarty in 1859 and also known as William H Bonney emerges from these pages in all his complexity at once a gentleman and gregarious companion and a thief and violent murderer Tapping new depths of research Etulain traces Billy s short life from his mysterious origins in the East through his wanderings in New Mexico Arizona and Texas As we move from his peripatetic early years through the wild West to his fatal involvement in the Lincoln County Wars we see the impressionable boy give way to the conflicted young man and finally to the opportunistic and often amoral outlaw who was out for himself for revenge and for whatever he could steal along the way Against this deftly drawn portrait Etulain considers the stories and myths spawned by Billy s life and death Beginning with the dime novels featuring Billy the Kid even during his lifetime and ranging across the myriad newspaper accounts novels and movies that alternately celebrated his outlaw life and condemned his exploits Etulain offers a uniquely informed view of the changing interpretations that have shaped and reshaped the reputation of this enduring icon of the Old West In his portrayal Billy the Kid lives on not as a cut throat desperado or a young charmer but as both hero and villain myth and man fully realized in this twenty first century interpretation Triggernometry Eugene Cunningham,1996-01-01 Interviews and writing Cunningham examines the evidence and breaks down the myths surrounding the exploits of Wild Bill Hickok for example preferring instead to find the living breathing human behind the legend His final chapter Triggernometry remains a fascinating discussion of the gunfighters expertise with the fast draw the road agent s spin pistol fanning the border shift rolling and pinwheeling and the use of various holsters and harnesses *The American West on Film* Johnny D. Boggs,2019-11-15 More than a history of Western movies The American West on Film intertwines film history the history of the American West and American social history into one unique volume The American West on Film chronicles 12 Hollywood motion pictures that are set in the post Civil War American West including The Ox Bow Incident Red River High Noon The Searchers The Magnificent Seven Little Big Man and Tombstone Each film overview summarizes the movie s plot details how the film came to be made the critical and box office reactions upon its release and the history of the time period or actual event This is followed by a comparison and contrast of the filmmakers version of history with the facts as well as an analysis of the film s significance then and now Relying on contemporary accounts and historical analysis as well as perspectives from filmmakers historians and critics the

author describes what it took to get each movie made and how close to the historical truth the movie actually got Readers will come away with a better understanding of how movies often reflect the time in which they were made and how Westerns can offer provocative social commentary hidden beneath old fashioned shoot em ups

Tall Tales and Half Truths of Billy the Kid John LeMay,2015-06-29 A great expos that humorously captures the many myths that Americans are willing to believe and that make up the tapestry of the Old West Former Representative Morgan Nelson While many respectable books on Billy the Kid aim to demystify his illusory life this one of a kind collection proudly has no such intention Find all of the untold and potentially true but very unlikely and highly embellished stories of the Kid s life death and enthralling life thereafter Be thrilled by sightings of Billy s ghost riding through old Fort Sumner and marvel at his search for the fabled Lost Adams Diggings Wonder at the mysterious thefts of his tombstone and discover the famed desperado s dozen or so doppelgangers who posthumously popped up all across the Southwest Courtesy of yarn spinning raconteurs of yore author John LeMay unveils the many forgotten and discarded tales of the legendary William H Bonney an everlasting emblem of the American West

Billy the Kid George R. Matthews,2025-02-05 This new in depth life of Henry McCarty alias Billy Bonney alias Billy the Kid offers fresh perspectives not only on the Lincoln County War and his boyhood in Silver City New Mexico but also on his Irish mother s origins and immigration to Indiana his public school education in Indianapolis the McCarty family s moves to Wichita Kansas and Santa Fe and his two year outlaw adventures in Arizona For the first time the whole person emerges This biography brings together a huge amount of material much of it made available to researchers only in recent years The result is an original authoritative and provocative portrait of Billy the Kid as both outlaw and frontier fighter against the infamously corrupt Santa Fe Ring

The Authentic Death and Contentious Afterlife of Pat Garrett and Billy the Kid Paul Seydor,2015-02-15 Long before Sam Peckinpah finished shooting his 1973 Western Pat Garrett and Billy the Kid there was open warfare between him and the studio In this scrupulously researched new book Paul Seydor reconstructs the riveting history of a brilliant director fighting to preserve an artistic vision while wrestling with his own self destructive demons Meticulously comparing the film five extant versions Seydor documents why none is definitive including the 2005 Special Edition for which he served as consultant Viewing Peckinpah s last Western from a variety of fresh perspectives Seydor establishes a nearly direct line from the book Garrett wrote after he killed Billy the Kid to Peckinpah s film ninety one years later and shows how even with directors as singular as this one filmmaking is a collaborative medium Art business history genius and ego all collide in this story of a great director navigating the treacherous waters of collaboration compromise and commerce to create a flawed but enduringly powerful masterpiece

The Mammoth Book of Prison Breaks Paul Simpson,2013-07-04 True stories of prison breaks including those of Frank Abagnale whose story is told in Catch Me If You Can Henri Charri re who claimed to have escaped from the supposedly inescapable Devil s Island the true story as opposed to his questionable memoir Papillon Bud Day said to be the only US serviceman ever to have escaped to

South Vietnam the six prisoners who escaped from Death Row in Mecklenburg Correctional Center and Pascal Payeret the French armed robber who escaped not once but twice from French prisons with the help of a helicopter **Light Writing & Life Writing** Timothy Dow Adams, 2000 On the surface the use of photography in autobiography appears to have a straightforward purpose to illustrate and corroborate the text But in the wake of poststructuralism the role of photography in autobiography is far from simple or one dimensional
