Ralph K. White, Ronald Lippitt

The Imperfect Autocrat:

Romantic Encounters Melissa Frazier, 2007 *Romantic Encounters* focuses on literary periodicals of the 1830s to describe the destabilization of readerly and writerly identities which occurs when Romantic irony meets an apparently rising literary marketplace

The Parisian Worlds of Frédéric Chopin William G. Atwood, 1999-01-01 In 1831 Chopin stopped in Paris on his way to London fleeing his native Warsaw after Russia's brutal repression of an insurrection there. Entranced by the lively social and artistic scene in the city, the musician remained there until his death in 1849. In this engaging book, William Atwood recreates the Paris that Chopin knew, providing vivid details about its places, people, and politics, and showing how these affected the sensitive musician during an enormously fruitful period in his career. Drawing on many contemporary sources, Atwood brings to life the musicians, writers, artists, courtesans, salon hostesses, politicians, doctors, businessmen, and messianic Polish emigres who lived in Paris. He describes the theaters, music halls, and salons of Paris as well as its less glamorous worlds filled with the political conflicts and economic fluctuations of the July Monarchy. He tells about the city's newly awakened social consciousness and the philosophers and writers, including George Sand, who fostered it. The book sheds brilliant new light on both Paris and Chopin and will be delightful reading for lovers of the city or the musician.

Paradoxes of Peace in Nineteenth Century Europe Thomas Hippler, Miloš Vec, 2015-02-19 Peace is often simplistically assumed to be war's opposite and as such is not examined closely or critically. Idealized in the literature of peace studies, its crucial role in the justification of war is often overlooked. Starting from a critical view that the value of restoring peace or keeping peace is and has been regularly used as a pretext for military intervention, this book traces the conceptual history of peace in nineteenth-century legal and political practice. It explores the role of the value of peace in shaping the public rhetoric and legitimizing action in general international relations, international law, international trade, colonialism, and armed conflict. Departing from the assumption that there is no peace as such, nor can there be, it examines the contradictory visions of peace that arise from conflict. These conflicting and antagonistic visions of peace are each linked to a set of motivations and interests as well as to a certain vision of legitimacy within the international realm. Each of them inevitably conveys the image of a specific enemy that has to be crushed in order for peace to be installed. This book highlights the contradictions and paradoxes in nineteenth-century discourses and practices of peace, particularly in Europe.

Limits to Autocracy Alan T. Wood, 1995-08-01 Alan T. Wood examines the cultural identity of modern China in the context of authoritarianism in the Chinese political tradition. Taking on issues of key importance in the understanding of Chinese history, Wood leads readers to a reconsideration of neo-Confucian thinkers of the Northern Sung dynasty. Modern scholars have accused Sung neo-Confucians of advocating a doctrine of unconditional obedience to the ruler, of revering the emperor and expelling the barbarian, and thereby inhibiting the rise of democracy in China. Wood refutes this dominant view by arguing that Sung neo-Confucians intended to limit the power of the emperor, not enhance it. Sung political thinkers believed

passionately in the existence of a moral cosmos governed by universal laws that transcended the ruler and could be invoked to set limits on his power Wood makes a striking comparison of this view with a similar one of universal morality or natural law that developed in late Medieval Europe By drawing attention to a much neglected Confucian text he contributes significantly to the wider dialog of human rights in China and brings forth fresh philosophical insights in his comparative view of Chinese and Western history *Empire Speaks Out* Ilya Gerasimov, Jan Kusber, Alexander Semyonov, 2009-06-02

Historians habitually write about empires that expand wage wars and collapse as if empires were self evident and self conscious entities with a distinct and clear sense of purpose The stories of empires are told in the language of modern nation centred social sciences multi cultural and heterogeneous empires of the past appear either as huge nations with a common language culture and territory or as amalgamations of would be nations striving to gain independence *Empire Speaks Out* reconstructs the historical encounter of the Russian Empire of the seventeenth through the early twentieth centuries with the complex challenge of modernity It does so by taking the self awareness of empire seriously and by looking into how bureaucrats ideologues politicians scholars and modern professionals described the ethnic cultural and social diversity of the empire Empire then reveals itself not through deliberate and well conceived actions of some mysterious political body but as a series of imperial situations that different people encounter and perceive in common categories The rationalization of previously intuitive social practices as imperial languages is the central theme of the collection This book is published with support from Volkswagen Foundation within the collective research project Languages of Self Description and Representation in the Russian Empire *Transparency, Democracy, and Autocracy* James R. Hollyer, B. Peter Rosendorff, James Raymond Vreeland, 2018-09-27

Increasing economic transparency benefits democracy it helps elections work Yet under autocracy transparency contributes to political instability *Autocracy, Modernization, and Revolution in Russia and Iran* Tim McDaniel, 2014-07-14

What did the Russian revolution of 1917 and the Iranian revolution of 1978 1979 share besides their drama How can we compare a revolution led by Lenin with one inspired by Khomeini How is a revolution based primarily on the urban working class similar to one founded to a significant degree on traditional groups like the bazaaris small craftsmen and religious students and preachers Identifying a distinctive route to modernity autocratic modernization Tim McDaniel explores the dilemmas inherent in the efforts of autocratic monarchies in Russia and Iran to transform their countries into modern industrial societies Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Autocracy and Redistribution Michael Albertus, 2015-09-15 This book shows that land redistribution the most

consequential form of redistribution in the developing world occurs more often under dictatorship than democracy It offers a novel theory of land reform and tests it using extensive original data dating back to 1900 **Confucian Governmentality and Socialist Autocracy in Contemporary China** Chih-yu Shih,2025-05-20 In October 2022 the 20th Party Congress of the Chinese Communist Party CCP concluded extending Xi Jinping's leadership indefinitely which many view as a one party dictatorship Exploring Confucian and socialist principles this book examines the relationship between the citizens and leaders in the Chinese autocracy By applying a Foucauldian twist to a range of topics from discussing the politics of love and pandemic nationalism to analysing Xi's personality it challenges the binary of authoritarianism and democracy Interdisciplinary in nature it will appeal to scholars and students working in the fields of politics international relations culture studies and critical theory **Dictators and Autocrats** Klaus Larres,2021-10-31 In order to truly understand the emergence endurance and legacy of autocracy this volume of engaging essays explores how autocratic power is acquired exercised and transferred or abruptly ended through the careers and politics of influential figures in more than 20 countries and six regions The book looks at both traditional hard dictators such as Hitler Stalin and Mao and more modern soft or populist autocrats who are in the process of transforming once fully democratic countries into autocratic states including Recep Tayyip Erdoğan in Turkey Brazilian leader Jair Bolsonaro Rodrigo Duterte in the Philippines Narendra Modi in India and Viktor Orbán in Hungary The authors touch on a wide range of autocratic and dictatorial figures in the past and present including present day autocrats such as Vladimir Putin and Xi Jinping military leaders and democratic leaders with authoritarian aspirations They analyze the transition of selected autocrats from democratic or benign semi democratic systems to harsher forms of autocracy with either quite disastrous or more successful outcomes An ideal reader for students and scholars as well as the general public interested in international affairs leadership studies contemporary history and politics global studies security studies economics psychology and behavioral studies **China and Autocracy** Miao-ling Lin Hasenkamp,2020-05-14 What effect is China's successful autocracy having on global politics Is it leading to the decline of democracy and the rise of strong man government worldwide China's success economically this collection argues is undermining the post war consensus that liberal democracy is best In a multi polar Chinese dominated world Trump Putin Erdogan and other global leaders no longer criticize China In fact they frequently invoke the usefulness of strong and united leadership At the same time China seeks to wear the mantle of a great power and in doing so talks about human rights climate change freedom and economic liberalism This collection examines how China views itself and where reality meets rhetoric on trade international relations diplomacy economics and social policy The contributors expertly dissect China's autocracy and show how a ripple effect is altering the political model consensus around the world *The New Autocracy* Daniel Treisman,2018-02-06 Corruption fake news and the informational autocracy sustaining Putin in power After fading into the background for many years following the collapse of the Soviet Union Russia suddenly has emerged as a new threat

at least in the minds of many Westerners But Western assumptions about Russia and in particular about political decision making in Russia tend to be out of date or just plain wrong Under the leadership of Vladimir Putin since 2000 Russia is neither a somewhat reduced version of the Soviet Union nor a classic police state Corruption is prevalent at all levels of government and business but Russia's leaders pursue broader and more complex goals than one would expect in a typical kleptocracy such as those in many developing countries Nor does Russia fit the standard political science model of a competitive authoritarian regime its parliament political parties and other political bodies are neither fakes to fool the West nor forums for bargaining among the elites The result of a two year collaboration between top Russian experts and Western political scholars Autocracy explores the complex roles of Russia's presidency security services parliament media and other actors The authors argue that Putin has created an informational autocracy which relies more on media manipulation than on the comprehensive repression of traditional dictatorships The fake news hackers and trolls that featured in Russia's foreign policy during the 2016 U S presidential election are also favored tools of Putin's domestic regime along with internet restrictions state television and copious in house surveys While these tactics have been successful in the short run the regime that depends on them already shows signs of age over centralization a narrowing of information flows and a reliance on informal fixers to bypass the bureaucracy The regime's challenge will be to continue to block social modernization without undermining the leadership's own capabilities

Coups, Military Rule and Autocratic Consolidation in Angola and Nigeria
Ross Harvey, 2020-12-09 This book provides a unique explanation of why Angola and Nigeria Africa's two largest oil producing nations have experienced different political and economic outcomes since attaining independence It explains why Asian led oil for infrastructure deals materialised in Angola but failed in Nigeria between 2004 and 2007 One hypothesis of the natural resource curse is that resource wealth leads to underdevelopment because it entrenches autocracy but that fails to explain the different political economy outcomes in Angola and Nigeria which were both predominantly autocratic post independence The book reveals through the application of a game theoretic model that Angola's Jose Eduardo dos Santos successfully used the country's oil wealth to consolidate power early in his reign by eliminating potential threats to his dictatorial ambitions He ruled for 38 years and thus represented one of Africa's longest autocracies but was eventually upended by his own ruling party an unusual outcome By contrast no Nigerian leader attained the same level of consolidation over oil or power Perennial contestation for power through multiple successful military coups resulted in an uneven evolution towards a more open and competitive political settlement The findings of this book will deepen the reader's understanding of the resource curse and illuminate the importance of tailoring governance solutions to reflect the specificities of any resource wealthy context

A History of Russia Volume 1 Walter G. Moss, 2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss's accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In

addition it provides many other features that have proven successful including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps fully updated bibliographies accompanying each chapter as well as a general bibliography a glossary and chronological and genealogical lists

Foreign Pressure and the Politics of Autocratic Survival Abel Escribà-Folch, Joseph George Wright, 2015 Can coercive foreign policy destabilize autocratic regimes Can democracy be promoted from abroad This book examines how foreign policy tools such as aid economic sanctions human rights shaming and prosecutions and military intervention influence the survival of autocratic regimes Foreign pressure destabilizes autocracies through three mechanisms limiting the regime's capacity to maintain support undermining its repressive capacity and altering the expected utility of stepping down for political elites Foreign Pressure and the Politics of Autocratic Survival distinguishes between three types of autocracies personalist rule party based regimes and military dictatorships These distinct institutional settings influence the dictators strategies for surviving in power as well as the propensity with which their leaders are punished after a regime transition Consequently the influence of foreign pressure varies across autocratic regime types Further the authors show that when foreign coercion destabilizes an autocracy this does not always lead to democratic regime change because different regimes breakdown in distinct ways While democratization is often equated with the demise of autocratic rule it is just one possible outcome after an autocratic regime collapses Many times instead of democratization externally induced regime collapse means that a new dictatorship replaces the old one This theory is tested against an extensive analysis of all dictatorships since 1946 and historical cases which trace the causal process in instances where foreign policy tools helped oust dictatorships Oxford Studies in Democratization is a series for scholars and students of comparative politics and related disciplines Volumes concentrate on the comparative study of the democratization process that accompanied the decline and termination of the cold war The geographical focus of the series is primarily Latin America the Caribbean Southern and Eastern Europe and relevant experiences in Africa and Asia The series editor is Laurence Whitehead Senior Research Fellow Nuffield College University of Oxford

Authoritarian Party Systems: Party Politics In Autocratic Regimes, 1945-2019 Grigori V Golosov, 2022-01-18 After the gradual slowing down of the third wave of democratization electoral authoritarianism is rapidly emerging as a dominant form of contemporary autocracy Political parties play a key role within the political and institutional structures of electoral autocracies Pro regime parties provide the dictatorial executive with electoral and legislative tools of sustaining power At the same time permitted opposition parties while normally incapable of challenging the regime are important for regime sustainability because they perform such vital functions as co-opting actual or potential opposition groups facilitating power sharing and mobilizing electoral participation The interactions among the dominant parties and the permitted opposition parties if displaying sustainable cross temporal patterns constitute authoritarian party systems Authoritarian Party Systems provides a theoretical discussion of electoral authoritarianism with special reference to authoritarian party systems a

methodological overview of party system research with special reference to the problems caused by the authoritarian nature of the observed party systems a comprehensive cross regional and historical overview of authoritarian party systems a quantitative analysis of their structural characteristics including fragmentation party system format volatility and nationalization and in depth discussions of the political regime determinants of authoritarian party systems and of the interplay between party systems and other components of the authoritarian institutional order Quantitative analysis has been performed on an original database comprising cases of party structured authoritarian regimes between 1945 2019 This content of the book is illustrated by case studies drawn from across the spectrum of contemporary authoritarian regimes

Autocracy and Insurgency in Organized Labor Burton Hall, 1972-01-01 During a period when serious writing on the American Labor movement was at an absolute premium the contributors to New Politics magazine created a body of literature distinguished by its clear eyed vision of the limits and prospects of the working class Assuming neither an end of ideology nor the destruction of the working class these writings are characterized by a precision matching their high purpose This collection of essays is unique in providing voice to insurgent members of such unions as the National Maritime Union the Seafarers International the Brotherhood of Painters the Federation of Teachers the Miners Union and others Rank and filers describe their efforts to achieve membership participation and control of their unions Progressive unions like Harry Bridge s West Coast longshoremen s union and the International Ladies Garment Workers Union are examined as are some traditionally more conservative business unions Officials of some of these unions comment and are answered by their critics This volume will be particularly useful to those interested in problems of work and labor in American society problems of social organization problems of mass and elite behavior in American industry and to those who have come to realize that the working class whether in ethnic or Americanist guise remains a potent force in the political economic and social life of the United States in the seventies

Nineteenth-Century Russia Derek Offord, 2014-05-12 This new Seminar Study provides students with a rewarding introduction to nineteenth century Russia This period of Russian history is of course characterised by the flowering of an enormously rich intellectual and cultural life the origins of which lie in the intelligentsia s opposition to autocratic rule Here Professor Offord introduces the reader to the period while focusing particularly on the rise of radicalism The book opens with two scene setting chapters one looking at the political and social structure peculiar to Russia and the second looking at the cultural and intellectual background Then within a chronological framework the author examines all the great events in the history of Russian radicalism from the Decembrist Revolt in 1825 to the going to the people in 1874 and the assassination of Alexander II in 1881 However throughout the text sustained attention is given to the intellectual dimension of nineteenth century Russian history Professor Offord examines all the major schools of thought and looks in detail at all the great thinkers of the day including Chaadaev Belinsky Herzen Chernyshevsky Bakunin and Tolstoy This new book will provide essential reading for anyone studying nineteenth century Russia Lucid accessible and immensely readable

it is a formidable achievement **Autocracy and Democracy** Ralph K. White, Ronald Lippitt, 1972 **The Politics of Mass Killing in Autocratic Regimes** Bumba Mukherjee, Ore Koren, 2018-06-13 This book develops a detailed disaggregated theoretical and empirical framework that explains variations in mass killing by authoritarian regimes globally with a specific focus on Pakistan Indonesia and Malaysia Using a combination of game theoretic statistical and qualitative approaches this project explicates when civilians within nondemocratic states will mobilize against the ruling elite and when such mobilization will result in mass killing In doing so it illustrates the important role urbanization and food insecurity historically played and will continue to play in generating extreme forms of civilian victimization

Right here, we have countless ebook **The Imperfect Autocrat** and collections to check out. We additionally allow variant types and then type of the books to browse. The up to standard book, fiction, history, novel, scientific research, as well as various further sorts of books are readily genial here.

As this The Imperfect Autocrat, it ends going on monster one of the favored ebook The Imperfect Autocrat collections that we have. This is why you remain in the best website to look the incredible ebook to have.

The Imperfect Autocrat Introduction

In today's digital age, the availability of The Imperfect Autocrat books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Imperfect Autocrat books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Imperfect Autocrat books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Imperfect Autocrat versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Imperfect Autocrat books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Imperfect Autocrat books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Imperfect Autocrat books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Imperfect Autocrat books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Imperfect Autocrat books and manuals for download and embark on your journey of knowledge?

FAQs About The Imperfect Autocrat Books

What is a The Imperfect Autocrat PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Imperfect Autocrat PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Imperfect Autocrat PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Imperfect Autocrat PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Imperfect Autocrat PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like

Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
