F's Story Yusuf Demir, 2025-02-11 It s a story that has been repeated for thousands of years we neither know where we came from nor where we are going The bewilderment of our precarious situation between these two unknowns is so great that it will last a lifetime However as it turns out most of our lives melt away in the ordinary hustle and bustle of daily life the stress of a bill to be paid the repair of a broken faucet the calculation of how much the rent will be this year thousands of small details like this put a thick sponge on our temporary stay in this world and we either postpone thinking about our main subject or forget it altogether Is this a good thing I don t know for sure However I can definitely say that F is as close to me as an old friend I ve known for years and their experiences seem very familiar I hope life s pleasant side is always with them And as the old saying goes may they never stumble
