The Improbable Swervings Of Atoms

Barbara Hamby, David Kirby

The Improbable Swervings Of Atoms:

The Improbable Swervings of Atoms Christopher Bursk, 2005 This collection follows the physical and emotional struggles of a young boy growing up in 1950s America as he attempts to understand himself and the world around him Winner of 2004 Donald Hall Prize in Poetry and the 2006 Milton Kessler Poetry Book Award The Improbable Swervings of Atoms Christopher Bursk, 2005-08-04 Winner of the 2004 Donald Hall Prize in Poetry The Improbable Swervings of Atoms follows the comedic often painful physical and emotional travails of a young boy growing up in 1950s America He watches the McCarthy hearings conquers the Congo assassinates the president has his head stuffed into a toilet drops his uniform on the fifty yard line and tries to make sense of Lucretius's De Rerum Natura The poems engage history in a very intimate way revealing how a boy as he matures attempts to understand the world around him his own physical development the people in his life and what it means to live in a country and time where it is impossible to disengage oneself from world events where in fact the quest for identity is an act that requires one to rewrite history in personal terms *American Poetry Now* Ed Ochester, 2007-04-08 American Poetry Now is a comprehensive collection of the best work from the renowned Pitt Poetry Series Since its inception in 1967 the series has been a vehicle for America's finest contemporary poets The series list includes Poet Laureate Billy Collins Toi Derricotte Denise Duhamel Lynn Emanuel Bob Hicok Poet Laureate and Pulitzer Prize winner Ted Kooser Larry Levis Sharon Olds Alicia Suskin Ostriker Virgil Suarez Afaa Michael Weaver David Wojahn Dean Young and many others Throughout its forty year history the Pitt Poetry Series has provided a voice for the diversity that is American poetry representing poets from many backgrounds without allegiance to any one school or style American Poetry Now is a true representation of contemporary American poetry Ed Ochester series editor for nearly thirty years has assembled a quintessential selection along with biographies and photos an enlightening introduction and a suggested list for further reading all in a highly accessible format American Poetry Now is a sweeping anthology that will delight poetry fans students teachers and general readers alike The First Inhabitants of Arcadia (p) Christopher Bursk, 2006 The titles sing their lettered songs An Ode to j M m m Good and O in Trouble Here are reading lessons the author's exploration of the curses and blessings of the word It is about the fall from paradise and the gifts that fall makes possible And over the whole book broods the great lexicographer Samuel Johnson that deeply troubled caretaker of the mother tongue More than an ABC book this collection asks questions at the very heart of how we understand the world and shows us the glory and silliness at the heart of human life Seriously Funny Barbara Hamby, David Kirby, 2010 Can serious poetry be funny Chaucer and Shakespeare would say yes and so do the authors of these 187 poems that address timeless concerns but that also include comic elements Beginning with the Beats and the New York School and continuing with both marquee name poets and newcomers Seriously Funny ranges from poems that are capsized by their own tomfoolery to those that glow with quiet wit to ones in which a laugh erupts in the midst of terrible darkness Most of the selections were made in the editors battered

compact car otherwise known as the Seriously Funny Mobile Unit During the two years in which Barbara Hamby and David Kirby made their choices they d set out with a couple of boxes of books in the back seat and whoever wasn t driving read to the other When they found that a poem made both of them think but laugh as well they earmarked it Readers will find a true generosity in these poems an eagerness to share ideas and emotions and also to entertain The singer Ali Farka Tour said that honey is never good when it s only in one mouth and the editors of Seriously Funny hope its readers find much to share with others

Classical Horizons George E. McCarthy, 2012-02-01 2003 CHOICE Outstanding Academic Title This work relocates the origins of nineteenth century social theory in classical Greece and focuses on three figures Karl Marx Max Weber and mile Durkheim all of whom wrote dissertations on the culture and structure of ancient society Greek philosophy art and politics inspired their ideas stirred their imaginations and defined their intellectual horizons McCarthy rediscovers the forgotten dreams and classical horizons of these European social theorists and uncovers the close connections between sociology and philosophy offering new insights into the methods theories and approaches of modern social science *The American Scholar* William Allison Shimer, 2006 *Poets & Writers* , 2006-07 *The Classical Review* , 1902 This companion to the Classical Quarterly contains reviews of new work dealing with the literatures and civilizations of ancient Greece and Rome Over 300 books are reviewed each year *The Enneads of Plotinus, Volume 1* Paul Kalligas, 2020-06-09 The first volume in a landmark commentary on an important and influential work of ancient philosophy This is the first volume of a groundbreaking commentary on one of the most important works of ancient philosophy the Enneads of Plotinus a text that formed the basis of Neoplatonism and had a deep influence on early Christian thought and medieval and Renaissance philosophy This volume covers the first three of the six Enneads as well as Porphyry s Life of Plotinus a document in which Plotinus s student the collector and arranger of the Enneads introduces the philosopher and his work A landmark contribution to modern Plotinus scholarship Paul Kalligas s commentary is the most detailed and extensive ever written for the whole of the Enneads For each of the treatises in the first three Enneads Kalligas provides a brief introduction that presents the philosophical background against which Plotinus s contribution can be assessed a synopsis giving the main lines and the articulation of the argument and a running commentary placing Plotinus s thought in its intellectual context and making evident the systematic association of its various parts with each other *Evensong* Gerry LaFemina, Chad Prevost, 2006 This anthology Evensong is a celebration of the rich spiritual tapestry that is contemporary American religious experience If this book is flawed recall that to be spiritual is to have faith even when one doubts to see the flaws yet find belief When I write poetry I try to give myself over to the sublime to that which is great within to that which knows what I don t know I know When I participate in the writing life I try to be giving to that which has given to me And let s face it being a poet in America sometimes feels like taking a vow of poverty But it also provides a community of others who share a belief in the power of poetry to be redemptive to change the moral emotional or spiritual landscapes if only for a brief moment

Please consider this anthology a meeting house not everyone has shown up to services but they re all here in spirit from Introduction by Gerry LaFemina **Lucretius Epicurean and Poet** John Masson,1909 **The British Quarterly Review** ,1875 The British Quarterly Review Henry Allon,1875 **Economics, Ethics, and Ancient Thought** Donald G. Richards,2017-01-20 It is argued that the normative and ethical presuppositions of standard economics render the discipline incapable of addressing an important class of problems involving human choices Economics adopts too thin an account both of human motivation and of the good for individuals and for society It is recommended that economists and policy makers look back to ancient philosophy for guidance on the good life and good society considered in terms of eudaimonism or human flourishing Economics Ethics and Ancient Thought begins by outlining the limitations of the normative and ethical presuppositions that underpin standard economic theory before going on to suggest alternative normative and ethical traditions that can supplement or replace those associated with standard economic thinking In particular this book considers the ethical thought of ancient thinkers particularly the ancient Greeks and their concept of eudaimonia arguing that within those traditions better alternatives can be found to the rational choice utilitarianism characteristic of modern economic theory and policy This volume is of great interest to those who study economic theory and philosophy history of economic thought and philosophy of social science as well as public policy professionals *Roque Dalton Redux* Maggie Jaffe,Esther Rodriguez,2005 **The Symposium** James Burnham,Philip Wheelwright,1929 Includes the section Book reviews

Lucretius, Epicurean and Poet: Complementary vol. with notes and comments on v. 1 by J.S. Reid (1909) John Masson,1909 *Stoics, Epicureans and Sceptics* R.W. Sharples,2014-08-07 First published in 1996 Routledge is an imprint of Taylor Francis an informa company **Philosophy: 50 Essential Ideas** Michael Moore,2022-06-30 What is truth How can I lead an ethical life Do I have free will Throughout history the world s great thinkers have sought to answer the most profound questions about our universe and have created compelling new ways of thinking In this beautifully illustrated book Michael Moore introduces you to the fascinating world of philosophy and its greatest practitioners Ranging from epistemology to existentialism and featuring ideas from philosophers as varied as Plato Immanuel Kant and Jean Paul Sartre this essential guide will bring you up to speed on the core themes and theories of this great subject
