The Indiscretion of the Duchess Anthony Hope, 2015 *The Indiscretion of the Duchess* may be classed with *The Prisoner of Zenda* and shares with that story the unabated interest from first page to last and the superb handling of the romantic and adventurous. Memoirs of the Life of Henriette-Sylvie de Moliere Madame de Villedieu, 2007-11-01 Known as Madame de Villedieu Marie Catherine Desjardins ca 1640-83 was a prolific writer who played an important role in the evolution of the early modern French novel. One of the earliest women to write for a living she defied cultural convention by becoming an innovator and appealing to popular tastes through fiction drama and poetry. *Memoirs of the Life of Henriette Sylvie de Moliere* a semi autobiographical novel portrays an enterprising woman who writes the story of her life a complex tale that runs counter to social expectations and novelistic conventions. A striking work the story skillfully mixes real events from the author's life with fictional adventures. At a time when few women published Villedieu's *Memoirs* is a significant achievement in creating a voice for the early modern woman writer. Produced while the French novel form was still in its infancy it should be welcomed by any scholar of women's writing or the early development of the novel.
