The Ins And Outs Of Mormonism:

The Ins and Outs of Mormonism Dan Carlson,1999 The Complete Idiot's Guide to Understanding Mormonism Drew Williams,2003-06-03 From its founding in pioneer times to the present day the Church of Jesus Christ of Latter Day Saints has been both mysterious and misunderstood with some Protestant faiths not even recognizing the Mormons as Christians This fascinating guide debunks the myths of Mormonism and reveals its history faith and culture **Life in Utah; Or, The Mysteries and Crimes of Mormonism** John Hanson Beadle,1870 The author offers a hostile treatise on the history practices and customs of the Mormon Church during the 19th century *Hand-Book on Mormonism* ,1882 The Real Mormonism Robert C. Mason,John G. Turner,2016-07-01 In the years since 1945 the Church of Jesus Christ of Latter day Saints has grown rapidly in terms of both numbers and public prominence Mormonism is no longer merely a home grown American religion confined to the Intermountain West instead it has captured the attention of political pundits Broadway audiences and prospective converts around the world While most scholarship on Mormonism concerns its colorful but now well known early history the essays in this collection assess recent developments such as the LDS Church s international growth and acculturation its intersection with conservative politics in recent decades its stances on same sex marriage and the role of women and its ongoing struggle to interpret its own tumultuous history The scholars draw on a wide variety of Mormon voices as well as those of outsiders from Latter day Saints in Hyderabad India to Mormon Mommy blogs to evangelical countercult ministries Overland Monthly and Out West Magazine ,1886 *Exhibiting Mormonism* Reid Neilson,2011-12-09 Reid L Neilson provides the first examination of Latter day Saint participation in the 1893 Columbian Exposition which was a watershed moment in the Mormon migration to the American mainstream and its leadership s discovery of public relations efforts and marked the dramatic reengagement of the LDS Church with the outside non Mormon world after decades of isolation in America s Great Basin desert *The Palgrave Handbook of Global Mormonism* R. Gordon Shepherd,A. Gary Shepherd,Ryan T. Cragun,2020-11-12 This handbook explores contemporary Mormonism within a global context The authors provide a nuanced picture of a historically American religion in the throes of the same kinds of global change that virtually every conservative faith tradition faces today They explain where and how the Church of Jesus Christ of Latter day Saints has penetrated national and cultural boundaries in Latin America Oceania Europe Asia and Africa as well as in North America beyond the borders of Mormon Utah They also address numerous concerns within a multinational multicultural church What does it mean to be a Latter day Saint in different world regions What is the faith s appeal to converts in these places What are the peculiar problems for members who must manage Mormon identities in conjunction with their different national cultural and ethnic identities How are leaders dealing with such issues as the status of women in a patriarchal church the treatment of

Haws,2013-12 What do Americans think about Mormons and why do they think what they do This is a story where the Osmonds the Olympics the Tabernacle Choir Evangelical Christians the Equal Rights Amendment Sports Illustrated and even Miss America all figure into the equation The book is punctuated by the presidential campaigns of George and Mitt Romney four decades apart A survey of the past half century reveals a growing tension inherent in the public s views of Mormons and the public s views of the religion that inspires that body **The Latter-Day Saints' Millennial Star** ,1856 **Eternity in the Ether** Gavin Feller,2023-01-10 Mass media and the Church of Jesus Christ of Latter day Saints evolved alongside each other and communications technology became a fundamental part of the Church s institutions and communities Gavin Feller investigates the impact of radio television and the internet on Mormonism and what it tells us about new media s integration into American life The Church wrestled with the promise of new media to help implement its vision of Zion But it also had to contend with threat that media posed to the family and other important facets of the Latter day Saint faith Inevitably media technologies forced the leadership and lay alike to reconsider organizational values and ethical commitments As Feller shows the conflicts they faced illuminate the fundamental forces of control and compromise that enmesh an emerging medium in American social and cultural life Intriguing and original *Eternity in the Ether* blends communications history with a religious perspective to examine the crossroads where mass media met Mormonism in the twentieth century *Letters on Mormonism* John McCutchen Coyner,1879 *'Tell it all' the story of a life's experience in Mormonism, an autobiography* Fanny Stenhouse,1879 *"Tell it all:" the story of a life's experience in Mormonism. Riess,2015-12-08 When Joseph Smith ran for president as a radical protest candidate in 1844 Mormons were a deeply distrusted group in American society and their efforts to enter public life were met with derision When Mitt Romney ran for president as a Republican in 2008 and 2012 the public had come to regard Mormons as consummate Americans patriotic family oriented and conservative How did this shift occur In this collection prominent scholars of Mormonism including Claudia L Bushman Richard Lyman Bushman Jan Shipps and Philip L Barlow follow the religion s quest for legitimacy in the United States and its intersection with American politics From Brigham Young s skirmishes with the federal government over polygamy to the Mormon involvement in California s Proposition 8 contributors combine sociology political science race and gender studies and popular culture to track Mormonism s rapid integration into American life The book takes a broad view of the religion s history considering its treatment of women and African Americans and its portrayal in popular culture and the media With essays from both Mormon and non Mormon scholars this anthology tells a big picture story of a small sect that became a major player in American politics
