the many powerful personalities who coalesced to form the Python team makes for funny and riveting reading A perceptive and funny chronicle the diaries are a rich portrait of a fascinating period It is terrifically good funny astute and wonderfully written The Boston Globe **Seeking the Centre** Roslynn D. Haynes,1998 The desert has a hypnotic presence in Australian culture simultaneously alluring and repellent The Centre is distant and unknown to most Australians yet has become a symbol of the country This exciting book highly illustrated in full colour reveals the singular impact that the desert both geographical and metaphorical has had on Australian culture At the heart of the book is the profound relationship that Aboriginal Australians have with the desert and the complex ways in which they have been seen by white people in this context Encyclopedia of Television Horace Newcomb,2014-02-03 The Encyclopedia of Television second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context For a full list of entries contributors and more visit the Encyclo pedia of Television 2nd edition website Emporium Edwin Barnard,2015-03-01 Look at the Hilzinger washing machine costing 3 in 1880 It certainly seems rather primitive but did it get the clothes clean and how hard was it to operate And what about Dr Allen s belt powered by the magic of electricity Could it really help with rheumatism and lumbago as its maker promised Advertisements can reveal a great deal about an age Gleaned from the pages of long forgotten publications such as The Sydney Gazette and New South Wales Advertiser Australian Town and Country Journal and Australasian Sketcher with Pen and Pencil together with dozens of regional newspapers they paint an intriguing picture of the world of our great great grandparents With over 450 images this book is one to pore over and enjoy perhaps that electric hairbrush really did cure baldness and wouldn t it be wonderful of those strange cannabis cigarettes did relieve asthma Advertisements for condoms It was just a matter of knowing what to look for In some ways it is striking how little has changed It comes as no surprise for example to discover that colonial women found it hard to resist a bargain nor that they worried a great deal about their complexions and the sweetness of their breath Colonial men had their own concerns prominent among them those old bugbears of advancing baldness and retreating virility For those seeking to revive flagging passions there were always the racy tales advertised each week in the illustrated papers price one shilling posted in a sealed envelope Equally striking are the many differences in attitude and outlook revealed by old advertisements It is curious for example that for most of the nineteenth century nobody except perhaps the very young seem to have been much concerned about body shape It was only in the 1880s and 90s that advertisements began to appear offering products designed to deal with unsightly corpulence or to plump out that underdeveloped bosom It cannot have taken advertisers long to realise that they were onto a good thing exploiting those particular anxieties Emporium uses collections of advertisements as starting points in assembling a series of self contained snapshots Introduced by a section on shopping a succession of double page spreads each with its eyewitness accounts and contemporary descriptions work to paint a lively and entertaining picture of everyday life in the Australian colonies Although

this is a book about advertising it is really also all about the everyday lives of nineteenth century Australians The focus throughout is on the lives of so called ordinary people the working men women and children whose struggles all too often merit little more than a footnote or two in many of our national histories How did they go about getting married How did they plan their families How did they keep clean How did they cook their food Advertisements can answer all these questions Humorous quirky fascinating you will find this book compulsive Edwin Barnard is an author and designer with an enduring interest in the everyday lives of nineteenth century Australians His previous books include Exiled for the National Library of Australia Edwin lives in Avalon NSW **The Cumulative Book Index**, 1992 A world list of books in the English language
