

The Confederate Farmers

L Manion

The Confederate Farmers:

Agriculture and the Confederacy R. Douglas Hurt, 2015-03-02 In this comprehensive history R Douglas Hurt traces the decline and fall of agriculture in the Confederate States of America The backbone of the southern economy agriculture was a source of power that southerners believed would ensure their independence But season by season and year by year Hurt convincingly shows how the disintegration of southern agriculture led to the decline of the Confederacy's military economic and political power He examines regional variations in the Eastern and Western Confederacy linking the fates of individual crops and different modes of farming and planting to the wider story After a dismal harvest in late 1864 southerners faced with hunger and privation throughout the region ransacked farms in the Shenandoah Valley and pillaged plantations in the Carolinas and the Mississippi Delta they finally realized that their agricultural power and their government itself had failed Hurt shows how this ultimate lost harvest had repercussions that lasted well beyond the end of the Civil War Assessing agriculture in its economic political social and environmental contexts Hurt sheds new light on the fate of the Confederacy from the optimism of secession to the reality of collapse

The Confederate Farmers Gene Gulliver, 2003-12 After the Civil War veterans of the war returned home to their farming communities along the Missouri Kansas border They were looking for peace and tranquility what they found was turmoil Forced to leave their homes four of these men came to Independence and returned to farming Things were going well for these former confederate soldiers and their families until Bruce Yeager came to town with a carpetbag 100 000 and a confidential map showing where a proposed railroad line was being planned Bruce planned to acquire the land that the railroad was going to pass through To accomplish this plan he befriended the mayor and hired a gunman named Tony Creek He used the mayor to acquire the land by the powers of eminent domain and used Tony Creek to enforce his desires When Bruce attempted to take land from these farmers he found out that they were not ordinary farmers These men were veterans with a shameful dark secret

Southern Agriculture During the Civil War Era, 1860-1880 John Otto, 1994-04-30 This is the first book to assess the contribution of Southern agriculture to the Confederate war effort to describe the damage that agriculture sustained during the war to analyze the transition from slavery to free labor after the war and to recount the slow and painful process of rebuilding Southern agriculture by 1880 Synthesizing primary and secondary historical sources *Southern Agriculture During the Civil War Era 1860 1880* fills a crucial gap in our knowledge about the history of the Civil War and Reconstruction period

Food and Agriculture during the Civil War R. Douglas Hurt, 2016-01-11 This book provides a perspective into the past that few students and historians of the Civil War have considered agriculture during the Civil War as a key element of power The Civil War revolutionized the agricultural labor system in the South and it had dramatic effects on farm labor in the North relating to technology Agriculture also was an element of power for both sides during the Civil War one that is often overlooked in traditional studies of the conflict R Douglas Hurt argues that Southerners viewed the agricultural productivity of their region as an

element of power that would enable them to win the war while Northern farmers considered their productivity not only an economic benefit to the Union and enhancement of their personal fortunes but also an advantage that would help bring the South back into the Union This study examines the effects of the Civil War on agriculture for both the Union and the Confederacy from 1860 to 1865 emphasizing how agriculture directly related to the war effort in each region for example the efforts made to produce more food for military and civilian populations attempts to limit cotton production cotton as a diplomatic tool the work of women in the fields slavery as a key agricultural resource livestock production experiments to produce cotton tobacco and sugar in the North and the adoption of new implements *The Confederate Culture and Its Weaknesses* Jon P. Alston, 2023-05-26 SOUTHERN CULTURE CONTAINED ELEMENTS THAT PROVED DYSFUNCTIONAL TO WINNING A PRE MODERN WAR FOR SECESSION SOUTHERN CAVALIERS WERE OFTEN MORE CONCERNED WITH THEIR OWN AMBITIONS AND SEARCH FOR HONOR AND POPULARITY ROBERT E LEE LOST THE BATTLE OF GETTYSBURG BECAUSE JEB STUART WAS MORE CONCERNED WITH HIS HONOR THAN WITH FOLLOWING ORDERS OTHER GENERALS REFUSED TO COOPERATE AND REFUSED TO PREVENT THE UNION CAPTURE OF NEW ORLEANS AND VICKSBURG **The Confederacy as a Revolutionary Experience** Emory M. Thomas, 2021-11-25 This volume first published in 1971 has made us look again at the events surrounding the Civil War The Confederate Southerners likened themselves to the American revolutionaries of 1776 Although both revolutions sought independence and the overthrow of an existing political system the Confederates battled for a political separation to conserve rather than to create The result however was a transformation of the antebellum traditions they were fighting to preserve *Food and Agriculture during the Civil War* R. Douglas Hurt, 2016-01-11 This book provides a perspective into the past that few students and historians of the Civil War have considered agriculture during the Civil War as a key element of power The Civil War revolutionized the agricultural labor system in the South and it had dramatic effects on farm labor in the North relating to technology Agriculture also was an element of power for both sides during the Civil War one that is often overlooked in traditional studies of the conflict R Douglas Hurt argues that Southerners viewed the agricultural productivity of their region as an element of power that would enable them to win the war while Northern farmers considered their productivity not only an economic benefit to the Union and enhancement of their personal fortunes but also an advantage that would help bring the South back into the Union This study examines the effects of the Civil War on agriculture for both the Union and the Confederacy from 1860 to 1865 emphasizing how agriculture directly related to the war effort in each region for example the efforts made to produce more food for military and civilian populations attempts to limit cotton production cotton as a diplomatic tool the work of women in the fields slavery as a key agricultural resource livestock production experiments to produce cotton tobacco and sugar in the North and the adoption of new implements *The Roots of Southern Populism : Yeoman Farmers and the Transformation of the Georgia Upcountry, 1850-1890* San Diego Steven Hahn Associate Professor

of History University of California,1983-08-25 In this examination of the rise of agrarian radicalism in the late 19th century South Hahn focuses on social change and popular consciousness while exploring populism s kinship with other movements such as labour radicalism

The World of the Civil War Lisa . Tendrich Frank,2015-07-28 Covering everything from the arts to food and drink religion social customs and technology this two volume set provides an in depth accessible look at the social cultural economic and political aspects of the American Civil War The American Civil War caused dramatic changes in every aspect of life and society affecting combatants and noncombatants at all levels of the socioeconomic scale The World of the Civil War A Daily Life Encyclopedia offers an accessible and reliable reference for the major topics that defined American life during the nation s most tumultuous era Taking a blended approach to history this book covers the military and political history of the era and examines the social and human experiences of the war thereby offering a comprehensive look at the Civil War era s most significant events people places and experiences The thematic organization of this encyclopedia helps readers to more readily explore related topics The subject matter explored in some 250 entries includes religious beliefs and practices rites of passage soldiers lives and experiences rural and urban life social structure of the Civil War era aristocrats landowners and slaves men s and women s roles and responsibilities holidays festivals and other celebrations tools machinery and inventions and justice and punishment Readers will come away with an understanding of many aspects of daily life during the Civil War era and gain appreciation for the vast differences between life today and 150 years ago

Disloyalty In The Confederacy Dr. Georgia Lee Tatum,2016-03-28 Until recently many historians as well as people in general have commonly accepted the idea that every man woman and child in the South stood loyally behind Jefferson Davis and the Stars and Bars in support of the Confederacy Despite the fact that out of a population of about eight million whites six hundred thousand offered their services to the Confederacy in 1861 and also the fact that the staunch unswerving loyalty of Southerners during the war will continue to rouse admiration there was in 1861 a small number which by 1865 had increased to a potent minority that did nothing to aid the Confederacy and much to injure it While many showed their disaffection only by refusing to fight many others organized not only for self protection but also for the destruction of the Confederacy Before the end of the war there was much disaffection in every state and many of the disloyal had formed into bands in some states into well organized active societies with signs oaths grips and passwords In the present study an attempt has been made to discover the causes for this movement the classes that participated in it and the purpose and work of the organizations Disloyalty in the Confederacy definitely puts to rout the belief once common that every man woman and child stood behind Jefferson Davis and the Stars and Bars in support of the Confederacy New York Times Book Review This is the sort of book necessary to balance accounts of the Southern Confederacy Heretofore the impression has been too often left that the South fought as a unit with a common purpose Journal of Southern History

Getting the books **The Confederate Farmers** now is not type of challenging means. You could not and no-one else going with books growth or library or borrowing from your connections to right to use them. This is an entirely easy means to specifically acquire lead by on-line. This online declaration The Confederate Farmers can be one of the options to accompany you once having other time.

It will not waste your time. put up with me, the e-book will enormously circulate you new event to read. Just invest tiny era to get into this on-line publication **The Confederate Farmers** as competently as evaluation them wherever you are now.
