The Constitution In Conflict

Francis G. Couvares

The Constitution In Conflict:

The Constitution in Conflict Robert A. Burt, 1992 In a remarkably innovative reconstruction of constitutional history Robert Burt traces the controversy over judicial supremacy back to the founding fathers Also drawing extensively on Lincoln's conception of political equality Burt argues convincingly that judicial supremacy and majority rule are both inconsistent with the egalitarian democratic ideal The first fully articulated presentation of the Constitution as a communally interpreted document in which the Supreme Court plays an important but not predominant role The Constitution in Conflict has dramatic implications for both the theory and the practice of constitutional law

The Constitution of Conflict Mariah Ananda Zeisberg, 2006 **The Constitution**

of Conflict Thomas Bell,2025 In recent years the US Supreme Court has increasingly resolved conflicts between congress and the president and there is little question that such disputes invite judicial involvement There is also widespread agreement among legal scholars that the Court s separation of powers jurisprudence is abysmal especially because it has never been able to commit to a single approach The Constitution of Conflict critiques the Court s different arguments on the matter demonstrating that rhetoric aside they share a common flaw in that they seek to maintain the separation of powers for its own sake

Constitutional Conflicts in Contemporary Malaysia HP Lee,2017-02-09 In this book HP Lee explores how the separation of powers doctrine in Malaysia has been adversely affected by a number of major constitutional conflicts among the various important organs of government The author first analyses the struggle by parliament for supremacy over the Malay Rulers or Sultans by expunging the need for the royal assent to the enactment of legislation and removing royal immunities Lee then turns to the contemporary role of the Malay Rulers and the reasons for the perceived rejuvenation of these Malay Rulers The book goes on to examine the series of controversies and scandals which have plagued the judiciary since the tumultuous judiciary crisis of 1988 and the efficacy of the reforms which have been introduced to restore public confidence in the judiciary These conflicts and a number of statutory enactments are analysed to determine their impact on the state of constitutionalism in Malaysia The book concludes with the author s thoughts on the trajectory of constitutional development in Malaysia
