The Ice:

Kalak of the Ice Jim Kjelgaard, 2022-08-01 In *Kalak of the Ice* Jim Kjelgaard crafts an immersive narrative set in the treacherous landscapes of the Arctic wilderness where survival is an unending struggle against the elements and predatory dangers. The story follows Kalak, a brave sled dog, as he navigates a world rife with adventure and peril, richly illustrated through Kjelgaard's vivid and evocative prose. His use of animal perspectives highlights not just the fierce will to survive but also the intricate relationships within the pack and their environment, reflecting broader themes of loyalty, courage, and the harsh realities of nature. This work is a significant contribution to children's literature in the mid-20th century, embodying the spirit of exploration that characterized the era's fascination with nature and animal tales. Jim Kjelgaard, an American author known for his deep affection for the wilderness, infused his writing with personal experiences from his outdoor excursions. His upbringing on a farm and his background in hunting and trapping offered him a nuanced understanding of animal behavior that he skillfully employed in his writings. Kjelgaard's lifelong admiration for the resilience of wildlife and their habitats informs the depth and authenticity present in *Kalak of the Ice*, showcasing his passion for the natural world and its inhabitants. This compelling tale is recommended for readers seeking a blend of adventure and profound insights into the beauty and brutality of nature. Kjelgaard's ability to elicit empathy through his animal characters allows readers not only to enjoy a captivating narrative but also to reflect on the connection between humans and the wild. *Kalak of the Ice* is a timeless journey that will resonate with anyone enchanted by the call of the wild.

Out of the Ice Claire Eamer, 2018-09-04 Earth's melting ice contains unexpected discoveries. Some frozen places on Earth contain ice that's hundreds or even thousands of years old. Now, as the planet warms, some of that ice is melting, revealing fascinating artifacts long preserved in its depths. Tools, clothing, and human bodies have been discovered, shedding new light on the lives of our ancestors and the world that was. But researchers are in a race against time because as soon as these treasures are exposed, they begin to disintegrate. A wealthy man buried 2500 years ago with his sixteen horses. Cave lion cubs from a species extinct for 10,000 years. It's amazing what's been hidden in the ice.

lifted up the hem of her nightie which was near her waist anyway and slid his hand under her panties so that it lay flat against the flesh of her arse She made a whimper and for a nervous moment he thought it was in protest Then he understood that it wasn't That's nice she murmured He lay like that for what sometimes seemed like forever and he thought he even fell asleep at one point He told her about his dream the tower and asked her what she thought about it I'm not good at analysing dreams David Shall I tell you mine Go on then There was this little seal baby and I kept trying to catch it but it was slippery and kept getting away That's me I think so she said Eventually they had to get up and he had to return to his room to cook and wash The month of April was more of the same except warmer Dolores wouldn't let him touch any more of the interesting parts of her body but he was happy to have as much as he did The carpet didn't arrive and fed up with waiting she cancelled and ordered carpet from another company That delivery was also delayed Bing the Bong put in some more appearances as they gradually smoked their way through the huge bag of grass Dave had saved nearly one third of the money he needed for the fake passport by working in the bar and mixing for bands but he was almost permanently tired and had lost some weight as he wasn't spending anything on non essential food He had trimmed his moustache and beard but not cut them off and Rosa had trimmed his hair There's a letter for you Herman usually called out if there was any mail when one of them passed Barbie had picked his up and threw it into Dave's room as she passed I'm in a hurry See you later she called See ya Dave was living like a hermit or at least some kind of underground creature moving perpetually in and out of the lines of washing and piles of clothes and only venturing out to shops He finished folding the pile of washing lying on the bed and sat down to see who the letter was from It could only be one of a few people his father his brother or Anna They were the only ones with his address Looking at the writing on the envelope he knew it was his father He thumbled open the airmail envelope and started reading the neatly written well composed letter Hi Dave Everything is fine here It went on to say how much his father missed him and when was he coming home It also said that his father was worried about him and what was the problem with the paperwork could he help There was a short paragraph from Ewa at the bottom with some kisses Dave sighed after reading it He felt threatened by it and quickly tucked the letter behind some books He stuck on an Oasis album while he worked Dolores let him borrow her CD player from time to time and she was away for a few days visiting her Dad When Barbie came home later she stopped outside his door I've been on a date He bought me this She pointed at the leather mini skirt she was wearing doing a twirl at the same time What do you think God she's a gorgeous woman he thought He also felt a twinge of jealousy Nice he said Is he rich A bit The letter and this both irritated him and he went to bed like a grumpy bear that night The next day dragged and the next until the afternoon when he knew Dolores was due back When she finally arrived dragging a suitcase up the stairs along the corridor and into her room she looked tired and irritable He left her alone for a while Later that evening she had no clients she came into his room announcing that he should get out more He didn't know what had brought it on but he kept quiet She showed him a magazine with films showing in the cinemas and asked him

if he wanted to see a film called Carrington He hadn't heard of it so she translated the synopsis Sounds interesting Yeah let's see it It was about the Bloomsbury set of Artists in England and he could see it would interest him Yes Okay Good She left and he idly flicked through the magazine and found that it also had TV listings including those for that evening Dolores Dolores What he heard faintly from her room They've got 2001 A Space Odyssey on TV He got to the TV switched it on and tuned to the right channel It was clearly about one third of the way through but it was such a good film that he wanted her to see it anyway She stuck her head through the doorway What 2001 is on What's that You gotta see it It's brilliant especially the end I can't explain it now Just sit down and watch Okay Make me a coffee and I'll watch She sounded weary But wait She returned a few minutes later with a small plastic bag of something What's that Dave asked He handed her the coffee Magic mushrooms she replied She rustled the bag to entice him Oh Nice She handed him the bag He unsealed the top and took out one of the small cone topped mushrooms He held it up gently between his finger and thumb and rotated it Psilocybe semilanceata the most beautiful mushroom in the world It's not called Liberty Cap for nothing Ha You sound like one of those nature presenters on TV Ha Shall we make some tea with them Quick then While the film progressed Dave made some tea with the mushrooms and they both drank it The film had Dutch subtitles but the original soundtrack so he could understand it too During one of the many slow scenes of the film Dave spoke up I took these before with the band Stu Tom and Paul Great We were rehearsing in North Wales It was November but for some reason it was hot and sunny While he talked he sat down to lean against the end of the bed She moved to sit between his legs so that she could lean on him Probably the mushrooms she replied Shrooms we call 'em Yeah I loved 'em It's a gentle high and very natural I felt really joined with nature We walked along the cliffs and every so often we would go back to the cottage and have the most amazing jams What did you make the jams from Can you make it with mushrooms Ha Ha No not that sort of jams Music improvisation is called jamming Oh Ha Okay Wait I feel something I am gonna roll another spliff I do not like der computers she said at the part where HAL plays up It's creepy Why is he shinging dat song Dave had to explain about the song HAL sings As they reached the climax of the film they were also reaching the climax of their mushroom trip Oh God Dave yelled I forgot we've got to roll a spliff This bit is so psychedelic You've got to see this Shall I get Bing loaded up Yes Good idea I'm not sure if I can do this in time Bing was operational in time so they both had a few puffs to get them started By the time the final sequence was well underway Dave had a spliff rolled It was ragged but serviceable He lit it and passed it to Dolores He was already well away and the colours and sounds were as amazing as ever What's going on Wow she said The mushrooms made the vivid colourscape jump out of the screen at them Dolores actually swerved to avoid a bright burst of approaching red Great innit Fucking hell she said Fuck she added a few minutes later London sex and drugs and rock and roll comedy rock star erotic romance rock n roll henry chinaski inuit erection bong racy magic mushroom 420 Amsterdam Stockholm Siberia hashish ganga weed marijuana acid spliff mountain romantic pornography pop culture philosophy Charles bukowski red light district prostitution pop
