Old West Showdown Bill Markley, Kellen

Cutsforth, 2018-10-01 The real lives of the historic figures in Old West Showdown are shrouded in controversy and myth Was Jesse James a Southern Son fighting for the cause of the fallen Confederacy or a blood thirsty cutthroat justly pursued by the authorities Was Billy the Kid a misunderstood youth or a cold blooded killer Did Buffalo Bill Cody truly ride for the Pony Express as a young man Or was he just a blowhard who trumped up his own past in an attempt to seem more heroic in the eyes of audiences attending his Wild West shows In Old West Showdown dueling authors Bill Markley and Kellen Cutsforth draw on fact and folklore to present opposing viewpoints pertaining to controversies surrounding some of the most well known characters and events in the history of the Old West

The Wister Trace Loren D. Estleman, 2014-09-29 A master practitioner's view of his craft this classic survey of the fiction of the American West is part literary history part criticism and entertaining throughout The first edition of *The Wister Trace* was published in 1987 when Larry McMurtry had just reinvented himself as a writer of Westerns and Cormac McCarthy's career had not yet taken off Loren D Estleman's long overdue update connects these new masters with older writers assesses the genre's past present and future and takes account of the renaissance of western movies as well Estleman's title indicates the importance he assigns Owen Wister's 1902 classic *The Virginian* Wister was not the first writer of Westerns but he defined the genre contrasting chivalry with the lawlessness of the border and introducing such lines as When you call me that smile Estleman tips his hat to Wister's predecessors among them Ned Buntline the inventor of the dime novel and Buffalo Bill His assessments of Wister's successors Zane Grey Walter Van Tilburg Clark and Louis L Amour to name but three soon make clear the impossibility of differentiating great western writing from great American writing Especially important in this new edition is the attention to women writers The author devotes a chapter each to Dorothy Johnson author of *The Man Who Shot Liberty Valance* and Annie Proulx whose Wyoming stories include *Brokeback Mountain* In his discussion of movies Estleman includes a list of film adaptations that will guide readers to movies and moviegoers to books An appendix draws readers attention to authors not covered elsewhere in the volume some of them old masters like Bret Harte and Jack London but many of them fascinating outliers ranging from Clifford Irving to Joe R Lansdale
