The Immigrants:

The Immigrants Howard Fast, 2010-03-01 A most wonderful book there hasn't been a novel in years that can do a job on readers' emotions that the last fifty pages of *The Immigrants* does. Los Angeles Times. The first book in bestselling author Howard Fast's beloved family saga. *The Immigrants* is a transcendent work of historical fiction. In this sweeping journey of love and fortune, master storyteller Howard Fast recounts the family saga of roughneck immigrants determined to make their way in America at the turn of the century. Quick to ascend from the tragic depths of the 1906 San Francisco earthquake, Dan Lavette becomes the head of a powerful shipping empire and establishes himself among the city's cultural elite. But when he finds himself caught in a loveless marriage to the daughter of San Francisco's richest family, a scandalous love affair threatens to destroy the empire Dan has built for himself. The first novel of a compelling family saga, *The Immigrants* is fast-paced emotional historical fiction that captures the wide range of relationships across Immigrant America during the tumultuous defining events of the early twentieth century.

NOW A MOTION PICTURE **The Immigrants** Howard Fast, 1977 **The Immigrants** Moreno Giovannoni, 2025-07-01 A story of love, dreams, exile, and tragedy told with heartbreaking beauty. Although if they are asked before they die, they all say they came here for a better life, they do not always find a better life, do they? In the Victorian town of Mitre, tobacco is grown, an Italian cinema and café open, and people travel back and forth from Italy. A boy fishes, wanders the countryside, and watches a community form with its joys, scandals, and shared understandings. Interspersed are the grotesques, indelible and terrible events that sit alongside the better future they all seek. In *The Immigrants*, Moreno Giovannoni depicts a family as they build a new life in a strange land. Through love and exile, industry and tragedy, their unspoken dreams and fears unfold in this astonishing and moving book. Praise for *The Fireflies of Autumn*: I can't remember ever reading anything quite like it. It thrilled me and made me laugh and moved me very deeply. Helen Garner. There is immense beauty in this book and there is great sadness and there is genuine tenderness. I can't recall when I was last thrilled by a book as I am by this one. Christos Tsiolkas. I have never read a migrant tale so original, so breathtaking in scope, or so magical. Enforcing Order on the Border Eric Gamino,2025-09 As a lifelong resident of the U S Mexico borderlands Eric Gamino has always been curious why some U S born Latinos were indifferent toward Latino

immigrants especially since both groups lived within the same majority Latino origin community the Rio Grande Valley of Texas RGV Enforcing Order on the Border offers a personal ethnographic examination of Gamino's life as a resident of the RGV coupled with his experience as a police officer for two different police departments in the region Gamino reveals how the concept of race functions within a predominantly Latino origin community Gamino unpacks the interplay between local police federal immigration officials and civilians as they encounter immigration Enforcing Order on the Border illustrates how institutional practices such as immigration enforcement occur on the South Texas Mexico borderlands as collaborative efforts between local police and the U.S. Border Patrol from an institutional perspective Consequently this collaborative effort in the U.S. Mexico borderlands creates a distinctive method of policing which he tellingly refers to as Constitution free policing Gamino provides a unique perspective on how the concept of race in a predominantly Latino origin community complicates intraracial intraethnic relations on the South Texas Mexico borderlands

The New Israel Gershon Shafir, 2018-02-13 The New Israel

Peacemaking and Liberalization argues that the ongoing Israeli Palestinian peace process will be expedited by increased economic liberalization Israel has undergone dramatic economic change in the 1990s shifting from a strongly protectionist state centered economy to a more international neoliberal one The book maintains that these fundamental changes have in turn transformed Israeli society as a whole resulting in a significant moderation of attitudes toward the Palestinian people and Palestinian nationalism The New Israel contains contributions from both established Israeli sociologists and promising young scholars The New Israel Peacemaking and Liberalization is an insightful commentary on one of the most crucial international issues of our time

Jewish Ireland in the Age of Joyce Cormac Ó Gráda, 2016-06-28 James Joyce's Leopold

Bloom the atheistic Everyman of Ulysses son of a Hungarian Jewish father and an Irish Protestant mother may have turned the world's literary eyes on Dublin but those who look to him for history should think again He could hardly have been a product of the city's bona fide Jewish community where intermarriage with outsiders was rare and piety was pronounced In Jewish Ireland in the Age of Joyce a leading economic historian tells the real story of how Jewish Ireland and Dublin's Little Jerusalem in particular made ends meet from the 1870s when the first Lithuanian Jewish immigrants landed in Dublin to the

late 1940s just before the community began its dramatic decline In 1866 the year Bloom was born Dublin's Jewish population hardly existed and on the eve of World War I it numbered barely three thousand But this small group of people quickly found an economic niche in an era of depression and developed a surprisingly vibrant web of institutions In a richly detailed elegantly written blend of historical economic and demographic analysis Cormac Gr da examines the challenges this community faced He asks how its patterns of child rearing schooling and cultural and religious behavior influenced its marital fertility and infant mortality rates He argues that the community's small size shaped its occupational profile and influenced its acculturation it also compromised its viability in the long run Jewish Ireland in the Age of Joyce presents a fascinating portrait of a group of people in an unlikely location who though small in number comprised Ireland's most resilient immigrant community until the Celtic Tiger's immigration surge of the 1990s

Teaching Writing through the Immigrant Story Heather Ostman, Howard Tinberg, Danizete Martínez, 2021-12-01 Teaching Writing through the Immigrant Story explores the intersection between immigration and pedagogy via the narrative form Embedded in the contexts of both student writing and student reading of literature chapters by scholars from four year and two year colleges and universities across the country this book engages the topic of immigration within writing and literature courses as the site for extending critiquing and challenging assumptions about justice and equity while deepening students sense of ethics and humanity Each of the chapters recognizes the prevalence of immigrant students in writing classrooms across the United States including foreign born first and second generation Americans and more and the myriad opportunities and challenges those students present to their instructors These contributors have seen the validity in the stories and experiences these students bring to the classroom evidence of their lifetimes of complex learning in both academic and nonacademic settings Like thousands of college level instructors in the United States they have immigrant stories of their own The immigrant narrative offers a unique framework for knowledge production in which students and teachers may learn from each other in which the ordinary power dynamic of teacher and students begins to shift to enable

empathy to emerge and to provide space for an authentic kind of pedagogy By engaging writing and literature teachers within and outside the classroom *Teaching Writing through the Immigrant Story* speaks to the immigrant narrative as a viable frame for teaching writing an opportunity for building and articulating knowledge through academic discourse The book creates a platform for immigration as a writing and literary theme a framework for critical thinking and a foundation for significant social change and advocacy Contributors Tuli Chatterji Katie Daily Bruckner Libby Garland Silvia Giagnoni Sibylle Gruber John Havard Timothy Henderson Brennan Herring Lilian Mina Rachel Pate Emily Schnee Elizabeth Stone
