**Led Zeppelin - Uncensored on the Record , The White Book** Ken Mansfield, 2007-10-30 Through exclusive photos and personal stories former US manager of Apple Records and Grammy Award winning producer Ken Mansfield offers a compelling memoir that delves into his life in the 1960s and 70s and his unique partnership with the Beatles and other musicians who orbited their world As observer friend and colleague Mansfield sat in their recording sessions partied in their swimming pools took their irate calls and publicized their successes Entertaining historically accurate and illuminating a side of the Fab Four known only to a few like Mansfield The White Book shines fresh light on the true characters behind the cultural phenomena that revolutionized a generation As the former Head of Apple Records International Jack Oliver has said of Ken He is one of the few insiders left that bore witness to the highs and lows of those insane days when we ruled the world Ken has a unique gift He can take you in the room and have you sit with the folk he knows and make you one of the gang part of the plan and considering these folk include the Beatles Dolly Parton Waylon Jennings the Beach Boys Roy Orbison David Cassidy and a whole host more that is some doing I really enjoyed sitting in on his world and I respect the affection he has for our game and what he brought to it will get you

ANDREW LOOG OLDHAM Rolling Stones Manager and Producer Ken Mansfield brings us a new and closely personal perspective not only on the Beatles but on a whole cast of musical characters from Brian Wilson to Don Ho An observant and perceptive man in the centre of the storm a contradictory man both ambitious and spiritual but at the heart of the record industry during its most exciting years and enjoying every minute of it I lived through those years with Ken and we became friends It is a pleasure to experience so much of it all again through the accuracy of his story telling and the clarity of his memory

PETER ASHER Peter and Gordon A R Chief Apple Records Producer Manager James Taylor Linda Ronstadt Carole King et al Journalism is normally a very inexact science Many of the countless books about the Beatles have been written by researchers not by people who were actually there Everyone has experienced reading a book or article where one's own inside knowledge about a particular person or event shows up inaccuracies on the part of the writer that totally distort the truth This book is an exception I know because I was there for some of it myself Ken Mansfield and I unknowingly shared the experience of the famous Apple rooftop session where I was nervously adjusting mikes and cables for the sound recording of that unforgettable day Ken was not only working for the Beatles through their heyday he was also their trusted friend There is no one better equipped to tell the Beatles story truthfully and more importantly factually from the inside

ALAN PARSONS Engineer to the Beatles Pink Floyd Multi Platinum Producer Alan Parsons Project Unlike many people claiming a Beatles

connection Ken Mansfield doesn't have an agenda or try to elevate his role or importance Ken comes across as a man who knows how lucky he was to be where he was and enjoys sharing his stories with us Ken was there and that is why The White Book is informative fresh and entertaining without being ego driven BRUCE SPIZER Author Beatle Historian Cold Clear Morning Lesley Choyce, 2001-11-16 When Taylor returns to his Nova Scotia village to live with his boat builder father he grapples with family dysfunction and faces a past he can't seem to escape The End of the Century Party Steve Redhead, 1990 This book offers an alternative perspective on popular music and youth culture in the 1980s and beyond Based on interviews with disc jockeys record label owners musicians producers and fans it describes and analyses the shift from New Pop in the early 1980s to what it calls Political Pop in the mid late 1980s From synopsis **The Beatles, The Bible and Bodega Bay** Ken Mansfield, 2022-05-17 1 Best Selling Beatles Book Amazon com 2 Books About the Beatles Senior Editor Rock Amazon com Beatles Anthology listed as 1 MAJOR PRESS REVIEWS Barnes Noble com Kevin Giordano There is something quite Lennonesque about Mansfield's soul searching his tales are astonishingly clear and vivid Amazon com Gail Hudson It is his writing talent and depth of personal story that makes this spiritual memoir rock Fox News Channel A fabulous book about the Fab Four It's historical and a must have Publishers Weekly June 2000 Eschewing the usual druggy histories of musicians Mansfield delivers a book that is more philosophical than tell all There are enough tidbits to satiate any Beatle maniac Library Journal August 2000 This is a ruminative and ultimately very personal journey through a man's life and his personal relationships with each member of the Fab Four Washington Post October 2000 This account is a warm hearted look at an exciting period related by an observer who was often at the right place at the right time Because of Ken's personal relationship respect and loyalty to Apple and the Beatles he sought all necessary official and personal approvals from Capitol Apple and each of the Beatles including Yoko on John's behalf At the time of the original release of The Beatles The Bible and Bodega Bay he was informed that outside of their own Anthology that this was the only book approved by them Once again out of that same respect there have been no changes or updates the content before you is exactly the same as the original book These are the thoughts and events exactly as they were happening then a unique insider's look at a time that will never exist again **The Eighteenth Century** Kevin L.
