The Dictionary of New Media James Monaco, 1999 Opvallend bij de nieuwe media is het veelvuldig gebruik van afkortingen zo blijkt wel weer eens uit deze praktische gids HSB HSL HTTP DTS SDDS het is maar een kleine greep van termen die in dit boek verklaard worden In tegenstelling tot wat de titel doet vermoeden zijn er ook nog veel ouderwetse termen uit de analoge filmkunst en techniek opgenomen Dit maakt dit woordenboek tot een zeer bruikbaar instrument voor zowel de analoge als de digitale consument

Historical Dictionary of Australian and New Zealand Cinema Karina Aveyard, Albert Moran, Errol Vieth, 2017-12-26 Filmmakers have honed their skills and many have achieved critical and popular success at home and abroad as have actors and other crew American filmmakers and companies have found it cheaper to make films in Australia because wages and salaries are lower tax rebates have been attractive and the expertise in most areas of filmmaking is comparable to that of anywhere in the world At the same time Australian audiences still enjoy watching Australian films making some of them profitable even if this is a small profit when considered in Hollywood terms New Zealand filmmakers cast and crew have shown that they are equal to the world's best in making films with international themes while other films have shown that the world is interested in New Zealand narratives and settings Increased support for Maori filmmakers and stories has had a significant impact on production levels and on the diversity of stories that now reach the screen It has also helped create more viable career paths for those who continue to be based in their home country This second edition of Historical Dictionary of Australian and New Zealand Cinema contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on leading films as well as many directors writers actors and producers It also covers early pioneers film companies genres and government bodies
