The Ira

Gabriel Doherty

The Ira:

Armed Struggle Richard English, 2008-09-04 A timely work of major historical importance examining the whole spectrum of events from the 1916 Easter Rising to the current and ongoing peace process fully updated with a new afterword for the paperback edition An essential book closely reasoned formidably intelligent and utterly compelling required reading across the political spectrum important and riveting Roy Foster The Times An outstanding new book on the IRA a calm rational but in the end devastating deconstruction of the IRA Henry McDonald Observer Superb the first full history of the IRA and the best overall account of the organization English writes to the highest scholarly standards Moreover he writes with the common reader in mind he has crafted a fine balance of detail and analysis and his prose is clear fresh and jargon free sets a new standard for debate on republicanism Peter Hart Irish Times The one book I recommend for anyone trying to understand the craziness and complexity of the Northern Ireland tragedy Frank McCourt author of Angela's Ashes

The IRA James C. Dingley, 2012-10-02 Authored by an individual with 30 years of experience studying terrorism as well as access to the most senior counter terrorist army and police officers combating the IRA this book provides the first complete analysis of the world's premier terrorist group to explain them in ideological as well as operational terms The IRA The Irish Republican Army begins by examining the historical background to the development of the IRA the group's basic ideology and its aims and objectives The second part of the book concentrates on the IRA specifically the Provisional IRA as a contemporary phenomenon explaining its organization how it operates who joins the IRA and why The book explores how the IRA was formed from a Romantic reaction against modernity and is an expression of a vehement rejection of the liberal individualist and scientific values of the Enlightenment The IRA's attachment to violence almost as an end in itself its conflation of Catholicism with Irishness its rejection of big business for peasant proprietor economics and its disregard for individual rights in pursuit of group rights is explained in terms of the group's scholastic Catholicism foundation For academic audiences in Irish studies politics sociology history and security and defense studies as well as professional security forces and interested general readers with an interest in current affairs this book supplies a wholly new perspective on both the IRA and terrorism in general

The IRA Tim Pat Coogan, 2002-01-05 A comprehensive history of the Irish Republican Army Examines the IRA's origins its foreign links bombing campaigns hunger strikes and sectarian violence and its role in attempts to bring peace to Northern Ireland

A Secret History of the IRA Ed Moloney, 2002 A portrayal of the Irish Republican Army includes coverage of its associations with Qaddafi's regime Margaret Thatcher's secret diplomacy with Gerry Adams and the Catholic Church's negotiations with Republican leadership

Inside the IRA Andrew Sanders, 2011-12-20 The Irish Republican movement was one of the most significant revolutionary movements of the twentieth century This book focuses on the issue of republican splits which created the Provisional and Official republican movements and the subsequent development

The Intelligence War against the IRA Thomas Leahy, 2020-03-26 The exposure of two senior republicans as informers

for British intelligence in 2005 led to a popular perception that the IRA had lost the intelligence war and was pressurised into peace In this first in depth study across the entire conflict Thomas Leahy re evaluates the successes and failures of Britain s intelligence activities against the IRA from the use of agents and informers to special forces surveillance and electronic intelligence Using new interview material alongside memoirs and Irish and UK archival materials he suggests that the IRA was not forced into peace by British intelligence His work sheds new light on key questions in intelligence and security studies How does British intelligence operate against paramilitaries Is it effective When should governments talk to terrorists And does regional variation explain the outcome of intelligence conflicts This is a major contribution to the history of the conflict and of why peace emerged in Northern Ireland The IRA on Film and Television Mark Connelly,2014-01-10 The Irish Republican Army IRA has for decades pursued the goal of unifying its homeland into a single sovereign nation ending British rule in Northern Ireland Over the years the IRA has been dramatized in motion pictures directed by John Ford The Informer Carol Reed Odd Man Out David Lean Ryan s Daughter Neil Jordan Michael Collins and many others Such international film stars as Liam Neeson James Cagney Richard Gere James Mason and Anthony Hopkins have portrayed IRA members alternately as heroic patriots psychotic terrorists and tormented rebels This work analyzes celluloid depictions of the IRA from the 1916 Easter Rising to the peace process of the 1990s Topics include America s role in creating both the IRA and its cinematic image the organization s brief association with the Nazis and critical reception of IRA films in Ireland Britain and the United States **The IRA, 1968-2000** J. Bowyer Bell,2013-04-03 Based on thousands of interviews over 35 years with the leaders and members of the Republican movement and the IRA itself as well as the Irish British and Americans involved in the Troubles the focus of this study is on the workings of an organization involved in armed struggle

Decoding The IRA Tom Mahon,2030-01-01 Historian Thomas Mahon With the aid of a former FBI code breaker Jim Gillogly has spent the past few years breaking the IRA s secret communications code used to pass messages back and forth between Ireland and America from the 1920s until the 1960s the results are explosive From discussions about mundane matters to considerations of deals with the USSR and China the IRA letters delve into just about every matter conceivable for a terrorist organisation Some of the ideas are harebrained or cracked but some like the proposal to source gas for use in Ireland are dangerous and unnerving With the eye of a historian and the tools of a professional code breaker Thomas and Jim have together created a wonderful and engrossing read **Defying the IRA?** Brian Hughes,2016-10-18 This book explores the community experience of the Irish Revolution **The IRA and Armed Struggle** Rogelio Alonso,2007-03-12 The IRA is one of the oldest terrorist organizations in the world and conducted a ferociously violent campaign for almost thirty years Now deeply enmeshed in the Northern Ireland peace process Rogelio Alonso asks why one of the bloodiest terrorist movements of our time decide to swap weapons for the ballot box Based on over seventy interviews conducted with former and existing members of the IRA Alonso also provides a rigorous evaluation of the personal and political consequences of the

IRA's campaign of violence The analysis of these interviews radically challenges the dominant academic analysis of Irish terrorism This book includes a strong criticism of the armed struggle constructed around the discourse of those who waged it and answers the question faced by many armed revolutionary movements Was the war worth it Translated from the critically acclaimed *Matar por Irlanda* and available in English for the first time this is a provocative and new approach to understanding the IRA It is essential reading for readers and researchers with an interest in Irish politics and history terrorism and political violence

The IRA in Britain, 1919-1923 Gerard Noonan, 2014 A study of the activities of violent republicans in Britain during the Irish War of Independence and Civil War 1919-1923 including gunrunning and their campaign of violence as well as the reaction of the authorities

O'Brien Pocket History of the IRA Brendan O'Brien, 2014-09-01 An accessible clearly written account of the IRA from its beginnings to today It covers the origins and history of the organisation its aims the political and military thinking which has driven its activities and the major personalities who have shaped the direction of the movement down through the years The relationship with the Irish and British governments is examined as well as the effects of the major bombing campaigns and the 1981 hunger strikes It also explains the radical shift in thinking which led to the IRA seeking a political way towards the goal of Irish unity rather than pursuing the entrenched *Brits Out* policy at the point of a gun The background to the IRA ceasefire and the many factors which contributed to its ending are looked at as well as the prospects for a lasting peace in one of the world's most troubled arenas This is intended as an easy to read overview of the IRA and the Northern situation accessible to both the tourist and the interested general reader

Sinn Féin and the IRA Matthew Whiting, 2017-11-22 Matthew Whiting explores Irish republicanism's transformation from violence to political power He examines their electoral participation and engagement in democratic bargaining the role of Irish America and British government policy to argue that moderation was a long term process of concessions in return for increased political inclusion

The I.R.A. at War 1916-1923 Peter Hart, 2003-11-20 Between 1916 and 1923 Ireland experienced rebellion and mass mobilization guerrilla and civil war partition and ethnic conflict and the transfer of power from British to Irish governments The essays in *The I.R.A. at War* propose a new history of this Irish revolution one that encompasses the whole of the island as well as Britain all of the violence and its consequences and the entire period from the Easter Rising to the end of the Civil War When did the revolution start and when did it end Why was it so violent and why were some areas so much worse than others Why did the I.R.A. mount a terror campaign in England and Scotland but refuse to assassinate British politicians Where did it get its guns Was it democratic What kind of people became guerrillas What kind of people did they kill Were Protestants ethnically cleansed from southern Ireland Did a pogrom take place against Belfast Catholics These and other questions are addressed using extensive new data on those involved and their actions including the first complete figures for victims of the revolution These events have never been numbered among the world's great revolutions but in fact Irish republicans were global pioneers Long before Mao or Tito

Sinn Féin and the Irish Republican Army were the first to use a popular political front to build a parallel underground state coupled with sophisticated guerrilla and international propaganda and fund raising campaigns Ireland's is also perhaps the best documented revolution in modern history so that almost any question can be answered from who joined the IRA to who ordered the assassination of Sir Henry Wilson The intimacy and precision with which we are able to reconstruct and analyse what happened make this a key site for understanding not just Irish but world history

The IRA Bombing Campaign Against Britain, 1939-1940 Joseph McKenna, 2016-02-19 This detailed account of the Irish Republican Army's bombing campaign against Britain during 1939-1940 describes how initial attacks on economic targets turned into a series of terror bombings causing the deaths of seven innocent people Though two IRA members were hanged the real men responsible named here escaped The author covers the political situation in Ireland prior to the attacks the recruiting and training of the bombers the bombing campaign and the trial of two men for the murder of five people in Coventry

The I.R.A. and Its Enemies Peter Hart, 1999-11-18 What is it like to be in the IRA or at their mercy This study explores the lives and deaths of the enemies and victims of the County Cork IRA between 1916 and 1923

With the IRA in the Fight for Freedom: 1919 to the Truce Gabriel Doherty, 2030-01-01 With the IRA in the Fight for Freedom offers eyewitness and first hand accounts of Ireland's struggle for independence in various parts of the country It presents a representative picture of the fight by the IRA for independence and of the reign of terror endured by the civilian population Only idealism and courage on the part of the freedom fighters and the steadfast support of the Irish people could have carried such an unequal struggle through to the end With barracks attacks ambushes and shootings it brings to life a conflict that is fading from the collective memory of county and country and offers a fascinating perspective on the struggle for independence directly from the men who took part in the actions themselves

IRA, The Bombs and the Bullets A. R. Oppenheimer, 2008-10-16 In this groundbreaking title A R Oppenheimer tells how the Irish Republican Army became the most adept and experienced insurgency group the world has ever seen through their bombing expertise and how after generations of conflict it all came to an end The book is a comprehensive account of more than 150 years of Irish republican strategic tactical and operational details and an analysis of the IRA's mission doctrine targeting and acquisition of weapons and explosives As a leading expert on non conventional weapons and explosives Oppenheimer vividly presents the story behind the bombs those who built and deployed them those who had to deal with and dismantle them and those who suffered or died from them He analyses where how and why the IRA's 19 000 bombs were built targeted and deployed and explores what the IRA was hoping to accomplish in its unrivaled campaign of violence and insurgency through covert acquisition training intelligence and counter intelligence Beginning with the Fenian Dynamiters in the second half of the nineteenth century Oppenheimer fully describes and assesses the impact of the pre 1970s bombing campaigns in Northern Ireland and England and the evolution of strategies and tactics during the Troubles He concludes with the decommissioning of an arsenal big enough to arm several battalions which

included an entire home crafted missile system an unsurpassed range of improvised explosive devices IEDs and enough explosives to blow up several urban centres The author scrutinises the level of deadly improvisation that became the hallmark of the Provisional IRA s expertise and the ingenuity in its pioneering IED timing delay and disguise technologies and follows the arms race it carried on with the British Army and security services in a long war of mutual assured disruption He also provides an insight into the bombing equipment and guns in the vast IRA inventory held at Irish Police HQ in Dublin

Individual Retirement Accounts (IRA's) in the Retirement System United States. Congress. House. Committee on Ways and Means. Subcommittee on Select Revenue Measures,2009
