## Sketches Of The Covenant:

The Soul of The Soldier: Sketches From The Western Battle-Front Thomas Tiplady, 2021-01-01 The sketches in this book and in my previous one *The Cross at the Front* are attempts to show the soul of the soldier serving in France as I have seen it during the year and a half that I have been with him It is a padre's privilege and duty to be the voice with which in public worship the soldiers speak to God and through which their last thoughts are borne to their friends at home He is their voice both when they are sick or wounded and when they lie silent in the grave He speaks of their hopes and fears hardships and heroisms laughter and tears As best he may he tries to tell to those who have a right and a longing to know how they thought and how they bore themselves in the great day of trial when all risked their lives and many laid them down Preface **The Tent and the Altar: Or, Sketches from Patriarchal Life** John CUMMING (D.D., Minister of the Scottish National Church, Crown Court.), 1854 *Sketches of the Covenanters* J. Lundbom, 2015-03-19 Millions of people recognize the religious painting known as *Head of Christ* of which an estimated five hundred million prints have been sold Very few however know the artist Warner E Sallmann Sallmann's lack of notoriety in professional art circles can be explained by the fact that he made little or no attempt to put himself forward as a Chicago or even a Swedish American artist He had no exhibitions of his works and his public life consisted largely of appearances before church and community groups to do chalk drawings More important was his attitude regarding personal fame Sallmann let the Christ he painted be in the foreground while the artist remained in the background The time has come argues Jack Lundbom for a broader public to know the man who stands behind the painting and the other artwork bearing the Sallmann signature Master

Painter is a fascinating story of a gifted man with humble beginnings who overcame disappointment ill health and personal limitations in order to live out a vision that his art serve not only for the enjoyment of humankind but the practical end of instructing persons in the ways of God Readers who know the art can now know the artist It is a story eminently worth telling and one a broad public will be interested to know      *Sermons ... With a brief biographical sketch by Rev. G. Foot* Joseph I. FOOT,1841      **Nuns and Reform Art in Early Modern Venice** Benjamin Paul,2017-07-05 Decorated by Giovanni Buonconsiglio Jacopo Tintoretto Palma il Giovane Sebastiano Ricci and Giambattista Tiepolo the church of the former Benedictine female monastery Santi Cosma e Damiano occupies an outstanding position in Venice The author of this study argues that from its foundation in 1481 to its dissolution in 1805 Santi Cosma e Damiano was a reform convent and that its nuns employed art and architecture as a means to actively express their specific religious concerns While on the one hand focusing on the basis of extensive archival research on the reconstruction of the history and construction of the convent this study s larger concern is with the religious reform movement its ideas concerning art and architecture and with the convent as a space for female self realization in early modern Venice      **Sermons ... [Edited] with a biographical sketch of the Author, containing extracts from his papers. By S. A.
