Skewed Throne:

The Skewed Throne Joshua Palmatier, 2006-11-07 Amenkor city of legend at its height Amenkor was a center of wealth and culture But a millennium ago the city was caught in the White Fire a force that swept across the land spreading madness drought famine and disease in its wake Now the Dredge the bustling market street that snaked between the slums and the prosperous center of the city marked the dividing line between plenty and poverty safety and peril Left a homeless orphan as a very young child Varis learned to survive in the Dredge And when the White Fire blasted through Amenkor for the second time Varis along with the entire city was trapped in the overwhelming blaze of power Though the current Mistress continued to reign from the Skewed Throne Amenkor's decline escalated after the second Fire For Varis though the chance to escape her hopeless existence unexpectedly presented itself when a guardsman of the Skewed Throne named Erick one of the elite assassins known as Seekers enlisted her to work for him Because she had a gift for seeing the true nature of people Varis soon realized something was wrong that some of those marked for death were not guilty But how could the Mistress be mistaken Trust in the all knowing all seeing justice and wisdom of their ruler was the foundation of Amenkor's society Then one fateful day Varis claimed a life that took her beyond the law Suddenly there was nowhere safe for her in the Dredge There was only one place left to flee to into the heart of Amenkor itself

The Skewed Throne Joshua Palmatier, 2006 Five years ago the fire came and the city of Amenkor has been spiraling into ruin ever since Its only hope rests in the hands of a young girl Varis who has taught herself the art of survival and has been trained in the ways of the assassin Original Released simultaneously with The Cracked Throne in hardcover

The Vacant Throne Joshua Palmatier, 2025-09-01 The Skewed Throne has been destroyed sacrificed in order to stop invaders from the sea a desperate people called the Chorl driven from their islands and in search of a new home But the threat of the Chorl has not ended They have retreated and disappeared With the cracking of the Skewed Throne their attention has turned elsewhere and Varis does not know why or where Reeling from the attack the city of Amenkor in ruins she has little time to ponder it Until she begins to experience some of the same visions and powers she had while attached to the Skewed Throne But that is impossible The Skewed Throne is dead She senses nothing when she touches it And yet When an envoy from the city of Venitte arrives Varis finds herself thrust into the politics of the entire coast This erstwhile ally comes with dire news The Chorl are on the march up the coast Their target Venitte No one in Venitte understands why but they need Amenkor's help Varis has faced the Chorl before and survived And she now understands what is driving them to Venitte in the first place There is a second throne And the Chorl will stop at nothing to get it

Skewed Throne Joshua Palmatier, 2006

The Cracked Throne Joshua Palmatier, 2025-09-01 When the White Fire passed through the city of Amenkor for the second time in a thousand years it brought madness drought famine and destruction In order to stop it Varis a young girl from the slums of the city trained to be an assassin was forced to seize control of the Skewed Throne from the previous Mistress and become the new ruler of the city But Varis knows nothing about

politics or power She only knows how to survive But as she grapples with the reins of leadership and retaining control of the Skewed Throne helped by the Seeker Erick her advisor Arrend the merchant Borund and the previous Mistress Eryn a new threat arises Something dreadful is coming Something from the sea Something that will challenge Varis understanding of the powers of the throne and her hold on the city Because this force knows of the throne knows that Amenkor is vulnerable and it is driven by complete and utter desperation There is no turning back It must have the Skewed Throne And it will destroy everything and everyone in Amenkor to get it *The Throne of Amenkor* Joshua Palmatier,2017-11-14 The Throne of Amenkor Trilogy omnibus brings together The Skewed Throne The Cracked Throne and The Vacant Throne for the first time One young girl holds the fate of a city in her hands If she fails it spells her doom and the end of her world Twice in the history of the city of Amenkor the White Fire had swept over the land Over a thousand years ago it came from the east covering the entire city touching everyone leaving them unburned but bringing madness in its wake a madness that only ended with the death of the ruling Mistress of the city Five years ago the Fire came again and Amenkor has been spiraling into ruin ever since The city s only hope rests in the hands of a young girl Varis who has taught herself the art of survival and has been trained in the ways of the assassin Venturing deep into the heart of Amenkor Varis will face her harshest challenges and greatest opportunities And it is here that she will either find her destiny or meet her doom **Breath of Heaven** Joshua Palmatier,2016-06-30 The Autumn Tree has fallen the protection it provided the human dwarren and Alvritshai races destroyed Now the Wraith army is marching to war laying siege to the human Provinces and harassing the dwarren clans on the plains Colin has dealt Walter a significant blow but he has failed to halt the activation of the Source the one Well that controls all of the others and he has sustained a grievous wound in the process As the Wraith armies wreak havoc across Wrath Suvane Colin realizes there is only one way to stop them He must return to the Source and give himself completely to the Lifeblood a taint he has fought since he first drank from the Well lifetimes ago Only then will he be able to stop Walter and the Wraiths from destroying Wrath Suvane All it will require is the sacrifice of his humanity *Watching Game of Thrones* Martin Barker,Clarissa Smith,Feona Attwood,2021-03-23 Game of Thrones was an international sensation and has been looked at from many different angles But to date there has been little research into its audiences who they were how they engaged with and responded to it This book presents the findings of a major international research project that garnered more than 10 000 responses to an innovative qualitative questionnaire Among its findings are a new way of understanding the place and role of favourite characters in audiences responses new insights into the role of fantasy in encouraging thinking about our own world and an account of two combined emotions relish and anguish which structure audiences reactions to controversial elements in the series **Threading the Needle** Joshua Palmatier,2024-01-01 ENTER A WORLD POWERED BY LEY LINES Having survived the Apocalyptic Shattering of the Nexus the hub created to harness the magical power of the ley lines Wielder Kara Tremain and ex Dog Allan Garrett have led their small group of refugees to the

Hollow a safe haven in the hills on the edge of the plains But the ley system is not healing itself Their only option is to repair the distortion that engulfs the city of Erenthrall and fix the damaged ley lines themselves To do that they ll have to enter streets controlled by vicious bands of humans and non humans alike intent on keeping what little they ve managed to scavenge together from what s left of the city And nothing in the city they once knew remains as it was Everything has changed All except one thing the radical group of terrorists that many believe caused the Shattering in the first place The Kormanley

Shattering the Ley Joshua Palmatier,2024-01-01 ENTER A WORLD POWERED BY LEY LINES Erenthrall sprawling city of light and magic whose streets are packed with traders from a dozen lands and whose buildings and towers are grown and shaped in the space of a day At the heart of the city is the Nexus the hub of the ley line system that powers Erenthrall and links the city and the Baronial plains to the rest of the world The Prime Wielders control the Nexus with secrecy and lies but it is the Baron who controls the Wielders and the rest of the Baronies through brutal intimidation enforced by his bloodthirsty Dogs and unnatural Hounds When the rebel Kormanley seek to destroy the ley system two people find themselves caught up in the ensuing chaos that threatens the fabric of reality itself Kara Tremain a young Wielder coming into her power who discovers the forbidden truth behind the magic that powers the ley lines and Allan Garrett a recruit in the Baron s guard who learns that the city holds more mysteries and more danger than he could possibly have imagined

After Hours Joshua Palmatier,Patricia Bray,2011-03-01 Science fiction and fantasy readers have long shown an affinity for a good bar story Now some of today s most inventive scriveners have decided to tell their own tall tales from an alewife s attempt to transfer the gods curse to Gilgamesh to Odin s decision to introduce Vikings to the Ur Bar from the Holy Roman Emperor s barroom bargain to a demon hunter who may just have met his match in the ultimate magic bar to a bouncer who discovers you should never let anyone in after hours in a world terrorized by zombies

Crystal Rebel Joshua Palmatier,2024-08-01 Awesome Power Comes With Deadly Repercussions Devon Alamort Lane Illea and Dalton Trent have been forced to flee the massive city of Iandolo for the barren and deadly Flatlands After the battle on the Lyceum grounds that ended the Brovettan coup everyone with any power within the city wants to use them and the raw magic they revealed with the collapse of the

Warding The Mage Proctors want to know of the structure behind the magic Devon discovered while studying as a mathematics student at the college The Iandolan Council members want to contain Lane and Dalton because their power over the Crystal Cities relies on their control of the mages themselves Even Carbolon the leader of the consolidated gangs within the Lower City wants to wield the magic they exposed to break the Council and free the city But Devon and Lane want nothing to do with any of it They had to escape or be subjugated or worse Unfortunately the Council has declared war on Brovetto Not just the insurgent city but anyone who bears any ties to it as well Brovettans within Iandolo are being targeted for vicious brutal and sometimes fatal attacks Tensions between the two cities and their citizens escalate and in response the Council begins to round up all Brovettans in Iandolo and places them into protective quarantine zones throughout the city The persecution and violence is intolerable and is only growing Devon and Lane cannot simply stand by and do nothing But if they intervene they are exposing themselves and risking the secrets about the magic that they carry And those secrets could destroy the Crystal Cities themselves

Reaping the Aurora Joshua Palmatier,2024-01-01 ENTER A WORLD POWERED BY LEY LINES Wielder Kara Tremain and former Dog Allan Garrett have seized control of the new Nexus created at the distant temple known as the Needle the stronghold of the White Cloaks Kara intends to use the Needle s Nexus to heal the major distortions that threaten to shake their entire world apart But the Needle is no safe haven Father Dalton s followers have begun to rebel starting riots and creating unrest The tensions escalate beyond control when Father Dalton declares he s had a vision in which the Needle is attacked from the north by dogs and from the south by snakes a vision that ends with the quickening of the distortions called the Three Sisters to the north and the annihilation of reality itself

The Cracked Throne Joshua Palmatier,2007-11-06 When the mysterious White Fire sweeps through Amenkor for the second time in a millennium Eryn Mistress of the Skewed Throne is submerged in a world of madness and Varis an assassin is forced to take over the throne and save the people of Amenkor Reprint

Elisha Rex E.C. Ambrose,2015-07-07 Elijah is no longer the barber surgeon he once was but instead involved with the magical world After faking his public execution for the murder of the former king he becomes an unintentional martyr to the peasants of London As his legend grows a new threat is on the horizon and he must struggle with his own powers as well as those of his enemies

Crystal Lattice Joshua Palmatier,2024-04-01 The Most Powerful Magician in the World Can t Do Magic Devon Alamort has failed his mathematics challenge for the School of Science at the Lyceum twice already He now has one last chance to pass so that he can escape his life of crime as a gang member in the lower levels of the Crystal City of Iandolo a life his mentor saved him from after a job for his gang leader went sour and landed him in prison Except he s fresh out of new ideas In desperation he turns to his newest and possibly only friend Lane Illea is a mage student who can t seem to master the most basic sigil forms needed to create magic no matter how hard she tries Daughter of one of the Councilors that rule Iandolo she s not used to failure But when Devon approaches her with a strange new way to view the magical system she s struggling with she discovers that it s

not her ability that's been blocking her but something someone else entirely As a War student at the Lyceum Dalton Trent has wanted nothing more than to graduate and become part of the Iandolan army where he will work to protect the mages who keep Iandolo in power He has only a few more months left before his dreams will come true But then he meets Devon and suddenly the world isn't as simple concrete and stable anymore Because the Crystal Cities aren't all color and glamour and shimmer The crystal has cracked the glow dimmed And when it finally shatters all three will be caught up in the shards of destruction that follow a deadly insurrection that could bring the entire delicate balance of the Crystal Cities to a crashing end Magic The politics of war A small band of Heroes This year's best Epic Fantasy A magic school a magic war and betrayal This book is a nail biting page turner A splendid book you simply MUST read Faith Hunter New York Times Bestselling Author of the Jane Yellowrock series Crystal Lattice is the electrifying opening to a new epic fantasy series set in a world of forgotten science dying light and the math based magic that could save them all Jean Marie Ward I'm a sucker for a smart cynical good hearted underdog Throw in a fascinating magical world and six layers of conspiracies uprisings and good old fashioned mage battles and I was hooked When does book two come out Jim C Hines In a world that's an inventive blend of SF and fantasy characters we will readily relate to face intriguing potentially deadly challenges Fast paced fluent and fascinating Juliet E McKenna Oracle Michelle West,2016-05-03 When the three ancient Princes of the firstborn begin to stir beneath the capital of the Essalieyan Empire Jewel Markess of House Terafin must journey to face the Oracle in order to save the city but the demons seek to stop her *Crystal War* Joshua Palmatier,2025-06-01 Rebellion Brings With It Daunting Responsibility Devon Alamort Lane Illea and Dalton Trent have escaped the city of Iandolo hoping to find refuge in Brovetto with the Iandolan army on their heels When they arrive they find the city controlled by Prefect Raias Burdock who attempts to arrest the entire group of refugees at the gate But after being captured and imprisoned in Iandolo with Lane sent to be executed and Devon tortured for the knowledge he possesses about how the magic within the Crystal Cities works the two are willing to die rather than be retaken Realizing that Lane could destroy him even with his own Iandolan mages on hand Burdock agrees to a stalemate allowing Lane and the refugees into the city unmolested but taking her parents Dalton and others as hostage Devon knows what the Iandolans are capable of when it comes to the treatment of their prisoners and Lane has no intention of leaving her mother in Burdock's hands for long Both of them know it's only a matter of time before Councilor Havvelan Proctor Favian and Prefect Arctus lead the Iandolan army down the wayfare to attack Brovetto After the riots incited in Iandolo those from Iridesque plan to wipe the rebellious city and all of its people out no matter the cost Lane Devon and the citizens of Luminesque have only a short time to prepare But Brovetto is a shell a mining city depleted of its resources by the voracious Council Only three of its levels have running water one entire section is a burned out husk and almost none of its lucent works Lane and Devon face an impossible task Defend a city already half deserted with a handful of untrained mages and ordinary citizens as an army *Close Encounters of the Urban Kind* Jennifer Brozek,2010-04 We've all

heard the stories of what happens to those who go to lovers lane and of the folly of flashing your lights at another car at night We all know someone who knows someone that survived a meeting with Bloody Mary and another who picked up a hitchhiker that then disappeared And we all know these stories aren't true They're just urban legends Right Wrong Sometimes the stories we hear are true Often they're more than they seem These are the urban legends with alien explanations and the alien encounters mistaken for urban legends The line between one and the other is so blurred in this anthology of stories about Close Encounters of the Urban Kind that you will never look at another urban legend the same way again Featuring stories by Alma Alexander Nathan Crowder Carole Johnstone Pete Kempshall Jennifer Pelland Erik Scott de Bie Bev Vincent and many others
