The Gospel Truth: How We Can Know What Christ Taught Gary Michuta,2023-03-17 Hundreds of books have been written to vindicate the Gospels by noting that they were written closer to the events they record than any other ancient history But how do we know that they accurately recorded what Jesus said and did How do we know they didn t fabricate their contents That Jesus really did work the miracles reported in the Gospels Most important of all how do we know what is the authentic interpretation of his words and deeds Christian apologists have largely neglected to answer these

significant questions because they have focused instead on vindicating the Gospels apart from the community that wrote them The Gospel Truth fills in this gap by demonstrating that a concerted and sophisticated effort was made to ensure that what Jesus taught and did was accurately retained recorded verified and passed on to future believers It also shows how we can know whether our copies of Scripture reflect the original whether the books in our Bible really belong there and ways to know how to correctly understand them

Minutes Matter K.R. Mele, 2018-09-14 James asks a pointed question in his brief book in the Bible when he simply says What is your life He then answers his own question by stating It is even a vapor that appears for a little time and then vanishes away Psalm 90 reminds us that the days of our lives are seventy years And if by reason of strength they are eighty years That s somewhere between 36 792 000 and 42 048 000 minutes both very large numbers The question for us then becomes what are we doing with our minutes Are we making them matter in ways that count Are we spending them in ways that will lay up treasure in heaven or here on earth where moth and rust will destroy Minutes Matter Making Every Beat Count will challenge you to live your days in a way that will glorify God and make a difference well beyond your years here on earth
