book shows humour remained intact Once in Archangel his insight into the hardships faced by the Russian population is revealing For the surviving sailors there remained the awesome challenge of the return journey without any escort Unlike so many the Author finally reached Britain in December 1942 Arctic Warriors is a rare and graphic personal account that captures the atmosphere of this infamously costly convoy and others like it If any doubts remain of the terrible conditions and dangers that merchant seamen faced in the hostile waters of the North Atlantic and Barents Sea this superb record published in the Year of the Convoy will surely put them to rest *DIE GLOCKE: The Bell* , **The New Century Dictionary of the English Language** Hulbert G.
