

A horror movie poster for 'Sleepaway Camp'. The background is dark and moody. At the top, a large, screaming girl's face looms on the left, while a woman's face is on the right, looking upwards with a pained expression. In the center, a young girl in a white t-shirt and red shorts runs towards the viewer, holding a knife. To her left, a boy in a white t-shirt points his finger. Below them, a group of children are running away from a large, bloody hand that is reaching up from the bottom. In the bottom right corner, a severed head with a bloody wound on the forehead lies on the ground. The title 'SLEEPAWAY CAMP' is written in a red, dripping, horror-style font in the upper center. At the bottom, there is a tagline in white text.

Dead Funny David Gillota,2023-07-14 Horror films strive to make audiences scream but they also garner plenty of laughs In fact there is a long tradition of horror directors who are fluent in humor from James Whale to John Landis to Jordan Peele So how might horror and humor overlap more than we would expect Dead Funny locates humor as a key element in the American horror film one that is not merely used for extraneous comic relief moments but often serves to underscore major themes intensify suspense and disorient viewers Each chapter focuses on a different comic style or device from the use of funny monsters and scary clowns in movies like A Nightmare on Elm Street to the physical humor and slapstick in movies ranging from The Evil Dead to Final Destination Along the way humor scholar David Gillota explores how horror films employ parody satire and camp to comment on gender sexuality and racial politics Covering everything from the grotesque body in Freaks to the comedy of awkwardness in Midsommar this book shows how integral humor has been to the development of the American horror film over the past century
