sleepy Oregon coastal town of Sea Park during winter Until Pearl Harbor that is when it springs to patriotic life But is Ruby Opal Pearl a k a Jewels Stokes the only person to see what s really happening here Tommy Kasamoto the one person in her life who has provided security shelter and a smidgeon of respect and who owns the biggest resort on the coast is now the cause of the town s rage Tommy s Japanese ancestry makes him the prime target of an angry mob not to mention he s also rich has a shady past and everyone in town owes him money As the town s patriotism blossoms into paranoia and turns violent Jewels has to do something to protect Tommy from internment or worse even if that something is going up against the town and the government not to mention the FBI Thus begins a fourteen year old girl s war within a war Randall Platt s Incommunicado is both timely and timeless It s about the meaning of courage and the willingness to stand up for what s right even when it goes against the prevailing attitudes of the time and place It s also about the insidious way groups and communities can nurture ignorance and prejudice But most of all it s an adventure story set in a town full of unforgettable characters during a time of great intrigue and peril no matter which enemy or on what front you fight Sky Pony Press with our Good Books Racehorse and Arcade imprints is proud to publish a broad range of books for young readers picture books for small children chapter books books for middle grade readers and novels for young adults Our list includes bestsellers for children who love to play Minecraft stories told with LEGO bricks books that teach lessons about tolerance patience and the environment and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
