Sleeping Dogs S. A. Baker, 2024-10-22 In the heart of Winterbourne where the whispers of the past echo through the streets a chilling discovery awaits Danny and his loyal dog Jack stumble upon a grim secret hidden within the tall grass of Millar's field The body of a young boy Billy Anglin lies there a silent witness to a horror that has haunted the town for decades Danny a ward of the foster system knows all too well the harshness of the world Yet in the midst of his own struggles he finds himself at the centre of a mystery that defies comprehension With each passing decade a child is taken their life snuffed out by a force that remains elusive The townsfolk whisper of a creature something hungry that stalks the night leaving a trail of terror in its wake Detective Floyd Guthrie an adult friend to Danny is a beacon of hope in the boy's tumultuous life Guthrie is a reluctant mentor drawn into the darkness that surrounds Danny Together they navigate the treacherous waters of Winterbourne where the line between predator and prey blurs As the investigation deepens the bond between Danny and Guthrie strengthens a fragile alliance against the encroaching shadows But the truth is a slippery thing and as they delve into the murky history of the town they uncover a ritual as old as Winterbourne itself A ritual that demands the blood of the innocent a sacrifice to a hunger that can never be sated Sleeping Dogs is a tale of loss resilience and the unyielding quest for justice It is a story of a boy and his dog a detective and his duty and a community haunted by a past that refuses to stay buried In the end will Danny and Guthrie find the strength to confront the darkness or will they become its next victims
