only essays but also book reviews and bibliographic studies many published here for the first time This first volume includes key extracts from Morgan s contribution to the WPA guide to Utah 1941 which remains an excellent introduction to the complex history of the Beehive State It further provides a new historiographic introduction to his seminal work *The State of Deseret* and presents important previously unpublished works on the Kingdom of God the Deseret Alphabet and the origins of the infamous Danite society In addition the volume illuminates Morgan s legacy as a bibliographer and the significance of that contribution to Latter Day Saint studies Throughout Saunders provides informative introductions that place each of the writings or groups of writings into biographical and historical context *Subterranean Kerouac* Ellis Amburn,1999-11-29 Drawing upon original interviews and his own relationship with Kerouac Ellis Amburn reveals an inner man who has not appeared in any previous biography a man torn by his conflicting desires and beliefs *Subterranean Kerouac* has been singled out as one of the most significant biographies to appear in years and it shows how Kerouac struggled throughout his life with poverty alcoholism and his doubts about his own lifestyle of substance abuse indolence and promiscuity *The Academy and Literature* ,1879 **Encounters with American Culture** Peter Prescott,2018-01-18 This collection of essays discusses some of the important books authors and literary trends of a volatile era in American and world literature whose cultural repercussions are still being felt Peter S Prescott was one of the most penetrating knowledgeable and sensitive critics to write for a general audience in the tradition of Edmund Wilson Readers will discover not only Prescott s acute and subtle comments on the enduring and or representative books of the time but also his humor and style his way with an anecdote or aphorism his talent for parody and his ability to laugh at himself as well as at the authors he sometimes skewers Prescott s writing has an immediacy and vivacity that suggests what it was like to read new books during his time Here is one critic s view ironic and complex of good books by famous writers like Norman Mailer Jorge Luis Borges Joyce Carol Oates Aleksandr Solzhenitsyn and Vladimir Nabokov as well as of good books by little known writers and others who would later achieve reknown Here too is some astringent criticism of distinguished and popular authors who have fallen into self indulgence Prescott writes about the New Journalism in its early days and about fragmentary autobiography as a literary form genres whose importance he was among the first to recognize His essays also touch on theater film food and politics The criticism in this volume are examples of the literary essay in its truest sense an attempt to explore in however brief space allowed what the author sees around him and connections between books and other aspects of the way people live Always personal and urbane these essays are often hilarious generally moving and exemplify the essay as an art form **Academy, with which are Incorporated Literature and the English Review** ,1878 **Encyclopedia of Post-Colonial Literatures in English** Eugene Benson,2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial
