Sliver In Time Olsen:

Studio John McDonald, 2007 Studio presents an extraordinary anthology of visual and verbal insights into the way paintings are made and the complex blend of motivation and inspiration that sustains the painter in his or her solitary search for meaning *Bulletin*, 1983 [Home on the Ranch: Honorable Texas Cowboy](#) Ali Olson, 2019-07-02 This cowboy is double trouble Rancher Diego McNeal thought his crush on beautiful fiery Kate Andrews was under control Not only does she work on his family's ranch she's also engaged to his identical twin brother Off limits But when a case of mistaken identity leads to a breathtaking kiss Diego knows he just crossed the line Kate knows that Diego will always protect his twin But after The Kiss it's clear that Diego is the only guy she could imagine spending her life with Now she must decide if she has the courage to follow her heart Because being with Diego won't just break his cowboy's code of honor it could tear the close knit McNeal family apart **Splinter** Susan O'Dell Underwood, 2023-06-20 On a collective level the human diaspora is incalculable Our leaving and resettling are as ancient as we are whether immigrant refugee exile or pioneer In Splinter Susan O'Dell

Underwood's poems trace the unique experiences of the Appalachian diaspora Splinter suggests the deep ambivalence in the breaking away a sundering which can never be mended These poems test the emotional spectrum weighing the joyful possibilities and sorrows of leaving against the obligation of those who stay home grateful yet bereft in an altered place

Olson, 1964 [Silver Rogue](#) Ebony Olson, 2020-05-22 Meeting your soul mate doesn't mean love at first sight Anique has spent the last seven years rebuilding

her life after leaving her birth pack Of all the concerns she had about attending her sister s wedding meeting her true mate was not one of them This is the last thing she wanted and she s determined not to let it happen but the Goddess has other ideas Knox is the alpha of the Vallemorgans His life is orderly and controlled Then he receives the Moon s blessing Knox thought being mated to a headstrong pampered alphas progeny was going to be hell but its nothing to finding out the Goddess has chosen a fiercely independent rogue to be his mate Just when he starts to like her Anique s secrets are exposed ruined by her own pack rogue and living a human existence could this girl be any more wrong for him The Goddess mated them but that doesn t mean love at first sight and it sure as hell doesn t mean smooth sailing and a happy ever after

Canyon of the Dead Andrew McBride,2017-04-01 Calvin Taylor had learned the tricks of his trade scouting against the Apaches Now the Indian Wars were almost over he was using those same deadly skills to hunt down lawbreakers of all races Taylor believed there was an organisation behind the stock thieving sweeping Arizona In the grim Canyon of the Dead he located the robbers roost and the outlaw leader But trapped as he was in a web of treachery violence and intrigue pursued by a crazed Apache renegade his next problem was how to get out of the canyon alive and avoid the shadow of the hangman s noose

The Jewelers' Circular ,1924 **Fast Times in Palestine** Pamela j. Olson,2013-03-12 For much of her life like many Westerners most of what Pamela Olson knew of the Middle East was informed by headlines and stereotypes But when she traveled to Palestine in 2003 she found herself thrown with dizzying speed into the realities of Palestinian life Fast Times in Palestine is Olson s powerful deeply moving account of life in Palestine both the daily events that are universal to us all house parties concerts barbecues and weddings as well as the violence trauma and political tensions that are particular to the country From idyllic olive groves to Palestinian beer gardens from Passover in Tel Aviv to Ramadan in a Hamas village readers will find Olson s narrative both suspenseful and discerning Her irresistible story offers a multi faceted understanding of the Palestinian perspective on the Israel Palestine conflict filling a gap in the West s understanding of the difficult relationship between the two nations At turns funny shocking and galvanizing Fast Times in Palestine is a gripping narrative that challenges our ways of thinking not only about the Middle East but about human nature cultural identity and our place in the world

Years of Rainforest Exploitation on the Bird's Head of Papua, Indonesia Juliette M. Pasveer,2004-07-01 Two prehistoric cave sites on the Bird s Head of western New Guinea provide a detailed narrative of 26 000 years of human occupation of this area During Late Pleistocene times lower temperatures allowed a suite of montane animal species to descend onto the lowland Ayamaru Plateau When the montane fauna receded during the subsequent climatic amelioration people switched their hunting focus to a forest wallaby known locally as Djief Detailed analysis of this species remains including the reconstruction of their age profile provides insights into why prolonged hunting of this species did not lead to its extinction The wallaby population evidently thrived at its demographic maximum throughout the early and mid Holocene suggesting that human population densities and therefore hunting pressure were low until c 5000 BP This volume of Modern Quaternary Research in Southeast Asia offers a unique perspective on sustainable hunting in prehistory and provides intriguing insights into hunter gatherer subsistence tool manufacturing and use the changing intensity of occupation of the sites and environmental exploitation from Late Pleistocene times onwards in a lowland tropical region It forms an important contribution to the current debate on the possibilities of human occupation of tropical rainforest before the advent of agriculture *The Algorithm of Deceit: A Silicon Valley Thriller* Victoria Giles, *Singing Wilderness* Sigurd F.

Olson,2012-05-30 To do with the calling of loons with northern lights and the great silences of land lying northwest of Lake Superior It is concerned with the simple joys the timelessness and perspective found in a way of life which is close to the past I have heard the singing in many places but I seem to hear it best in the wilderness lake country of the Quetico Superior where travel is still by pack and canoe over the ancient trails of the Indians and voyageurs Thus the author sets the theme and tone of this enthralling book of discovery about one of the few great primitive areas in our country which have withstood the pressures of civilization Acute natural perceptivity and a profound knowledge of the relationships to be found in nature combine here in vivid evocations of the sights the sounds the vast stillnesses and the events of the wilderness as the seasons

succeed each other But Mr Olson is not content merely to describe he probes for meanings that will lead the reader to a different and more revealing way of looking at the out of doors and to a deeper sense of its eternal values In each of the thirty four chapters of The Singing Wilderness he has sought to capture an essential quality of our magnificent lake and forest heritage He shows us what can be read from the rocks of the great Canadian Shield he offers a delightful essay on the virtues of pine knots as fuel he writes of the ways of a canoe of flashing trout in the pools of the Isabella of tamarack bogs caribou moss the flight of wild geese timber wolves and the birds of the ski trails And much more with something to satisfy every taste for wilderness experience Superbly illustrated with 38 black and white drawings by Francis Lee Jaques The Singing Wilderness is a book that no lover of nature will want to be without To anyone who contemplates a vacation in the lake country of northern Minnesota and adjoining Canada it is the perfect vade mecum
