Soldiers and Louisiana Confederate Commands ... Louisiana. Commissioner of military records,1920 *Slocum #388* Jake Logan,2011-05-31 Slocum s got a bug to squash He calls himself the Cockroach Hated by the good and feared by the bad this Mexican bandit s atrocities are downright ugly His latest crime torching a ranch and kidnapping the rancher s wife

The United States Service Magazine ,1866 **Three Days at Gettysburg** Gary W. Gallagher,1999 A collection of essays from Civil War historians on leadership during the three day Battle of Gettysburg Based on manuscript sources and consideration of existing literature the contributors challenge prevailing interpretations of key officers performances **The Secrets of North Brother Island** John Kenny Crane,2010-02-17 The Secrets of North Brother Island is about the unsolved disaster in 1904 of the burning and sinking of the pleasure boat General Slocum the worst nonmilitary disaster in American history before September 11 2001 It is often called the forgotten disaster because of the sinking of the Titanic in 1912 and the outbreak of World War I in 1914 However nearly 1100 perished on the Slocum half of them children in what was to have been a church picnic The captain ran it aground on North Brother Island despite the fact that the fire broke out beside Rikers Island equipped with a full firefighting brigade Crane relates it to the Civil War forty years earlier and revenge against General Slocum by one man he caused to be imprisoned in Andersonville These pyromaniacs are also related to the record setting fires between 1900 and 1911 such as The Triangle Shirtwaist fire **A Man for All Oceans: Captain Joshua Slocum and the First Solo Voyage Around the World** Stan Grayson,2017-05-16 The product of years of research A Man for All Oceans is the most comprehensive biography of Slocum ever published and the first written by a small boat sailor Author historian Grayson uncovered previously unknown original source materials to shed new light on one of history's greatest sailors while answering questions that have been asked ever since the publication of Sailing Alone In June 1898 three years and two months after departing Boston in his aged oyster sloop Spray Captain Joshua Slocum made landfall in New England and became the first person ever to sail alone around the world The voyage capped a lifetime of adventure for the indomitable Slocum who had advanced from seaman to captain during the challenging final years of commercial sail surviving hurricanes mutinies shipwreck and the death at sea of his beloved first wife Virginia Sailing Alone Around the World Slocum's book about his circumnavigation is a seafaring classic unmatched for adventure and literary verve and has never been out of print since its publication in 1900 Yet despite several biographies over the decades Slocum the man has remained unknowable to his legions of admirers the facts of his life and career as elusive as a ship on a fogbound sea Here is

the real story of Slocum's Nova Scotia childhood his seafaring career and how he became an American citizen Grayson gives ample evidence of Slocum's uncanny genius as a navigator while also noting the occasional role that good luck played in his voyages including his odyssey from Brazil to the United States in the self designed and built 35 foot *Liberdade* And Grayson brings a sailor's perspective to Slocum's solo circumnavigation and mysterious disappearance at sea A fascinating appendix compares *Sailing Alone Around the World* with Thoreau's *Walden* and shows that Slocum's simple lifestyle and self sufficiency prefigured today's emphases on the environment and living responsibly Previously unpublished photographs bring Slocum's world to life and detailed maps trace the adventures of a sailor who knew the world like the back of his hand This biography reads like an adventure narrative and will serve as the standard work on Joshua Slocum for years to come

Bentonville Nathaniel Cheairs Hughes Jr., 2000-11-09 The battle of Bentonville the only major Civil War battle fought in North Carolina was the Confederacy's last attempt to stop the devastating march of William Tecumseh Sherman's army north through the Carolinas Despite their numerical disadvantage General Joseph E Johnston's Confederate forces successfully ambushed one wing of Sherman's army on March 19 1865 but were soon repulsed For the Confederates it was a heroic but futile effort to delay the inevitable within a month both Richmond and Raleigh had fallen and Lee had surrendered
