Slow Joy:

Slow Joy Stefanie Marlis,1989 In *Slow Joy* Stefanie Marlis's first full length collection the poems move across boundaries across worlds difficulties and happinesses The book's persona and concerns consciousness suffering and destruction love and death are not unusual What is it that the collection as a whole breaks through pain and sorrowful histories and is finally uplifting even redemptive in the sense that prayers are redemptive And the poems in their serious strength urge the reader to draw a parallel between poetry and the silent prayers monks believe redeem the world Marlis writes poems that are potentially redemptive at least for the poet The poems in *Slow Joy* are wrought with animate imagery with story and with long running lines sprung with falling and rising sounds Marlis's poetry translates pain slowly into joy or as the poet has written makes the bearable a gate
