Small Ships:

Small Ships in Theater Security Cooperation Robert Button, 2008 To accomplish missions related to the War on Terror including missions to deny terrorists the use of the maritime environment and to empower partner nations to do the same the U S Navy must engage in theater security cooperation TSC the vehicle through which the United States extends influence develops access and promotes competence among potential coalition partners with foreign militaries The Navy asked the RAND National Defense Research Institute to analyze necessary small vessel characteristics focusing on TSC operations in sub Saharan Africa Using a strategies to tasks methodology the authors develop concepts of operation for employing small ships in TSC translate TSC tasks into required capabilities and derive ship characteristics from these capabilities BOOK JACKET

Small Boats and Daring Men Benjamin Armstrong, 2019-04-18 Two centuries before the daring exploits of Navy SEALs and Marine Raiders captured the public imagination the U S Navy and Marine Corps were already engaged in similarly perilous missions raiding pirate camps attacking enemy ships in the dark of night and striking enemy facilities and resources on shore Even John Paul Jones father of the American navy saw such irregular operations as critical to naval warfare With Jones s own experience as a starting point Benjamin Armstrong sets out to take irregular naval warfare out of the shadow of the blue water battles that dominate naval history This book the first historical study of its kind makes a compelling case for raiding and irregular naval warfare as key elements in the story of American sea power Beginning with the Continental Navy *Small Boats and Daring Men* traces maritime missions through the wars of the early republic from the coast of modern day Libya to the rivers and inlets of the Chesapeake Bay At the same time Armstrong examines the era s conflicts with nonstate enemies and threats to American peacetime interests along Pacific and Caribbean shores Armstrong brings a uniquely informed perspective to his subject and his work with reference to original naval operational reports sailors memoirs and diaries and officers correspondence is at once an exciting narrative of danger and combat at sea and a thoroughgoing analysis of how these events fit into concepts of American sea power Offering a critical new look at the naval history of the Early American era this book also raises fundamental questions for naval strategy in the twenty first century

Dunkirk Little Ships Nigel Sharp, 2015-05-15 The story of how 700 small privately owned vessels helped to save 338 226 British and French soldiers from the beaches of Dunkirk in 1940
