**Wedding Plans, Wedding Crafts** , Delivers a wedding planner plus wedding crafts that make the special day both more personal and more affordable **Framing the Bride** Bonnie Adrian,2003-12-08 With a wedding impending the Taiwanese bride to be turns to bridal photographers makeup artists and hair stylists to transform her image beyond recognition They give her fairer skin eyes like a Western baby doll and gowns inspired by sources from Victorian England to MTV An absorbing consideration of contemporary bridal practices in Taiwan Framing the Bride shows how the lavish photographs represent more than mere conspicuous consumption They are artifacts infused with cultural meaning and emotional significance products of the gender and generation based conflicts in Taiwan s hybrid system of modern matrimony From the bridal photographs the book opens out into broader issues such as courtship marriage kinship globalization and the meaning of the West and Western cultural images of beauty Bonnie Adrian argues that in compiling enormous bridal albums full of photographs of brides and grooms in varieties of finery posed in different places and exuding romance Taiwanese brides engage in a new rite of passage one that challenges the terms of marriage set out in conventional wedding rites In Framing the Bride we see how this practice is also a creative response to U S domination of transnational visual imagery how bridal photographers and their subjects take the project of globalization into their own hands defining its terms for their lives even as they expose the emptiness of its images **Women and Photography in Apartheid South Africa** Marie

Meyerding,2025-04-29 Tracing the lives and works of five women in four case studies author Marie Meyerding examines the representation of women in the field of photography in South Africa in the second half of the twentieth century All of them are critically understudied with no existing scholarship dedicated exclusively to their photographic contributions Focusing on the representation of women on two different levels as agents behind the camera and as subjects in photographs it showcases women photographers portraying their female contemporaries and analyses to what extent they adhered to or subverted common forms of gender representation In recuperating their forgotten archives the book argues that none of these women are marginal figures but rather that each of them played a leading role in the field of photography in their own time The book will be of interest to scholars working in art history history of photography gender studies intersectionality and African studies [Your Picture Perfect Wedding](#) Galina Vitols,2007-01-22 From technique to inspiration format to final product Your Picture Perfect Wedding offers everything a bride will need when planning her wedding photography **The**
