Smart Girls Don't and Guys Don't Either Kevin Leman, 1982      *Cool Guys Don't Go Out With Smart Girls* Carrie Luft, 1991      **Old Enough to Know - updated edition** Michael W. Smith, 2000-07-30 This best selling book from Michael W Smith has sold over 150 000 copies As relevant today as when Michael first wrote it *Old Enough to Know* gives straight Biblical answers to the struggles of growing up sex drugs alcohol peer pressure parental conflict friendship goals responsibilities and materialism Calling it a book for my friends the author assures teens that he knows they are old enough to know the difference between the phony and the genuine and attempts to show how he and other adults have genuinely been there and can help      *Nice Girl's Don't Get Mr. Right, Smart girls do* Taire Stephen, 2025-02-26 Ever wondered why that really nice well behaved girl can't seem to lock down a man for more than a few dates while other women seem to just have their pick of men Ever wondered what it really takes to get and keep a man interested in you long term For starters it takes more than being nice to get a man hooked on you Read this book to find out why nice girls tend to lose out in love and how you can reverse this self sabotaging trend in your favor      *The Smart Girl's Guide to Sports* Liz Hartman Musiker, 2008-07-29 A fun and accessible introduction to the wide world of sports For every woman who feels out of her league when her significant other spends nights glued to ESPN or when the guys talk sports at work *The Smart Girl's Guide to Sports* is here to level the playing field A crash course in football baseball basketball hockey golf boxing soccer and car racing this couch side companion explains the basics of each game profiles who's who defines key terms and arms readers with enough trivia to talk sports through extra innings With this female friendly handbook sports shy women everywhere can step off the sidelines and get into the game      Hope and Dignity Emily Herring Wilson, Susan Mullally, 1992-09 From the Foreword by Maya Angelou In *Hope and Dignity* Emily Wilson and Susan Mullally have offered some answers to the question of Black survival Wilson a good and recognized poet traveled her adopted State of North Carolina she is originally from Georgia talking to older Black women and listening to their responses Interestingly the women collected in this book appear to be speaking more to their ancestors and even to their unborn progeny than to Emily Wilson and therein must lie the book's success For since Wilson is White it is natural to suspect anything Black people might say to her There is the old saying among Blacks If white people ask you where you are going tell them where you've been It is a compliment to Wilson to say that she was wise enough to pose her questions then stand aside so that the women could reflect privately on the pasts they have lived and even those they wished they had lived Mullally's photographs are inspired and to the point She has demonstrated as much sensitivity as Wilson and an equal amount of poetic curiosity The subjects appear as out of a mist suddenly clear and clearly mistresses of their real and imagined times They have overcome the cruel roles into which they had been cast by racism and ignorance They have wept over their hopeless fate and defied destiny by creating hope anew They have nursed by force a nation of hostile strangers and wrung from lifetimes of mean servitude and third class

citizenship a dignity of indescribable elegance If I had it to do over Mrs Bryant explains I would just as soon have the days of back yonder as today I had But I m sure the children can have so much more and so much more easier till this is better days for living but not the kind of living we was brought up with We had time to visit each other and had time to go see the sick and didn t have no thoughts of putting nobody in the rest home Maybe if there was four or five working on the farm one could stay at the house and wait on that sick person And it didn t put no bigger strain on them Now it seems like they have keyed up themselves for fine houses fine furniture fine cars fine everything until it takes them both to work the wife and the husband But used to if the man had to be sick the woman with the neighbor s aid could carry on Or if the woman had to be sick the neighbors would help do the chopping or do whatever she had been doing till she could get well Now there s no way that no one hardly the way they ve got themselves stretched out for wanting so much that they can carry on as well as we did When mother stays at home with the children and works with them like I did you near about know them No way hardly they can fool you or nothing I m not giving myself no pat but nobody worked more hours than I did These women are teachers comprehensively Their accounts inform us that while life in North Carolina and in all the United States has been hard for the Black woman and man and child it can be borne with dignity and it can be changed by hope Salutes to Wilson and Mullally and humble thanks to all the women collected in this book I understand them They are my grandmothers Author note Emily Herring Wisonis a writer in Wonston Salem North Carolina She is working with Margaret Supplee Smith on a history of women in North Carolina Susan Mullally Clarkis a photographer in Greensboro North Carolina who is currently working on a photographic study of brothers and sisters Wilson and Clark traveled more than 20 000 miles through the South in the course of interviewing lecturing and photographing forHope and Dignity
