The Divine Farce (Large Print 16pt) Lisa M. Graziano, 2010-11 A Dante Beckett reduction of human struggle to its lowest common denominator Michael Mirolla author of *The Formal Logic of Emotion* and *Berlin* One of the most original and thought provoking stories I have ever read true literary art Not a word is wasted in this masterpiece Yes I call it that I have read many classics and I can tell you that *The Divine Farce* should be counted among them the finest in American literature Geek scribe Three strangers are condemned to live together in darkness crushed together in a concrete stall so small that they can never sit down Liquid food drips down from above Waste drains through a grid on the floor So begins one of the strangest most surreal comments on the human experience on love and hatred and the human ability to find good in any situation no matter how difficult Michael S A Graziano delights in the macabre and surreal yet it is his optimism that lifts this little novel Like *The Love Song of Monkey* this book is deeply thought provoking horrifying and funny Praise for *The Love Song of Monkey* Imaginative intelligent narrative Twin ideas of forgiveness and mercy twist through this strange moving patiently wrought novel
