The Interlinear Bible Hebrewgreekenglish With Strong's Concordance Numbers Above Each Word:

Interlinear Hebrew-Greek-English Bible with Strong's Numbers, Volume 1 of 3 Volumes Jay Patrick Green, 2009-07 The only complete interlinear Bible available in English and it's keyed to Strong's Exhaustive Concordance. Thousands of pastors, students, and laypeople have found The Interlinear Bible to be a time-saving tool for researching the subtle nuances and layers of meaning within the original biblical languages. Featuring the complete Hebrew and Greek texts with a direct English rendering below each word, it also includes The Literal Translation of the Bible in the outside column. But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words. Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's Greek-Hebrew dictionaries, analytical lexicons, concordances, word studies, and more. The Hebrew is based on the Masoretic Text, and the Greek is from the Textus Receptus. The sources of the texts are documented in the preface and are essentially the same, with some minor variations to the Hebrew and Greek texts used by the KJV translators. Only a small minority of Bible students ever achieve the ability to read the original biblical languages. This resource offers a non-threatening tool for those lacking language training to begin exploring the languages of Scripture. Conveniently includes the entire Hebrew and Greek text of the Bible in one place. Offering a concise literal translation of each Greek and Hebrew word, it's a great jumping-off point for in-depth Bible study and text analysis. This Bible displays all the Hebrew, Aramaic, and Greek words of the Bible in the Masoretic Hebrew Text and the Received Greek Text, with literal, accurate English meanings placed directly under each original word in interlinear form, with Strong's Concordance numbers over each original word, enabling the Bible student, whether knowing the original languages or not, to refer to all lexicons and concordances that have also been coded with Strong's numbers. 2,936 pages, bound in a bonded leather over boards, hardback edition. This new edition has been much improved by a new typesetting of the New Testament, Volume IV, with larger print, the left marginal column containing a newly revised Literal Translation of the Bible, 2000, and a right marginal column containing the Authorized King James Version, 1769. The three-volume Old Testament is an exact reprint of the 1985 Hendrickson Publishers Edition. The Old Testament does not yet have the 1769 King James Version. The only complete Interlinear Bible is now fully keyed to Strong's Concordance numbers. The Strong's numbering above each Hebrew and Greek word, along with the Interlinear text and marginal literal English Translation, and the 1769 Authorized King James Version, opens a treasure house of Bible study possibilities for those who wish to understand the Scripture better. Its use will allow the novice student to read the original text without losing valuable time to look up the meaning of the Hebrew-Greek words in the Hebrew-Greek lexicons. There is no substitute for a first-hand knowledge of the original text. However, since only a small minority of Bible students retain an easy reading comprehension of the original text, the Interlinear Bible is a welcome aid to Bible students, laymen, and pastors who wish to continue working with the original languages. and Greek alphabets Preface Part 1 Old Testament Hebrew English Part 2 New Testament Greek English Appendix A The majority text notes William G Pierpont Appendix B Jesus and the Old Testament *The Second Coming of Jesus - Think Again* William H. Hogue,2012-08-01 The overarching theme of this book is that the Second Coming of Jesus happened in AD 72 and that therefore Jesus is not coming again to rapture the church The book lays out a thorough exploration in support of this theme Daniels prophecies are foundational especially his prophecy of the Seventy Weeks in Daniel 9 2427 and his prophecy of four sequential Fertile Crescent Mediterranean empires see Daniel 7 The Fourth Empire or the Roman Empire is the key to understanding my theme with stress on the meaning of the horns on the head of the Fourth Beast see Daniel 7 78 As proof of my theme I use the biblical code of two or three witnesses see e g Deuteronomy 19 15 Matthew 18 16 John 8 17 and 1 John 5 8 The three witnesses I give are Daniel Jesus and the collective apostles all of whom taught and agreed that Jesus's Second Coming would take place before Jesus's generation passed away Matthew 24 34 Furthermore I show how the epistles of the New Testament reflect this theme by citing scores of passages from them for my readers to consider Finally in chapter 5 of the book and in five appendixes I show how the Book of Revelation aptly interpreted fully agrees with this theme

Thanks: Giving and Receiving Gratitude for America's Troops Edgar S. Welty Jr.,2015-07-14 This is a book about faith and moral issues facing American troops and veterans As someone who spent four years wearing a U S army uniform Edgar S Welty has plenty of soldier stories But he does not start this book

with those stories Instead Welty introduces his work with the telling of Simon s service when he carried the cross of our Lord Jesus Christ He argues that service is the same as Jesus s call to go an extra or second mile Americans are called by Jesus to walk a second mile for American troops and veterans This act of service is necessary because many troops are in trouble as is demonstrated by suicide rates Each section of this book focuses on a new issue surrounding troops and veterans
