The Mind Of The Terrorist:

The Mind of the Terrorist Jerrold M. Post, 2024-09-04 In contrast to the widely held assumption that terrorists as crazed fanatics Jerrold Post demonstrates they are psychologically normal and that hatred has been bred in the bone He reveals the powerful motivations that drive these ordinary people to such extraordinary evil by exploring the different types of terrorists from national separatists like the Irish Republican Army to social revolutionary terrorists like the Shining Path as well as religious extremists like al Qaeda and Aum Shinrikyo In *The Mind of the Terrorist* Post uses his expertise to explain how the terrorist mind works and how this information can help us to combat terrorism more effectively **The Mind of**

the Terrorist Gerald McKnight, 1964 **Terrorists of the Mind** R.K. Hopkins, 2010-11-12 When God made the human body he made an amazing creation Out of all our tissues bones muscles cells and nerves that occupy our body the most powerful lethal body organ is our mind Therefore it only makes sense to attack someone and try to destroy him or her at his or her strongest point of contact which is the mind Somewhere between birth and death we will experience and encounter things that will attack our sanity and make us feel like we are losing our minds Satan loves to attack our minds That is why it is so very important to protect your mind Your mind is a playground to Satan Satan is very crafty and shrewd He wants your life His intentions are to take you out You must prepare yourself for this grave warrior and his terrorists You must be armed with the armor of God There is hope because God is in charge and he is the CEO of the universe Get to know God put on your armor and prepare to battle and you can win the war and survive the terrorist attacks from Satan Victory can be yours

Psycho-political Aspects of Suicide Warriors, Terrorism, and Martyrdom Jamshid A. Marvasti, 2008 In this book there is no intention to bury or to praise suicide bombers Instead the text explores the controversy regarding the double standards prejudice and distortion with the concepts of suicide bombers warriors terrorism and martyrdom Frequently the eyes of the beholders and the political religious orientation and loyalties to one s tribe color what someone perceives For example if you carry a bomb in your hand you are called a terrorist but if an F 16 carries bombs and kills civilians the pilot could be labeled a war hero or freedom fighter The contributors of this volume explore the controversial definitions of war crimes and terrorism from both sides eventually declaring that although news and history are written by both the victor and the loser the victor s media has more influence and dominance Major motivational elements for suicide bombers are identified as occupation invasion of the homeland psychic trauma and dissociation religion poverty perceived injustice shame and despair rage and revenge and cultural support The contributors further explore state sponsored terrorism the limiting of civil liberties and the psychological impact of war and terrorism on civilians Israeli and Palestinian children and western

leaders A psychological autopsy of suicide bombers and the uniqueness of female participants as well as the failure of counterterrorism are discussed Research on the characteristics of homegrown worriers and warriors in the western Muslim population is presented Finally the inclusion of treatment methods of psychopharmacology and psychotherapy for traumatized victims of violence help give the reader a broad perspective of the future impact of this very complex topic
