Gupta,2018-09-27 When a plane carrying many hopes dreams love hate and greed diverts from its route and crashes into the snow capped mountains of Antarctica most of its passengers die As the crash s few survivors attempt to endure the cold and uninhabited environment they find their only ray of hope in their pilot Captain Rahul But after he leads the survivors to a safe place to receive help he suddenly disappears Now Captain Rahul appears guilty of a crime Sara a passenger on the flight who loves him fights for his dignity but it is only Captain Rahul who can prove his innocence But where is he As a trial ensues a shocking surprise occurs on the day of the final verdict when the captain arrives to unveil the mystery of the disappearance with the help of an energetic young reporter Kiren Bakshi As the world is left shocked and Sara broken once again nature proves that it has no barrier and that everything depends on human will In this tale of yearning love and an unrivaled will a pilot leads survivors of a plane crash to safety and then disappears leaving the world to contemplate complex questions about life death and duty **Pure** Jared Stearns,2024-04-22 The untold story of the world s most famous X rated star who rose to fame as the face of Ivory Snow and the star of Behind the Green Door but struggled to find her true self in a world of sex scandal and shattered dreams Marilyn Chambers was the embodiment of the free spirited Seventies the world s most famous X rated star and an unappreciated talent whose work in adult films hindered her dreams of becoming a serious actress Raised in an affluent Connecticut suburb Marilyn catapulted to fame when it was learned that not only had she starred in the groundbreaking X rated film Behind the Green Door but was also the model on the box of Ivory Snow laundry detergent product tagline 99 44 100% Pure Marilyn was the first woman known primarily for her work in adult films to cross over to mainstream entertainment She sustained a versatile three decade career in entertainment including roles in dramatic plays a Broadway musical revue her own television show and the lead role in David Cronenberg s film Rabid But her success in adult films also proved to be her undoing Marred by a violent relationship with her abusive husband manager Chuck Traynor she developed the persona of a twenty four hour a day sex star In the process she lost her sense of self and spent much of her life searching for her true identity With recollections from family and friends many of whom have never spoken publicly along with Marilyn s own words and never before published photos Jared Stearns vividly captures the revolutionary

career of one of the twentieth century's most misunderstood icons Down and Dirty Pictures Peter Biskind, 2013-01-08 In this dishy superbly reported Entertainment Weekly New York Times bestseller Peter Biskind chronicles the rise of independent filmmakers who reinvented Hollywood most notably Sundance founder Robert Redford and Harvey Weinstein who with his brother Bob made Miramax Films an indie powerhouse As he did in his acclaimed *Easy Riders Raging Bulls* Peter Biskind takes on the movie industry of the 1990s and again gets the story The New York Times Biskind charts in fascinating detail the meteoric rise of the controversial Harvey Weinstein often described as the last mogul who created an Oscar factory that became the envy of the studios while leaving a trail of carnage in his wake He follows Sundance as it grew from a regional film festival to the premier showcase of independent film succeeding almost despite the mercurial Redford whose visionary plans were nearly thwarted by his own quixotic personality Likewise the directors who emerged from the independent movement such as Quentin Tarantino Steven Soderbergh and David O Russell are now among the best known directors in Hollywood Not to mention the actors who emerged with them like Matt Damon Ben Affleck Ethan Hawke and Uma Thurman Candid controversial and sensationally entertaining Los Angeles Times *Down and Dirty Pictures* is a must read for anyone interested in the film world **Talking Dirty on Sex and the City** Beatriz Oria, 2014-06-05 First broadcast on HBO in 1998 *Sex and the City* quickly became a mainstream success Following four women who navigate the promise and peril of social political and sexual relationships in New York the series caused a stir in the popular media Academia also responded with a remarkable body of criticism for such an apparently trivial program But more than ten years after the show ended there is still much more to say about this cultural phenomenon that spawned two film sequels In *Talking Dirty on Sex and the City Romance Intimacy Friendship* Beatriz Oria explores the discourses surrounding the series from a sociological point of view Specifically this book focuses on the conventions of the romantic comedy genre and how its familiar fictional world articulates issues of intimacy gender identity and interpersonal relationships Oria considers how generic conventions employed by the show affect discourses on intimacy and how interpersonal relationships at the turn of the century have not only been represented but also fashioned through a relevant popular culture text The author also explores such elements as romantic versus democratic love the representation of female sexuality and new family models With an interdisciplinary approach this book touches on many different areas including sociology psychology gender studies and media studies Aimed at a broad academic audience *Talking Dirty on Sex and the City* will also appeal to longtime fans who are no doubt still gossiping about the show Spirit of Hispania , *Surveying the Surging Immensity of Truth* Mulalo Netsianda, 2016-12-08 The road was busy with people of all walks of life and the old man therefore rode while his son went on a foot The first person they met asked the old man if he was not ashamed to ride by himself and suffer the poor little boy to wade along through the old man This induced him to take up his son behind him While he had not traveled far he met another person who said they were two unmerciful beings to get both on the bicycle in such a terrible road Upon this matter the old man gets off and lets

his son ride alone The next person they met called the young boy ill disciplined to ride in that manner while his aged father trudged along on foot and he said an old man was such a fool for suffering it The old man then bid his son to come down and to walk with him leading the bicycle by the halter till they met another person who called them a couple of senseless blackheads for both going on foot in such a dirty way when they had an empty bicycle that they might ride upon The old man could bear no longer My son said he it grieves me much that we cannot please all these people Let us throw the bicycle over the road and be no further troubled with it Had the old man been seen acting this last resolution he would have been called a fool for troubling himself about the different opinion of all that were trying to find a fault with him or his son Dysfluencies Chris Eagle,2013-11-07 Dysfluencies is the first comprehensive study of how speech disorders are portrayed in modern literature Tracing the roots of this interaction between literary practice and speech pathology back to the rise of aphasiology in the 1860s Dysfluencies examines portrayals of disordered speech by writers like Zola Proust Joyce Melville and Mishima as well as contemporary writers like Philip Roth Gail Jones and Jonathan Lethem Dysfluencies thus speaks directly to the growing interest at present both in popular culture and the Humanities regarding the status of the Self in relation to speech pathology The need for this type of study is clear considering the number of prominent writers whose works foreground disorders of speech Melville Zola Kesey Mishima Roth et al Moreover thinkers like Freud Bergson and Jakobson were similarly concerned with the implications of language breakdown This volume shows this concern began with the rise of neurology and aphasiology which challenged spiritual conceptions of language and replaced them with a view of language as a material process rooted in the brain Dysfluencies traces the history of this interaction between literary practice and speech pathology arguing that works of literature have responded differently to the issue of language breakdown as the dominant views on the issue have shifted from neurological circa 1860s to 1920s to psychological circa 1920s to 1980s and back to neurological during the so called decade of the Brain the 1990s
