The Mines Of Colorado

Joseph E. King

The Mines Of Colorado:

The Mines of Colorado Ovando James Hollister, 1867 *The Mines of Colorado* O. Hollister, 2015-06-19 Leading mining historian Kerby Jackson introduces us to a classic mining publication on Colorado Mining First published in 1867 it has been unavailable since those days and sheds important light on Colorado's early mining history Written shortly after the events took place this publication sheds important light on the Pike's Peak Gold Rush the discovery of gold on Ralston Creek and Dry Creek in the 1850s as well as details on the first wave of miners into Colorado and their trials and tribulations as they crossed the Great Plains Also included are details on early discoveries of lode gold in the mountainous regions of Colorado details on the early mines hardrock and placer mines and much more It is a veritable treasure trove on Colorado's early mining history and will be of great importance to anyone who is interested in the mining of gold or other minerals in Colorado as well as those interested in the history of the state Note This edition is a perfect facsimile of the original edition and is not set in a modern typeface As such some type characters and images might suffer from slight imperfections or minor shadows in the page background The Mines of Colorado Ovando James Hollister, 1974 The Colorado Directory of Mines Thomas B. Corbett, 1879 A Mine to Make a Mine Joseph E. King, 1977 Entranced by visions of instant wealth the fabled prospector and his trusty burro combed the hills of the Rocky Mountain West for that one huge deposit of pay ore Close behind the prospector and drawn by the same vision came the speculator Capital a scarce though essential commodity on the frontier was supplied by the speculators and made possible the development of a hardrock mining industry that helped shape the early history of the region Between the Civil War and the turn of the century the gold and silver mines of Colorado were a gaudy unsavory but important element in the American financial scene and in the economic history of the West Joseph E. King drawing upon contemporary sources provides the first comprehensive and scholarly examination of eastern investors in Colorado and challenges the popular notion that eastern investors did little more than exploit the mines of Colorado Not surprisingly the prospector and the lusty boom towns he visited have often captivated the imagination of historians at the expense of the later stages in the development of a mineral industry Professor King stresses the contributions of promoters businessmen and mining engineers in the development of the Wild West **Colorado, Its Gold and Silver Mines** Frank Fossett, 1880 *The Mines of Colorado (Classic Reprint)* Ovando J. Hollister, 2017-06-24 Excerpt from The Mines of Colorado Discoveries Of Gold in the Mountains John H Gregory and the Gregory Lode History of Discovery Claim on the Gregory Placer and Bar Diggings First Mining Laws Russell Gulch Quartz Mining Gregory District Organized and Code Of Laws Adopted About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do

however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Quarterly of the Colorado School of Mines Colorado School of Mines,1924 *Gold Mining at Cripple Creek, Colo. and the Mines of the Colorado City and Manitou Prospecting and Mining Co* Colorado City and Manitou Prospecting and Mining Company,1892

Historic Photos of Colorado Mining ,2009-10-01 In 1859 100 000 folks started the journey to the Pikes Peak goldfields but only 50 000 completed the trip An additional 25 000 soon gave up and went back home The remainder not only brought statehood to the central Rocky Mountains but they also brought the industrial world to isolated areas in the high mountains where they mined mineral deposits for gold silver lead zinc and copper among others This book Historic Photos of Colorado Mining provides an introduction to Colorado s mining history through photographs from the nineteenth and early twentieth centuries Accompanying captions provide specific contexts for the photos and tell the story of the prospectors miners engineers teamsters railroaders and townspeople who served as entrepreneurs and workers in industrializing the Colorado Rocky Mountains Many ruins from the mining days are now recognized as historic landmarks But the stories behind the ruins are often as fascinating as the ruins themselves the struggle to survive and thrive in the wilderness is always a compelling tale

Scope and Progress of the Mining Industry in Colorado Colorado School of Mines,1911 *Colorado Mining Districts* Lisa G. Dunn,2003 Conditions in the Coal Mines of Colorado United States. Congress. House. Committee on Mines and Mining,1914 **Cripple Creek** ,1901

Mining in Colorado Charles W. Henderson,2016-03-10 Mining in Colorado A History of Discovery Development and Production Originally Published in 1926 as Professional Paper 138 This historically significant book has information on the Mining in Colorado that we haven t found in any other publication Not only does this book give a chronological detail of mine development it also gives a breakdown by county by production locations and little tidbits on a particular mine or prospect that makes it a great research tool for historians and prospectors alike Now back in Print by Miningbooks com

The Mines Handbook ,1916 Colorado Mining Directory , **Mining Towns of Southern Colorado** Staci Comden,Victoria Miller,Sara Szakaly,2013-05-13 Lesser known than the gold and silver mines of Western lore Southern Colorados extensive coal mines fueled the engines for Western industrialization in the late 19th and early 20th centuries Of the numerous companies operating the mines the Colorado Fuel and Iron Company CF I was king With a total of 62 mines the majority of them in Colorados Las Animas Huerfano and Fremont Counties CF I ruled the lives of countless miners in company towns scattered throughout Southern Colorado Working long hours often in cramped underground caverns the workers emerged to families living in lonely mountain landscapes completely provisioned with company homes stores schools and churches Images of America Mining Towns of Southern Colorado gives an intimate glimpse into the lives of these pioneer mining families
